Item 1.01. Entry into a Material Definitive Agreement.

On February 7, 2023, Safe & Green Holdings Corp. (the "Company") closed a private placement offering (the "Offering") of One Million One Hundred Thousand Dollars (\$1,100,000.00) in principal amount of the Company's 8% convertible debenture (the "Debenture") and a warrant (the "Warrant") to purchase up to Five Hundred Thousand (500,000) shares of the Company's common stock, to Peak One Opportunity Fund, L.P. ("Peak One"). Pursuant to a Securities Purchase Agreement, dated February 7, 2023 (the "Purchase Agreement"), the Debenture was sold to Peak One for a purchase price of \$1,000,000, representing an original issue discount of ten percent (10%).

In connection with the offering the Company paid \$15,000 as a non-accountable fee to Peak One to cover its accounting fees, legal fees and other transactional costs incurred in connection with the transactions contemplated by the Purchase Agreement and issued 50,000 shares of its restricted common stock (the "Commitment Shares") to Peak One Investments, LLC ("Investments"), the general partner of Peak One.

The Debenture matures twelve months from its date of issuance and bear interest at a rate of 8% per annum payable on the maturity date. The Debenture is convertible, at the option of the holder, at any time, into such number of shares of common stock of the Company equal to the principal amount of the Debenture plus all accrued and unpaid interest at a conversion price equal to \$1.50 (the "Conversion Price"), subject to adjustment for any stock splits, stock dividends, recapitalizations and similar events and in the event the Company, at any time while the Debenture is outstanding, issues, sells or grants any option to purchase, or sells or grants any right to reprice, or otherwise disposes of, or issues common stock or other securities convertible into, exercisable for, or otherwise entitle any person the right to acquire, shares of common stock, other than with respect to an Exempt Issuance (as defined in the Debenture), at an effective price per share that is lower than the then Conversion Price. In the event of any such anti-dilutive event, the Conversion Price will be reduced at the option of the holder to such lower effective price of the dilutive event, subject to a floor price of \$0.40 per share, unless and until the Company obtains shareholder approval for any issuance below such floor price.

The Debenture is redeemable by the Company at a redemption price equal to 110% of the sum of the principal amount to be redeemed plus accrued interest, if any. So long as

the Debenture is outstanding, upon any issuance by the Company of any security with any term more favorable to the holder of such security or with a term in favor of the holder of such security that was not similarly provided to the holder of the Debenture, then the Company shall notify the holder of such additional or more favorable term and such term, at holder's option, will become a part of the transaction documents with the holder. In no event will the holder be entitled to convert any portion of the Debenture in excess of that portion which would result in beneficial ownership by the holder and its affiliates of more than 4.99% of the outstanding shares of common stock, unless the holder delivers to the Company written notice at least sixty-one (61) days prior to the effective date of such notice that the provision be adjusted to 9.99%.

While the Debenture is outstanding, if the Company receives cash proceeds of more than \$1,000,000.00 ("Minimum Threshold") in the aggregate from any source or series of related or unrelated sources, the Company shall, within two (2) business days of Company's receipt of such proceeds, inform the holder of such receipt, following which the holder shall have the right in its sole discretion to require the Company to immediately apply up to 50% of all proceeds received by the Company (from any source except with respect to proceeds from the issuance of equity or debt to officers and directors of the Company) after the Minimum Threshold is reached to repay the outstanding amounts owed under the Debenture.

Upon the occurrence of certain events of default specified in the Debenture, such as a failure to honor a conversion request, failure to maintain the Company's listing, the Company's failure to comply with its obligations under Securities Exchange Act of 1934, as amended, a breach of the Company's representations or covenants, or the failure obtain shareholder approval within 60 days after the Exchange Cap (as defined) is reached, as amended, 110% of all amounts owed to holder under the Debenture, together with default interest at 18% per annum if any, shall then become due and payable.

1

The Warrant expires five years from its date of issuance. The Warrant is exercisable, at the option of the holder, at any time, for up to 500,000 of shares of common stock of the Company at an exercise price equal to \$2.25 (the "Exercise Price"), subject to adjustment for any stock splits, stock dividends, recapitalizations and similar events and in the event the Company, at any time while the Warrant is outstanding, issues, sells or grants any option to purchase, or sells or grants any right to reprice, or otherwise disposes of, or issues common stock or other securities convertible into, exercisable for, or otherwise entitle any person the right to acquire, shares of common stock, other than with respect to an Exempt Issuance, at an effective price per share that is lower than the then Exercise Price. In the event of any such anti-dilutive event, the Exercise Price will be reduced at the option of the holder to such lower effective price of the dilutive event, subject to a floor price of \$0.40 per share, unless and until the Company obtains shareholder approval for any issuance below such floor price.

The number of shares of the Company's common stock that may be issued upon conversion of the Debenture and exercise of the Warrants, and inclusive of the Commitment Shares and any shares issuable under and in respect of the equity purchase agreement, dated February 7, 2023 between the Company and Peak One described below, is subject to an exchange cap (the "Exchange Cap") of 19.99% of the outstanding number of shares of the Corporation's common stock on the closing date, 2,760,675 shares, unless shareholder approval to exceed the Exchange Cap is approved.

The Company entered into a Registration Rights Agreement, dated February 7, 2023 (the "RRA"), with Peak One where it agreed to file a registration statement within 60 days to register the shares of Common Stock issuable under the Debenture and the Warrant with the Securities and Exchange Commission.

In connection with the Offering, the Company paid a placement fee of \$70,000 to Maxim Group LLC.

The Purchase Agreement and the Registration Rights Agreement contain customary representations, warranties, agreements and conditions to completing future sale transactions, indemnification rights and obligations of the parties. Among other things, Peak One represented to the Company, that it is an "accredited investor" (as such term is defined in Rule 501(a) of Regulation D under the Securities Act of 1933, as amended (the "Securities Act")), and the Company sold the securities in reliance upon an exemption from registration contained in Section 4(a)(2) of the Securities Act and Regulation D promulgated thereunder.

On February 7, 2023, the Company also entered into an Equity Purchase Agreement (the "EP Agreement") and related Registration Rights Agreement (the "Rights Agreement") with Peak One, pursuant to which the Company shall have the right, but not the obligation, to direct Peak One to purchase up to \$10,000,000.00 (the "Maximum Commitment Amount") in shares of the Company's common stock in multiple tranches upon satisfaction of certain terms and conditions contained in the EP Agreement and Rights Agreement which includes but is not limited to filing a registration statement with the SEC and registering the resale of any shares sold to Peak One. Further, under the EP Agreement and subject to the Maximum Commitment Amount, the Company has the right, but not the obligation, to submit a Put Notice (as defined in the EP Agreement) from time to time to Peak One (i) in a minimum amount not less than \$25,000.00 and (ii) in a maximum amount up to the lesser of (a) \$750,000.00 or (b) 200% of the Average Daily Trading Value (as defined in the EP Agreement).

In connection with the EP Agreement, the Company agreed, among other things, to issue to Investments 75,000 shares of its common stock, and file a registration statement registering the common stock issued or issuable to Peak One and Investments under the Agreement for resale with the Securities and Exchange Commission within 60 calendar days of the Agreement, as more specifically set forth in the Rights Agreement.

The obligation of Peak One to purchase the Company's common stock under the EP Agreement begins on the date of the EP Agreement, and ending on the earlier of (i) the date on which Investor shall have purchased common stock pursuant to the EP Agreement equal to the Maximum Commitment Amount, (ii) thirty six (36) months after the date of the EP Agreement, (iii) written notice of termination by the Company or (iv) the Company's bankruptcy or similar event (the "Commitment Period").

2

During the Commitment Period, the purchase price to be paid by Peak One for the common stock under the EP Agreement will be 97% of the Market Price, which is defined as the lesser of the (i) closing bid price of the Common Stock on its principal market on the trading day immediately preceding the respective Put Date (as defined in the Agreement), or (ii) lowest closing bid price of the Common Stock during the Valuation Period (as defined in the Agreement), in each case as reported by Bloomberg Finance L.P or other reputable source designated by Peak One.

The EP Agreement and the Rights Agreement contain customary representations, warranties, agreements and conditions to completing future sale transactions, indemnification rights and obligations of the parties. Among other things, Peak One represented to the Company, that it is an "accredited investor" (as such term is defined in Rule 501(a) of Regulation D under the Securities Act, and the Company sold the securities in reliance upon an exemption from registration contained in Section 4(a)(2) of the Securities Act and Regulation D promulgated thereunder.

The foregoing descriptions of the Purchase Agreement, Debenture, Warrant, Registration Rights Agreement, EP Agreement and Rights Agreement are qualified in their entirety by reference to the full text of such agreements, copies of which are attached hereto as Exhibit 10.1, 4.1, 4.2, 10.2, 10.3 and 10.4, respectively, and each of which is incorporated herein in its entirety by reference. The representations, warranties and covenants contained in such agreements were made only for purposes of such agreements and as of specific dates, were solely for the benefit of the parties to such agreements and may be subject to limitations agreed upon by the contracting parties.

SAFE & GREEN HOLDINGS CORP.**CONVERTIBLE DEBENTURE**

Issuance Date: February 7, 2023

Principal Amount: \$1,100,000.00

FOR VALUE RECEIVED, SAFE & GREEN HOLDINGS CORP., a corporation organized and existing under the laws of the State of Delaware (the “Company”), hereby promises to pay to **PEAK ONE OPPORTUNITY FUND, L.P.**, having its address at 333 South Hibiscus Drive, Miami Beach, FL 33139, or its assigns (the “Holder”), the initial principal sum of One Million One Hundred Thousand and 00/100 Dollars (\$1,100,000.00) (subject to adjustment as provided herein, the “Principal Amount”) and any accrued and unpaid interest and other fees under this Debenture on the date that is twelve (12) calendar months after the Issuance Date (the “Maturity Date”), subject to the terms of this Debenture. The Company has the option to redeem this Debenture prior to the Maturity Date pursuant to Section 2(b). The Holder has the option to cause any outstanding principal and accrued interest, if any, on this Debenture to be converted into Common Stock of the Company, par value \$0.01 per share (the “Common Stock”) at any time. The Company shall pay interest on the unpaid Principal Amount hereof at the rate of eight percent (8%) per annum from the Issuance Date until the same becomes due and payable, whether at maturity or upon acceleration or by prepayment or otherwise, as further provided herein.

This Debenture is being issued pursuant to that securities purchase agreement dated as of February 7, 2023, between the Company and the Holder (the “Securities Purchase Agreement”). Capitalized terms used but not defined herein shall have the meanings set forth in the Securities Purchase Agreement. This Debenture is also subject to the provisions of the Securities Purchase Agreement and further is subject to the following additional provisions:

1. This Debenture has been issued subject to investment representations of the original purchaser hereof and may be transferred or exchanged only in compliance with the Securities Act and other applicable state and foreign securities laws. The Holder may transfer or assign this Debenture (or any part thereof) without the prior consent of the Company, and the Company shall cooperate with any such transfer. In the event of any proposed transfer of this Debenture, the Company may require, prior to issuance of a new Debenture in the name of such other Person, that it receive reasonable transfer documentation including legal opinions that the issuance of the Debenture in such other name does not and will not cause a violation of the Securities Act or any applicable state or foreign securities laws or is exempt from the registration requirements of the Securities Act. Prior to due presentation for transfer of this Debenture to which the Company has consented, the Company and any agent of the Company may treat the Person in whose name this Debenture is duly registered on the Company’s books and records of outstanding debt securities and obligations (“Debenture Register”) as the owner hereof for the purpose of receiving payment as herein provided and for all other purposes, whether or not this Debenture be overdue, and neither the Company nor any such agent shall be affected by notice to the contrary.

2. Conversion at Holder’s Option; Redemption at Company’s Option.

a. The Holder is entitled to, at any time or from time to time on or after the Issuance Date, convert the Conversion Amount (as defined below) into Conversion Shares, at a conversion price for each share of Common Stock (the “Conversion Price”) equal to \$1.50, subject to equitable adjustments resulting from any stock splits, stock dividends, recapitalizations or similar events. The Company shall issue irrevocable instructions to its Transfer Agent regarding conversions such that the Transfer Agent shall be authorized and instructed to issue Conversion Shares upon its receipt of a Notice of Conversion without further approval or authorization from the Company. For purposes of this Debenture, the “Conversion Amount” shall mean the sum of (A) all or any portion of the outstanding Principal Amount of this Debenture, as designated by the Holder upon exercise of its right of conversion plus (B) any interest, pursuant to Section 10 or otherwise, that has accrued on the portion of the Principal Amount that has been designated for payment pursuant to (A).

Conversion shall be effectuated by delivering by facsimile, email or other delivery method to the Transfer Agent of the completed form of conversion notice attached hereto as Annex A (the “Notice of Conversion”), executed by the Holder of the Debenture evidencing such Holder’s intention to convert this Debenture or a specified portion hereof. No fractional shares of Common Stock or scrip representing fractions of shares will be issued on conversion, but the number of shares issuable shall be rounded to the nearest whole share. The Holder may, at its election, deliver a Notice of Conversion to either the Company or the Transfer Agent. The date on which notice of conversion is given (the “Conversion Date”) shall be deemed to be the date on which the Company or the Transfer Agent, as the case may be, receives by fax, email or other means of delivery used by the Holder the Notice of Conversion (such receipt being evidenced by electronic confirmation of delivery by facsimile or email or confirmation of delivery by such other delivery method used by the Holder); provided, that any notice received after 5pm (ET) shall be deemed to be a Conversion Date on the next business day. Delivery of a Notice of Conversion to the Transfer Agent may be given by the Holder by facsimile, or by delivery to the Transfer Agent at the address set forth in the Transfer Agent Instruction Letter (or such other contact facsimile number, email or street address as may be designated by the Transfer Agent to the Holder). Delivery of a Notice of Conversion to the Company shall be given by the Holder pursuant to the notice provisions set forth in Section 10 of the Agreement. The Conversion Shares must be delivered to the Holder within two (2) business days from the date of delivery of the Notice of Conversion to the Transfer Agent or Company, as the case may be (the “Deadline”). Conversion shares shall be delivered by DWAC so long as the Company is then DWAC Operational, unless the Holder expressly requests delivery in certificated form or the Conversion Shares are in the form of Restricted Stock and are required to bear a restrictive legend. Conversion Shares shall be deemed delivered (i) if delivered by DWAC, upon deposit into the Holder’s brokerage account, or (ii) if delivered in certificated form, upon the Holder’s actual receipt of the Conversion Shares in certificated form at the address specified by the Holder in the Notice of Conversion, as confirmed by written receipt. All expenses incurred by Holder, for the issuance and clearing of the Common Stock into which this Debenture is convertible into, shall immediately and automatically be added to the balance of the Debenture at such time as the expenses are incurred by Holder. In addition to the foregoing, if on or prior to the Deadline the Company shall fail to issue and deliver such Conversion Shares and credit the Holder’s balance account with DTC for the number of Conversion Shares to which the Holder is entitled upon the Holder’s exercise hereunder or pursuant to the Company’s obligation pursuant to clause (ii) below, and if on or after such Trading Day the Holder purchases (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by the Holder of shares of Common Stock issuable upon such exercise that the Holder anticipated receiving from the Company, then the Company shall, within two (2) Trading Days after the Holder’s request and in the Holder’s discretion, either (i) pay cash to the Holder in an amount equal to the Holder’s total purchase price (including brokerage commissions and other reasonable and customary out-of-pocket expenses, if any) for the shares of Common Stock so purchased (the “Buy-In Price”), at which point the Company’s obligation to deliver such Conversion Shares and credit such Holder’s balance account with DTC for such Conversion Shares shall terminate, or (ii) promptly honor its obligation to deliver to the Holder such Conversion Shares and credit such Holder’s balance account with DTC and pay cash to the Holder in an amount equal to the excess (if any) of the Buy-In Price over the product of (A) such number of shares of Common Stock, times (B) the closing sales price of the Common Stock on the date of exercise. Nothing shall limit the Holder’s right to pursue any other remedies available to it hereunder, at law or in equity, including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company’s failure to timely deliver the Conversion Shares and credit the Holder’s balance account with DTC for the number of Conversion Shares to which the Holder is entitled upon the conversion of this Debenture as required pursuant to the terms hereof.

If at any time the Conversion Price as determined hereunder for any conversion would be less than the par value of the Common Stock, then at the sole discretion of the Holder, the Conversion Price hereunder may equal such par value for such conversion and the Conversion Amount for such conversion may be increased to include Additional Principal, where "Additional Principal" means such additional amount to be added to the Conversion Amount to the extent necessary to cause the number of conversion shares issuable upon such conversion to equal the same number of conversion shares as would have been issued had the Conversion Price not been adjusted by the Holder to the par value price.

Notwithstanding the foregoing, unless the Holder delivers to the Company written notice at least sixty-one (61) days prior to the effective date of such notice that the provisions of this paragraph (the "Limitation on Ownership") shall be adjusted to 9.99% with respect to the Holder, in no event shall a holder of Debenture have the right to convert Debenture into, nor shall the Company issue to such Holder, shares of Common Stock to the extent that such conversion would result in the Holder and its affiliates together beneficially owning more than 4.99% of the then issued and outstanding shares of Common Stock. For purposes hereof, beneficial ownership shall be determined in accordance with Section 13(d) of the Exchange Act and Regulation 13D-G under the Exchange Act. Notwithstanding anything in this Debenture to the contrary, and in addition to the beneficial ownership limitations provided herein, the sum of the number of shares of Common Stock that may be issued under the Securities Purchase Agreement (including the Commitment Shares (as defined in the Securities Purchase Agreement) (the "Commitment Shares"), under this Debenture, under the Warrant (as defined in the Securities Purchase Agreement), and under the equity purchase agreement entered into on or around the Issuance Date between the Company and the Holder, shall be limited to 19.99% of the Company's outstanding shares of Common Stock as of the Issuance Date (the "Exchange Cap", which is equal to 2,760,675 shares of Common Stock, subject to appropriate adjustment for any stock dividend, stock split, stock combination, rights offerings, reclassification or similar transaction that proportionately decreases or increases the Common Stock), unless Shareholder Approval (as defined in the Securities Purchase Agreement) ("Shareholder Approval") is obtained by the Company to issue more than the Exchange Cap. The Exchange Cap shall be appropriately adjusted for any reorganization, recapitalization, non-cash dividend, stock split, reverse stock split or other similar transaction.

b. So long as no Event of Default (as defined in Section 10) shall have occurred and be continuing (whether or not such Event of Default has been declared by the Holder), the Company may at its option call for redemption all or part of the Debenture, with the exception of any portion thereof which is the subject of a previously-delivered Notice of Conversion, as follows:

(i) The Debenture called for redemption shall be redeemable by the Company, upon not more than two (2) calendar days written notice, for an amount (the "Redemption Price") equal to One Hundred Ten percent (110%) of the sum of the Principal Amount so redeemed plus accrued interest, if any. The date upon which the Debenture is redeemed and paid shall be referred to as the "Redemption Date" (and, in the case of multiple redemptions of less than the entire outstanding Principal Amount, each such date shall be a Redemption Date with respect to the corresponding redemption).

(ii) [Reserved]

(iii) [Reserved]

(iv) On the Redemption Date, the Company shall cause the Holder whose Debenture have been presented for redemption to be issued payment of the Redemption Price. In the case of a partial redemption, the Company shall also issue new Debenture to the Holder for the Principal Amount remaining outstanding after the Redemption Date promptly after the Holder's presentation of the Debenture called for redemption.

(v) To effect a redemption the Company shall provide a written notice to the Holder(s) not more than two (2) calendar days prior to the Redemption Date (the "Redemption Notice"), setting forth the following:

1. the Redemption Date;
2. the Redemption Price;
3. the aggregate Principal Amount of the Debenture being called for redemption; and
4. in the case of a partial redemption, a statement advising the Holder that after the Redemption Date a substitute Debenture will be issued by the Company after deduction the portion thereof called for redemption, at no cost to the Holder, if the Holder so requests.

Notwithstanding the foregoing, in the event the Company issues a Redemption Notice but fails to fund the redemption on the Redemption Date, then such Redemption Notice shall be null and void, and (i) the Holder(s) shall be entitled to convert the Debenture previously the subject of the Redemption Notice, and (ii) the Company may not redeem such Debenture for at least thirty (30) days following the intended Redemption Date that was voided, and the Company shall be required to pay to the Holder(s) the Redemption Price simultaneously with the issuance of a Redemption Notice in connection with any subsequent redemption pursued by the Company.

3. If the Company, at any time while this Debenture or any amounts due hereunder are outstanding, issues, sells or grants any option to purchase, or sells or grants any right to reprice, or otherwise disposes of, or issues (or announces any sale, grant or any option to purchase or other disposition), any Common Stock or other securities convertible into, exercisable for, or otherwise entitle any person or entity the right to acquire, shares of Common Stock (including, without limitation, upon any issuance pursuant to an Equity Line of Credit (as defined in this Debenture)), in each or any case at an effective price per share that is lower than the then Conversion Price (such lower price, the "Base Conversion Price" and such issuances, collectively, a "Dilutive Issuance") (it being agreed that if the holder of the Common Stock or other securities so issued shall at any time, whether by operation of purchase price adjustments, reset provisions, floating conversion, exercise or exchange prices or otherwise, or due to warrants, options or rights per share which are issued in connection with such issuance, be entitled to receive shares of Common Stock at an effective price per share that is lower than the Conversion Price, such issuance shall be deemed to have occurred for less than the Conversion Price on such date of the Dilutive Issuance), then the Conversion Price shall be reduced, at the option of the Holder, to a price equal the Base Conversion Price. If the Company enters into a Variable Rate Transaction (as defined in this Debenture), despite the prohibition set forth in this Debenture, the Company shall be deemed to have issued Common Stock at the lowest possible price per share at which such securities could be issued in connection with such Variable Rate Transaction. Such adjustment shall be made at the option of the Holder whenever such Common Stock or other securities are issued. Upon the occurrence of each adjustment or readjustment of the Conversion Price as a result of the events described in Section 3 of this Debenture, the Company shall, at its expense and within one (1) calendar day after the occurrence of each respective adjustment or readjustment of the Conversion Price, compute such adjustment or readjustment and prepare and furnish to the Holder a certificate setting forth (i) the Conversion Price in effect at such time based upon the Dilutive Issuance, (ii) the number of shares of Common Stock and the amount, if any, of other securities or property which at the time would be received upon conversion of the Debenture, (iii) the detailed facts upon which such adjustment or readjustment is based, and (iv) copies of the documentation (including but not limited to relevant transaction documents) that evidences the adjustment or readjustment. In addition, the Company shall, within one (1) calendar day after each written request from the Holder, furnish to such Holder a like certificate setting forth (i) the Conversion Price in effect at such time based upon the Dilutive Issuance, (ii) the number of shares of Common Stock and the amount, if any, of other securities or property which at the time would be received upon conversion of the Debenture, (iii) the detailed facts upon which such adjustment or readjustment is based, and (iv) copies of the documentation (including but not limited to relevant transaction documents) that evidences the adjustment or readjustment. For the avoidance of doubt, each adjustment or readjustment of the Conversion Price as a result of the events described in Section 3 of this Debenture shall occur without any action by the Holder and regardless of whether the Company complied with the notification provisions in Section 3 of this Debenture. Notwithstanding the foregoing, this Section 3 of this Debenture shall not

apply to an Exempt Issuance (as defined in this Debenture). "Exempt Issuance" shall mean (i) securities issued (other than for cash) in connection with a merger, acquisition, consolidation, or spin-off, (ii) securities issued pursuant to the conversion or exercise of convertible or exercisable securities issued or outstanding prior to the date of the Securities Purchase Agreement or issued pursuant to the Securities Purchase Agreement (so long as the conversion or exercise price in such securities are not amended to a lower price and/or adversely affect the Holder), (iii) securities issued in connection with bona fide strategic license agreements, consulting agreements, or other partnering or technology development arrangements so long as such issuances are not for the purpose of raising capital, (iv) Common Stock issued or the issuance or grants of options to purchase Common Stock pursuant to the Issuer's option plans and employee equity purchase plans outstanding as they exist on the date of the Securities Purchase Agreement or as subsequently approved by the Board, (v) any Common Stock (for the avoidance of doubt, this shall not include Common Stock Equivalents (as defined below)) issued to the finders, placement agents or their respective designees for the transactions contemplated by the Securities Purchase Agreement, and (vi) any Common Stock (for the avoidance of doubt, this shall not include Common Stock Equivalents) issued to the finders, placement agents or their respective designees for subsequent offerings or placements. "Common Stock Equivalents" means any securities of the Company that would entitle the holder thereof to acquire at any time Common Stock, including without limitation any debt, preferred stock, rights, options, warrants or other instrument that is at any time convertible into or exercisable or exchangeable for, or otherwise entitles the holder thereof to receive, Common Stock. Notwithstanding anything in this Section 3 of this Debenture to the contrary, the Holder shall not be entitled to utilize a Base Conversion Price of less than \$0.40 per share (the "Floor Price"; subject to appropriate adjustment for any stock dividend, stock split, stock combination, rights offerings, reclassification or similar transaction that proportionately decreases or increases the Common Stock), unless and until the Company obtains the Shareholder Approval (as defined in the Purchase Agreement). Further, beginning on the Issuance Date and continuing until the Debenture is fully converted or repaid in the entirety, the Company shall not issue Common Stock at a cost basis of less than the Floor Price unless written consent of the Holder is obtained by the Company.

4

4. No provision of this Debenture shall alter or impair the obligation of the Company, which is absolute and unconditional to convert this Debenture into Common Stock, at the time, place, and rate herein prescribed. This Debenture is a direct obligation of the Company.

5. If, at any time after the Issuance Date, there shall be any merger, consolidation, exchange of shares, recapitalization, reorganization, or other similar event, as a result of which shares of Common Stock of the Company shall be changed into the same or a different number of shares of another class or classes of stock or securities of the Company or another entity, or in case of any sale or conveyance of all or substantially all of the assets of the Company, then the Holder of this Debenture shall thereafter have the right to receive upon conversion of this Debenture, upon the basis and upon the terms and conditions specified herein and in lieu of the shares of Common Stock immediately theretofore issuable upon conversion, such stock, securities or assets which the Holder would have been entitled to receive in such transaction had this Debenture been converted in full immediately prior to such transaction (without regard to any limitations on conversion set forth herein), and in any such case appropriate provisions shall be made with respect to the rights and interests of the Holder of this Debenture to the end that the provisions hereof (including, without limitation, provisions for adjustment of the Conversion Price and of the number of shares issuable upon conversion of the Debenture) shall thereafter be applicable, as nearly as may be practicable in relation to any securities or assets thereafter deliverable upon the conversion hereof. The Company shall not effectuate any transaction described in this Section 5 unless (a) it first gives at least fifteen (15) days prior written notice of the record date of the special meeting of shareholders to approve, or if there is no such record date, the consummation of, such merger, consolidation, exchange of shares, recapitalization, reorganization or other similar event or sale of assets (during which time the Holder shall be entitled to convert this Debenture), (b) the resulting successor or acquiring entity (if not the Company) assumes by written instrument all of the obligations of this Debenture, and (c) the Holder provides written consent to the Company with respect to the consummation of the transaction described in this Section 5. The above provisions shall similarly apply to successive consolidations, mergers, sales, transfers or share exchanges.

6. If, at any time while any portion of this Debenture remains outstanding, the Company effectuates a forward stock split or reverse stock split of its Common Stock or issues a dividend on its Common Stock consisting of shares of Common Stock or otherwise recapitalizes its Common Stock, the Conversion Price shall be equitably adjusted to reflect such action.

7. All payments contemplated hereby to be made "in cash" shall be made by wire transfer of immediately available funds in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts. All payments of cash and each delivery of shares of Common Stock issuable to the Holder as contemplated hereby shall be made to the Holder to an account designated by the Holder to the Company and if the Holder has not designated any such accounts at the address last appearing on the Debenture Register of the Company as designated in writing by the Holder from time to time; except that the Holder may designate, by notice to the Company, a different delivery address for any one or more specific payments or deliveries.

8. The Holder of the Debenture, by acceptance hereof, agrees that this Debenture is being acquired for investment and that such Holder will not offer, sell or otherwise dispose of this Debenture or the Shares of Common Stock issuable upon conversion thereof except in compliance with the terms of the Securities Purchase Agreement and under circumstances which will not result in a violation of the Securities Act or any applicable state Blue Sky or foreign laws or similar laws relating to the sale of securities.

9. This Debenture shall be governed by and construed in accordance with the laws of the State of Delaware. Each of the parties consents to the exclusive jurisdiction and venue of the state located in Miami-Dade County, Florida and/or federal courts located in Miami-Dade County, Florida in connection with any dispute arising under this Agreement, and each waives any objection based on forum non conveniens. This provision is intended to be a "mandatory" forum selection clause and governed by and interpreted consistent with Florida law (Delaware law governing all other, substantive matters). Each of the parties hereby consents to the exclusive jurisdiction and venue of any state or federal court having its situs in Miami-Dade County, Florida, and each waives any objection based on forum non conveniens. To the extent determined by such court, the Company shall reimburse the Holder for any reasonable legal fees and disbursements incurred by the Holder in enforcement of or protection of any of its rights under this Debenture or the Securities Purchase Agreement.

5

10. The following shall constitute an "Event of Default":

a. The Company fails in the payment of principal and/or interest (to the extent that interest is imposed under this Section 10) on this Debenture as required to be paid in cash hereunder, at the Maturity Date, upon acceleration, or otherwise; or

b. Any of the representations or warranties made by the Company herein, in the Securities Purchase Agreement or in any certificate or financial or other written statements heretofore or hereafter furnished by the Company to the Holder in connection with the issuance of this Debenture, shall be false or misleading (including without limitation by way of the misstatement of a material fact or the omission of a material fact) in any material respect at the time made (as to which no cure period shall apply); or

c. The Company (i) fails to timely file required SEC reports when due (including extensions), becomes, is deemed to be or asserts that it is a "shell company" at any time for purposes of the 1933 Act, and Rule 144 promulgated thereunder or otherwise takes any action, or refrains from taking any action, the result of which makes Rule 144 under the 1933 Act unavailable to the Holder for the sale of their Securities, (ii) fails to issue shares of Common Stock to the Holder or to cause its Transfer Agent to issue shares of Common Stock upon exercise by the Holder of the conversion rights of the Holder in accordance with the terms of this Debenture, (iii) fails to transfer or to cause its Transfer Agent to transfer any certificate for shares of Common Stock issued to the Holder upon conversion of this Debenture as and when required by this Debenture and such transfer is otherwise lawful, (iv) fails to remove any restrictive legend or to cause its Transfer Agent to transfer any certificate or any shares of Common Stock issued to the

Holder upon conversion of this Debenture as and when required by the relevant Transaction Document(s) and such legend removal is otherwise lawful, or (v) the Company fails to perform or observe any of its obligations under the Section 5 of the Agreement or under the Transfer Agent Instruction Letter (no cure period shall apply in the case of clauses (i) through (v) above, inclusive); or

d. The Company fails to perform or observe, in any material respect (i) any other covenant, term, provision, condition, agreement or obligation set forth in the Debenture, (subject to a cure period of five (5) days other than in the case of a failure under Section 5 hereof, as to which no cure period shall apply), or (ii) any other covenant, term, provision, condition, agreement or obligation of the Company set forth in the Securities Purchase Agreement and such failure shall continue uncured for a period of either (1) five (5) days after the occurrence of the Company's failure under Section 4(d), (e), (f), (g) or (h) of the Securities Purchase Agreement, or (2) ten (10) days after the occurrence of the Company's failure under any other provision of the Securities Purchase Agreement not otherwise specifically addressed in the Events of Default set forth in this Section 10; or

e. The Company shall (1) admit in writing its inability to pay its debts generally as they mature; (2) make an assignment for the benefit of creditors or commence proceedings for its dissolution; or (3) apply for or consent to the appointment of a trustee, liquidator or receiver for its or for a substantial part of its property or business (as to which no cure period shall apply); or

f. A trustee, liquidator or receiver shall be appointed for the Company or for a substantial part of its property or business without its consent and shall not be discharged within sixty (60) days after such appointment (as to which no cure period shall apply); or

g. Any governmental agency or any court of competent jurisdiction at the instance of any governmental agency shall assume custody or control of the whole or any substantial portion of the properties or assets of the Company and shall not be dismissed within sixty (60) days thereafter (as to which no cure period shall apply); or

h. Any money judgment, writ or warrant of attachment, or similar process (including an arbitral determination), in excess of Two Hundred Thousand Dollars (\$200,000) in the aggregate shall be entered or filed against the Company or any of its properties or other assets (as to which no cure period shall apply); or

6

i. The occurrence of a breach or an event of default under the terms of any indebtedness or financial instrument of the Company or any subsidiary (including but not limited to any Subsidiary) of the Company in an aggregate amount in excess of Two Hundred Thousand Dollars (\$200,000) or more which is not waived by the creditors under such indebtedness (as to which no cure period shall apply); or

j. Bankruptcy, reorganization, insolvency or liquidation proceedings or other proceedings for relief under any bankruptcy law or any law for the relief of debtors shall be instituted by or against the Company and, if instituted against the Company, shall not be dismissed within sixty (60) days after such institution or the Company shall by any action or answer approve of, consent to, or acquiesce in any such proceedings or admit the material allegations of, or default in answering a petition filed in any such proceeding (as to which no further cure period shall apply); or

k. The issuance of an order, ruling, finding or similar adverse determination the SEC, the Secretary of State of the State of Delaware or other applicable state of incorporation of the Company, FINRA, or any other securities regulatory body (whether in the United States, Canada or elsewhere) having proper jurisdiction that the Company and/or any of its present directors or officers have committed a material violation of applicable securities laws or regulations (as to which no cure period shall apply); or

l. The occurrence of a breach or default by the Company under any agreement identified by the Company in its SEC filings as a material agreement; or

m. Notice of a Material Adverse Effect is provided by the Company or a reasonable determination in good faith by the Holder that a Material Adverse Effect has occurred (as to which no cure period shall apply); or

n. The Company attempts to modify, amend, withdraw, rescind, disavow or repudiate any part of the Irrevocable Instructions (as to which no cure period shall apply); or

o. Any attempt by the Company or its officers, directors, and/or affiliates to transmit, convey, disclose, or any actual transmittal, conveyance, or disclosure by the Company or its officers, directors, and/or affiliates of, material non-public information concerning the Company, to the Holder or its successors and assigns, without their consent, which is not immediately cured by Company's filing of a Form 8-K pursuant to Regulation FD on that same date; or

p. The failure by Company to maintain any material intellectual property rights, personal, real property or other assets which are necessary to conduct its business (whether now or in the future); or

q. If, at any time on or after the Issuance Date, the Company's Common Stock (i) is suspended from trading, (ii) halted from trading, and/or (iii) fails to be quoted or listed (as applicable) on the OTC Pink, OTCQB, OTCQX, Nasdaq Capital Markets, NYSE, or other applicable principal trading market for the Common Stock (the "Principal Market"); or

r. If, at any time on or after the date which is six (6) months after the Issuance Date, the Holder is unable to (i) obtain a standard "144 legal opinion letter" from an attorney reasonably acceptable to the Holder, the Holder's brokerage firm (and respective clearing firm), and the Company's transfer agent in order to facilitate the Holder's conversion of any portion of the Debenture into free trading shares of the Company's Common Stock pursuant to Rule 144, and/or (ii) thereupon deposit such shares into the Holder's brokerage account; provided that the Holder provides standard documentation required for such opinion or

s. Any attempt by the Company or its officers, directors, and/or affiliates to transmit, convey, disclose, or any actual transmittal, conveyance, or disclosure by the Company or its officers, directors, and/or affiliates of, material non-public information concerning the Company, to the Holder or its successors and assigns, which is not immediately cured by Company's filing of a Form 8-K pursuant to Regulation FD on that same date; or

t. The Company fails to obtain the Shareholder Approval within sixty (60) calendar days after the Exchange Cap is reached.

7

Then, or at any time thereafter, the Company shall immediately give written notice of the occurrence of such Event of Default to the Holder, and in each and every such case, unless such Event of Default shall have been waived in writing by the Holder of the Debenture (which waiver shall not be deemed to be a waiver of any subsequent default), then at the option of the Holder and in the discretion of the Holder, take any or all of the following actions: (i) pursue remedies against the Company in accordance with any of the Holder's rights, (ii) increase the interest rate applicable to the Debenture to the lesser of eighteen percent (18%) per annum and the maximum interest rate allowable under applicable law (the "Default Interest"), and (iii) accelerate the full indebtedness under this Debenture, in an amount equal to one hundred ten percent

(110%) of the outstanding Principal Amount and accrued and unpaid interest (the "Acceleration Amount"), whereupon the Acceleration Amount shall be immediately due and payable, without presentment, demand, protest or notice of any kinds, all of which are hereby expressly waived, anything contained herein, in the Securities Purchase Agreement or in any other note or instruments to the contrary notwithstanding. In the case of an Event of Default under Section 10(d)(ii), the Holder may either (i) declare the Acceleration Amount to exclude the Conversion Amount that is the subject of the Event of Default, in which case the Acceleration Amount shall be based on the remaining Principal Amount and accrued interest (if any), in which case the Company shall continue to be obligated to issue the Conversion Shares, or (ii) declare the Acceleration Amount to include the Conversion Amount that is the subject of the Event of Default, in which case the Acceleration Amount shall be based on the full Principal Amount, including the Conversion Amount, and accrued interest (if any), whereupon the Notice of Conversion shall be deemed withdrawn. At its option, the Holder may elect to convert the Debenture pursuant to Section 2 notwithstanding the prior declaration of a default and acceleration, in the sole discretion of such Holder. The Holder may immediately enforce any and all of the Holder's rights and remedies provided herein or any other rights or remedies afforded by applicable law. The Company expressly acknowledges and agrees that the Holder's exercise of any or all of the remedies provided herein or under applicable law, including without limitation the increase(s) in the Principal Amount and the Acceleration Amount as may be declared in the case of a default, is reasonable and appropriate due to the inability to define the financial hardship that the Company's default would impose on the Holder. To the extent that the Holder's exercise of any of its remedies in the case of an Event of Default shall be construed to exceed the maximum interest rate allowable under applicable law, then such remedies shall be reduced to equal the maximum interest rate allowable under applicable law.

11. Nothing contained in this Debenture shall be construed as conferring upon the Holder the right to vote or to receive dividends or to consent or receive notice as a shareholder in respect of any meeting of shareholders or any rights whatsoever as a shareholder of the Company, unless and to the extent converted in accordance with the terms hereof.

12. This Debenture may be amended only by the written consent of the parties hereto. Notwithstanding the foregoing, the Principal Amount of this Debenture shall automatically be reduced by any and all Conversion Amounts (to the extent that the same relate to principal hereof). In the absence of manifest error, the outstanding Principal Amount of the Debenture on the Holder's book and records shall be the correct amount.

13. In the event of any inconsistency between the provisions of this Debenture and the provisions of any other Transaction Document, the provisions of this Debenture shall prevail. Without limiting the generality of the foregoing, in the event the Transfer Agent is not required to transfer any Common Stock, issue Conversion Shares or de-legend shares of Restricted Stock pursuant to the Transfer Agent Instruction Letter, this shall not operate as an excuse, extension or waiver of the Company's obligation to issue and deliver Conversion Shares or de-legend Restricted Stock.

14. The Company specifically acknowledges and agrees that in the event of a breach or threatened breach by the Company of any provision hereof or of any other Transaction Document, the Holder will be irreparably damaged, and that damages at law would be an inadequate remedy if this Debenture or such other Transaction Document were not specifically enforced. Therefore, in the event of a breach or threatened breach by the Company, the Holder shall be entitled, in addition to all other rights and remedies, to an injunction restraining such breach, without being required to show any actual damage or to post any bond or other security, and/or to a decree for a specific performance of the provisions of this Debenture and the other Transaction Documents.

15. No waivers or consents in regard to any provision of this Debenture may be given other than by an instrument in writing signed by the Holder.

16. So long as this Debenture is outstanding, upon any issuance by the Company of any security with any term more favorable to the holder of such security or with a term in favor of the holder of such security that was not similarly provided to the Holder in this Debenture, then the Company shall notify the Holder of such additional or more favorable term and such term within one (1) business day of an event that requires any adjustment described in this section, and such term shall, at Holder's option, become a part of the transaction documents with the Holder (regardless of whether the Company notifies the Holder or not). The types of terms contained in another security that may be more favorable to the holder of such security include, but are not limited to, terms addressing conversion price, prepayment rate, conversion formulas, interest rates, original issue discounts, stock sale price, private placement price per share, and warrant coverage.

17. From the Issuance Date until the Debenture is extinguished in its entirety, the Company shall be prohibited from entering into an agreement involving a Variable Rate Transaction (as defined herein), except with respect to an agreement between the Company and the Holder. "Variable Rate Transaction" means a transaction in which the Company (i) issues or sells any debt or equity securities that are convertible into, exchangeable or exercisable for, or include the right to receive, shares of Common Stock either (A) at a conversion price, exercise price or exchange rate or other price that is based upon, and/or varies with, the trading prices of or quotations for the shares of Common Stock at any time after the initial issuance of such debt or equity securities or (B) with a conversion, exercise or exchange price that is subject to being reset at some future date after the initial issuance of such debt or equity security or upon the occurrence of specified or contingent events directly or indirectly related to the business of the Company or the market for the Common Stock or (ii) enters into any agreement, including, but not limited to, an Equity Line of Credit (as defined in this Debenture), whereby the Company may issue securities at a future determined price. The Holder shall be entitled to obtain injunctive relief against the Company to preclude any such issuance, which remedy shall be in addition to any right to collect damages. From the Issuance Date until the date that is seven (7) calendar months after the Issuance Date, the Company shall be prohibited from issuing, and entering into any agreement involving the issuance of, Common Stock Equivalents, except with respect to (i) an agreement between the Company and the Holder or (ii) an Exempt Issuance.

18. Notwithstanding any provision in this Debenture or the related transaction documents to the contrary, the total liability for payments of interest and payments in the nature of interest, including, without limitation, all charges, fees, exactions, or other sums which may at any time be deemed to be interest, shall not exceed the limit imposed by the usury laws of the jurisdiction governing this Debenture or any other applicable law. In the event the total liability of payments of interest and payments in the nature of interest, including, without limitation, all charges, fees, exactions or other sums which may at any time be deemed to be interest, shall, for any reason whatsoever, result in an effective rate of interest, which for any month or other interest payment period exceeds the limit imposed by the usury laws of the jurisdiction governing this Debenture, all sums in excess of those lawfully collectible as interest for the period in question shall, without further agreement or notice by, between, or to any party hereto, be applied to the reduction of the outstanding principal balance due hereunder immediately upon receipt of such sums by the Holder hereof, with the same force and effect as though the Company had specifically designated such excess sums to be so applied to the reduction of the principal balance then outstanding, and the Holder hereof had agreed to accept such sums as a penalty-free payment of principal; provided, however, that the Holder may, at any time and from time to time, elect, by notice in writing to the Company, to waive, reduce, or limit the collection of any sums in excess of those lawfully collectible as interest, rather than accept such sums as a prepayment of the principal balance then outstanding. It is the intention of the parties that the Company does not intend or expect to pay, nor does the Holder intend or expect to charge or collect any interest under this Debenture greater than the highest non-usurious rate of interest which may be charged under applicable law.

21. While any portion of this Debenture is outstanding, if the Company receives cash proceeds of more than \$1,000,000.00 (the "Minimum Threshold") in the aggregate from any source or series of related or unrelated sources, including but not limited to the issuance of equity or debt (except with respect to the issuance of equity or debt to officers and directors of the Company), the conversion of outstanding warrants of the Company, the issuance of securities pursuant to an Equity Line of Credit (as defined in this Debenture), or the sale of assets (for the avoidance of doubt, each time that the Company receives cash proceeds from any of the aforementioned sources, then such amount shall be aggregated together), the Company shall, within two (2) business days of Company's receipt of such proceeds, inform the Holder of such receipt, following which the Holder shall have the right in its sole discretion to require the Company to immediately apply up to 50% of all proceeds received by the Company (from any source except with respect to proceeds from the issuance of equity or debt to officers and directors of the Company) after the Minimum Threshold is reached to repay the outstanding amounts owed under this Debenture. Notwithstanding anything to the contrary herein, while any portion of this Debenture is outstanding, if the Company receives cash proceeds from the issuance of securities pursuant to an Equity Line of Credit (as defined in this Debenture) prior to the Minimum Threshold being reached, the Company shall, within two (2) business days of Company's receipt of such proceeds, inform the Holder of such receipt, following which the Holder shall have the right in its sole discretion to require the Company to immediately apply up to 25% of all such proceeds received by the Company to repay the outstanding amounts owed under this Debenture (for the avoidance of doubt, once the minimum Threshold has been reached as described in this Section 21, the application percentage of proceeds shall increase to 50% as

further described in this Section 21). "Equity Line of Credit" shall mean any transaction involving a written agreement between the Company and an investor or underwriter whereby the Company has the right to "put" its Common Stock to the investor or underwriter over an agreed period of time and at an agreed price or price formula (such Common Stock must be registered pursuant to a registration statement of the Company for the investor's or underwriter's resale). For the avoidance of doubt, Section 2(b)(i) of this Debenture shall apply to any repayment of the Debenture under this Section 21 prior to the occurrence of an Event of Default.

COMMON STOCK PURCHASE WARRANT
SAFE & GREEN HOLDINGS CORP.

Warrant Shares: 500,000
Date of Issuance: February 7, 2023 ("Issuance Date")

This COMMON STOCK PURCHASE WARRANT (the "Warrant") certifies that, for value received (in connection with the issuance of the \$1,100,000.00 convertible debenture to Peak One Opportunity Fund, L.P., a Delaware limited partnership (the "Fund") on or around the Issuance Date (the "Debenture")), Peak One Investments, LLC, a Delaware limited liability company (including any permitted and registered assigns, the "Holder"), is entitled, upon the terms and subject to the limitations on exercise and the conditions hereinafter set forth, at any time on or after the date of issuance hereof, to purchase from SAFE & GREEN HOLDINGS CORP., a Delaware corporation (the "Company"), 500,000 shares of Common Stock (as defined below) (the "Warrant Shares") (whereby such number may be adjusted from time to time pursuant to the terms and conditions of this Warrant) at the Exercise Price per share then in effect. This Warrant is issued by the Company as of the date hereof in connection with that certain securities purchase agreement dated February 7, 2023, by and among the Company and the Fund (the "Purchase Agreement").

Capitalized terms used in this Warrant shall have the meanings set forth in the Purchase Agreement unless otherwise defined in the body of this Warrant or in Section 12 below. For purposes of this Warrant, the term "Exercise Price" shall mean \$2.25, subject to adjustment as provided herein (including but not limited to cashless exercise), and the term "Exercise Period" shall mean the period commencing on the Issuance Date and ending on 5:00 p.m. eastern standard time on the five-year anniversary thereof.

1. EXERCISE OF WARRANT.

(a) *Mechanics of Exercise.* Subject to the terms and conditions hereof, the rights represented by this Warrant may be exercised in whole or in part at any time or times during the Exercise Period by delivery of a written notice, in the form attached hereto as Exhibit A (the "Exercise Notice"), of the Holder's election to exercise this Warrant. The Holder shall not be required to deliver the original Warrant in order to effect an exercise hereunder. Partial exercises of this Warrant resulting in purchases of a portion of the total number of Warrant Shares available hereunder shall have the effect of lowering the outstanding number of Warrant Shares purchasable hereunder in an amount equal to the applicable number of Warrant Shares purchased. The Company shall have no obligation to inquire with respect to or otherwise confirm the authenticity of the signature(s) contained on any Exercise Notice nor the authority of the person so executing such Exercise Notice. On or before the second Trading Day (the "Warrant Share Delivery Date") following the date on which the Holder sent the Exercise Notice to the Company or the Company's transfer agent, and upon receipt by the Company of payment to the Company of an amount equal to the applicable Exercise Price multiplied by the number of Warrant Shares as to which all or a portion of this Warrant is being exercised (the "Aggregate Exercise Price") and together with the Exercise Notice, the "Exercise Delivery Documents") in cash or by wire transfer of immediately available funds (or by cashless exercise, in which case there shall be no Aggregate Exercise Price provided), the Company shall (or direct its transfer agent to) issue and deliver by overnight courier to the address as specified in the Exercise Notice, a certificate, registered in the Company's share register in the name of the Holder or its designee, for the number of shares of Common Stock to which the Holder is entitled pursuant to such exercise (or deliver such shares of Common Stock in electronic format if requested by the Holder). Upon delivery of the Exercise Delivery Documents, the Holder shall be deemed for all corporate purposes to have become the holder of record of the Warrant Shares with respect to which this Warrant has been exercised, irrespective of the date of delivery of the certificates evidencing such Warrant Shares. If this Warrant is submitted in connection with any exercise and the number of Warrant Shares represented by this Warrant submitted for exercise is greater than the number of Warrant Shares being acquired upon an exercise, then the Company shall as soon as practicable and in no event later than three business days after any exercise and at its own expense, issue a new Warrant (in accordance with Section 6) representing the right to purchase the number of Warrant Shares purchasable immediately prior to such exercise under this Warrant, less the number of Warrant Shares with respect to which this Warrant is exercised.

If the Company fails to cause its transfer agent to issue to the Holder the respective shares of Common Stock by the respective Warrant Share Delivery Date, then the Holder will have the right to rescind such exercise in Holder's sole discretion in addition to all other rights and remedies at law, under this Warrant, or otherwise, and such failure shall also be deemed an event of default under the Debenture, material breach under this Warrant, and a material breach under the Purchase Agreement.

If the Market Price of one share of Common Stock is greater than the Exercise Price, then the Holder may elect to receive Warrant Shares pursuant to a cashless exercise, in lieu of a cash exercise, equal to the value of this Warrant determined in the manner described below (or of any portion thereof remaining unexercised) by surrender of this Warrant and an Exercise Notice, in which event the Company shall issue to Holder a number of Common Stock computed using the following formula:

$$X = \frac{Y(A-B)}{A}$$

A

- Where X = the number of Shares to be issued to Holder.
- Y = the number of Warrant Shares that the Holder elects to purchase under this Warrant (at the date of such calculation).
- A = the Market Price (at the date of such calculation).
- B = Exercise Price (as adjusted to the date of such calculation).

(b) *No Fractional Shares.* No fractional shares shall be issued upon the exercise of this Warrant as a consequence of any adjustment pursuant hereto. All Warrant Shares (including fractions) issuable upon exercise of this Warrant may be aggregated for purposes of determining whether the exercise would result in the issuance of any fractional share. If, after aggregation, the exercise would result in the issuance of a fractional share, the Company shall, in lieu of issuance of any fractional share, pay the Holder otherwise entitled to such fraction a sum in cash equal to the product resulting from multiplying the then-current fair market value of a Warrant Share by such fraction.

(c) *Holder's Exercise Limitations.* Notwithstanding anything to the contrary contained herein, the Company shall not effect any exercise of this Warrant, and a Holder shall not have the right to exercise any portion of this Warrant, pursuant to Section 1 or otherwise, to the extent that after giving effect to such issuance after exercise as set forth on the applicable Exercise Notice, the Holder (together with the Holder's affiliates (the "Affiliates"), and any other Persons acting as a group together with the Holder or any of the Holder's Affiliates (such Persons, "Attribution Parties")), would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by the Holder and Attribution Parties shall include the number of shares of Common Stock issuable upon exercise of this Warrant with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which would be issuable upon (i) exercise of the remaining, nonexercised portion of this Warrant beneficially owned by the Holder or any of its Affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or nonconverted portion of any other securities of the Company (including, without limitation, any other Common Stock Equivalents) subject to a limitation on conversion or exercise analogous to the limitation contained herein beneficially owned by the Holder or any of its Affiliates or Attribution Parties. Except as set forth in the preceding sentence, for purposes of this Section 1(c), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder, it being acknowledged by the Holder that the Holder is solely responsible for any schedules required to be filed in accordance therewith. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. For purposes of this Section 1(c), in determining the number of outstanding shares of Common Stock, a Holder may rely on the number of outstanding shares of Common Stock as reflected in (A) the Company's most recent periodic or annual report filed with the Commission, as the case may be, (B) a more recent public announcement by the Company or (C) a more recent written notice by the Company or the Company's transfer agent setting forth the number of shares of Common Stock outstanding. Upon the written or oral request of a Holder, the Company shall within two Trading Days confirm orally and in writing to the Holder the number of shares of Common Stock then outstanding. In any case, for purposes of calculating beneficial ownership the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities of the Company, including this Warrant, by the Holder or its Affiliates or Attribution Parties since the date as of which such number of outstanding shares of Common Stock was reported. The "Beneficial Ownership Limitation" shall be 4.99% of the number of shares of the Common Stock outstanding at the time of the respective calculation hereunder. In addition to the beneficial ownership limitations provided in this Warrant, the sum of the number of shares of Common Stock that may be issued under the Purchase Agreement, Debenture, this Warrant, and under the equity purchase agreement entered into on or around the Issuance Date between the Company and the Holder, shall be limited to 19.99% of the Company's outstanding shares of Common Stock as of the Issuance Date (the "Exchange Cap", which is equal to 2,760,675 shares of Common Stock, subject to appropriate adjustment for any stock dividend, stock split, stock combination, rights offerings, reclassification or similar transaction that proportionately decreases or increases the Common Stock), unless Shareholder Approval (as defined in the Purchase Agreement) is obtained by the Company to issue more than the Exchange Cap. The Exchange Cap shall be appropriately adjusted for any reorganization, recapitalization, non-cash dividend, stock split (including forward and reverse), or other similar transaction. The limitations contained in this paragraph shall apply to a successor holder of this Warrant.

(d) *Compensation for Buy-In on Failure to Timely Deliver Warrant Shares Upon Exercise.* In addition to any other rights available to the Holder, if the Company fails to cause the Company's transfer agent to transmit to the Holder the Warrant Shares in accordance with the provisions of this Warrant (including but not limited to Section 1(a) above) pursuant to an exercise on or before the respective Warrant Share Delivery Date (other than any such failure that is solely due to any action or inaction by the Holder with respect to such exercise), and if after such date the Holder is required by its broker to purchase (in an open market transaction or otherwise) or the Holder's brokerage firm otherwise purchases, shares of Common Stock to deliver in satisfaction of a sale by the Holder of the Warrant Shares which the Holder anticipated receiving upon such exercise (a "Buy-In"), then the Company shall (A) pay in cash to the Holder, within one (1) business day of Holder's request, the amount, if any, by which (x) the Holder's total purchase price (including brokerage commissions, if any) for the shares of Common Stock so purchased exceeds (y) the product of (1) the number of Warrant Shares that the Company was required to deliver to the Holder in connection with the exercise at issue times (2) the price at which the sell order giving rise to such purchase obligation was executed, and (B) at the option of the Holder, either reinstate the portion of the Warrant and equivalent number of Warrant Shares for which such exercise was not honored (in which case such exercise shall be deemed rescinded) or deliver to the Holder within one (1) business day of Holder's request the number of shares of Common Stock that would have been issued had the Company timely complied with its exercise and delivery obligations hereunder. For example, if the Holder purchases, or effectuates a cashless exercise hereunder for, Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted exercise of shares of Common Stock with an aggregate sale price giving rise to such purchase obligation of \$10,000, under clause (A) of the immediately preceding sentence, the Company shall be required to pay the Holder \$1,000. The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver shares of Common Stock upon exercise of the Warrant as required pursuant to the terms hereof.

2. ADJUSTMENTS. The Exercise Price and the number of Warrant Shares shall be adjusted from time to time as follows:

(a) *Distribution of Assets.* If the Company shall declare or make any dividend or other distribution of its assets (or rights to acquire its assets) to all of the holders of shares of Common Stock, by way of return of capital or otherwise (including without limitation any distribution of cash, stock or other securities, property or options by way of a dividend, spin off, reclassification, corporate rearrangement or other similar transaction) (a "Distribution"), at any time after the issuance of this Warrant and while this Warrant is outstanding, then, then, in each such case, the Holder shall be entitled to participate in such Distribution to the same extent that the Holder would have participated therein if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations on exercise hereof, including without limitation, the Beneficial Ownership Limitation) immediately before the date of which a record is taken for such Distribution, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the participation in such Distribution (provided, however, that, to the extent that the Holder's right to participate in any such Distribution would result in the Holder exceeding the Beneficial Ownership Limitation, then the Holder shall not be entitled to participate in such Distribution to the extent of any such excess (and shall not be entitled to beneficial ownership of such shares of Common Stock as a result of such Distribution (and beneficial ownership) to the extent of any such excess) and the portion of such Distribution shall be held in abeyance for the benefit of the Holder until such time or times, if ever, as its right thereto would not result in the Holder and the other Attribution Parties exceeding the Beneficial Ownership Limitation, at which time or times the Holder shall be granted such Distribution (and any Distributions declared or made on such initial Distribution or on any subsequent Distribution held similarly in abeyance) to the same extent as if there had been no such limitation).

(b) *Anti-Dilution Adjustments to Exercise Price.* If the Company, at any time while this Warrant is outstanding, shall sell or grant any option to purchase, or sell or grant any right to repurchase, or otherwise dispose of or issue (or announce any offer, sale, grant or any option to purchase or other disposition) any Common Stock or securities (including but not limited to Common Stock Equivalents) entitling any person or entity (for purposes of clarification, including but not limited to the Fund and/or Holder pursuant to (i) any other security of the Company currently held by the Fund and/or Holder, (ii) any other security of the Company issued to Holder on or after the Issuance Date, or (iii) any other agreement entered into between the Company and Fund and/or Holder (including but not limited to the Purchase Agreement)) to acquire shares of Common Stock (upon conversion, exercise or otherwise), at an effective price per share less than the then Exercise Price (such lower price, the "Base Share Price" and such issuances collectively, a "Dilutive Issuance") (if the holder of the Common Stock or Common Stock Equivalents so issued shall at any time, whether by operation of purchase price adjustments, elimination of an applicable floor price for any reason in the future (including but not limited to the passage of time or satisfaction of certain condition(s)), reset provisions, floating conversion, exercise or exchange prices or otherwise, or due to warrants, options or rights per share which are issued in connection with such issuance, be entitled or potentially entitled to receive shares of Common Stock at an effective price per share which is less than the Exercise Price at any time while such Common Stock or Common Stock Equivalents are in existence, such issuance shall be deemed to have occurred for less than the Exercise Price on such date of the Dilutive Issuance (regardless of whether the Common Stock or Common Stock Equivalents are (i) subsequently redeemed or retired by the Company after the date of the Dilutive Issuance or (ii) actually converted or exercised at such Base Share Price), then the Exercise Price shall be reduced at the option of the Holder and only reduced to equal the Base Share Price. Such adjustment shall be made whenever such Common Stock or Common Stock Equivalents are issued, regardless of whether the Common Stock or Common Stock Equivalents

are (i) subsequently redeemed or retired by the Company after the date of the Dilutive Issuance or (ii) actually converted or exercised at such Base Share Price by the holder thereof (for the avoidance of doubt, the Holder may utilize the Base Share Price even if the Company did not actually issue shares of its common stock at the Base Share Price under the respective Common stock Equivalents). The Company shall notify the Holder in writing, no later than the Trading Day following the issuance of any Common Stock or Common Stock Equivalents subject to this Section 2(b), indicating therein the applicable issuance price, or applicable reset price, exchange price, conversion price and other pricing terms (such notice the "Dilutive Issuance Notice"). For purposes of clarification, regardless of whether (i) the Company provides a Dilutive Issuance Notice pursuant to this Section 2(b) upon the occurrence of any Dilutive Issuance or (ii) the Holder accurately refers to the number of Warrant Shares or Base Share Price in the Exercise Notice, the Holder is entitled to receive the Base Share Price at all times on and after the date of such Dilutive Issuance. Notwithstanding the foregoing, this Section 2(b) of this Warrant shall not apply to an Exempt Issuance (as defined in the Debenture). Notwithstanding anything in this Section 2(b) of this Warrant to the contrary, the Holder shall not be entitled to utilize a Base Share Price of less than \$0.40 per share (the "Floor Price", subject to appropriate adjustment for any stock dividend, stock split, stock combination, rights offerings, reclassification or similar transaction that proportionately decreases or increases the Common Stock), unless and until the Company obtains the Shareholder Approval (as defined in the Purchase Agreement). Further, beginning on the Issuance Date and continuing until the Warrant is fully exercised, the Company shall not issue Common Stock at a cost basis of less than the Floor Price unless written consent of the Holder is obtained by the Company.

4

(c) Subdivision or Combination of Common Stock. If the Company at any time on or after the Issuance Date subdivides (by any stock split, stock dividend, recapitalization or otherwise) one or more classes of its outstanding shares of Common Stock into a greater number of shares, the Exercise Price in effect immediately prior to such subdivision will be proportionately reduced and the number of Warrant Shares will be proportionately increased. If the Company at any time on or after the Issuance Date combines (by combination, reverse stock split or otherwise) one or more classes of its outstanding shares of Common Stock into a smaller number of shares, the Exercise Price in effect immediately prior to such combination will be proportionately increased and the number of Warrant Shares will be proportionately decreased. Any adjustment under this Section 2(c) shall become effective at the close of business on the date the subdivision or combination becomes effective. Each such adjustment of the Exercise Price shall be calculated to the nearest one-hundredth of a cent. Such adjustment shall be made successively whenever any event covered by this Section 2(c) shall occur.

3. FUNDAMENTAL TRANSACTIONS. If, at any time while this Warrant is outstanding, (i) the Company effects any merger of the Company with or into another entity and the Company is not the surviving entity (such surviving entity, the "Successor Entity"), (ii) the Company effects any sale of all or substantially all of its assets in one or a series of related transactions, (iii) any tender offer or exchange offer (whether by the Company or by another individual or entity, and approved by the Company) is completed pursuant to which holders of Common Stock are permitted to tender or exchange their shares of Common Stock for other securities, cash or property and the holders of at least 50% of the Common Stock accept such offer, or (iv) the Company effects any reclassification of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property (other than as a result of a subdivision or combination of shares of Common Stock) (in any such case, a "Fundamental Transaction"), then, upon any subsequent exercise of this Warrant, the Holder shall have the right to receive the number of shares of Common Stock of the Successor Entity or of the Company and any additional consideration (the "Alternate Consideration") receivable upon or as a result of such reorganization, reclassification, merger, consolidation or disposition of assets by a holder of the number of shares of Common Stock for which this Warrant is exercisable immediately prior to such event (disregarding any limitation on exercise contained herein solely for the purpose of such determination). For purposes of any such exercise, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company shall apportion the Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Warrant following such Fundamental Transaction. To the extent necessary to effectuate the foregoing provisions, any Successor Entity in such Fundamental Transaction shall issue to the Holder a new warrant consistent with the foregoing provisions and evidencing the Holder's right to exercise such warrant into Alternate Consideration.

4. NON-CIRCUMVENTION. The Company covenants and agrees that it will not, by amendment of its certificate of incorporation, bylaws or through any reorganization, transfer of assets, consolidation, merger, scheme of arrangement, dissolution, issue or sale of securities, or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, and will at all times in good faith carry out all the provisions of this Warrant and take all action as may be required to protect the rights of the Holder. Without limiting the generality of the foregoing, the Company (i) shall not increase the par value of any shares of Common Stock receivable upon the exercise of this Warrant above the Exercise Price then in effect, (ii) shall take all such actions as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and non-assessable shares of Common Stock upon the exercise of this Warrant, and (iii) shall, for so long as this Warrant is outstanding, have authorized and reserved, free from preemptive rights, two (2) times the number of shares of Common Stock into which the Warrants are then exercisable into to provide for the exercise of the rights represented by this Warrant (without regard to any limitations on exercise).

5. WARRANT HOLDER NOT DEEMED A STOCKHOLDER. Except as otherwise specifically provided herein, this Warrant, in and of itself, shall not entitle the Holder to any voting rights or other rights as a stockholder of the Company. In addition, nothing contained in this Warrant shall be construed as imposing any liabilities on the Holder to purchase any securities (upon exercise of this Warrant or otherwise) or as a stockholder of the Company, whether such liabilities are asserted by the Company or by creditors of the Company.

5

6. REISSUANCE.

(a) Lost, Stolen or Mutilated Warrant. If this Warrant is lost, stolen, mutilated or destroyed, the Company will, on such terms as to indemnity or otherwise as it may reasonably impose (which shall, in the case of a mutilated Warrant, include the surrender thereof), issue a new Warrant of like denomination and tenor as this Warrant so lost, stolen, mutilated or destroyed.

(b) Issuance of New Warrants. Whenever the Company is required to issue a new Warrant pursuant to the terms of this Warrant, such new Warrant shall be of like tenor with this Warrant, and shall have an issuance date, as indicated on the face of such new Warrant which is the same as the Issuance Date.

7. TRANSFER. This Warrant shall be binding upon the Company and its successors and assigns, and shall inure to be the benefit of the Holder and its successors and assigns. Notwithstanding anything to the contrary herein, the rights, interests or obligations of the Company hereunder may not be assigned, by operation of law or otherwise, in whole or in part, by the Company without the prior signed written consent of the Holder, which consent may be withheld at the sole discretion of the Holder (any such assignment or transfer shall be null and void if the Company does not obtain the prior signed written consent of the Holder). This Warrant or any of the severable rights and obligations inuring to the benefit of or to be performed by Holder hereunder may be assigned by Holder to a third party, in whole or in part, without the need to obtain the Company's consent thereto.

8. NOTICES. Whenever notice is required to be given under this Warrant, unless otherwise provided herein, such notice shall be given in accordance with the notice provisions contained in the Purchase Agreement. The Company shall provide the Holder with prompt written notice (i) immediately upon any adjustment of the Exercise Price, setting forth in reasonable detail, the calculation of such adjustment and (ii) at least 4 days prior to the date on which the Company closes its books or takes a record (A) with respect to any dividend or distribution upon the shares of Common Stock, (B) with respect to any grants, issuances or sales of any stock or other securities directly or indirectly convertible into or exercisable or exchangeable for shares of Common Stock or other property, pro rata to the holders of shares of Common Stock or (C) for determining rights

to vote with respect to any Fundamental Transaction, dissolution or liquidation, provided in each case that such information shall be made known to the public prior to or in conjunction with such notice being provided to the Holder. Notwithstanding anything to the contrary contained in this Warrant, the Company may satisfy the notice requirements by filing such information with the Commission on its EDGAR system pursuant to a Current Report on Form 8-K or Quarterly Report on Form 10-Q or Annual Report on Form 10-K or a press release.

9. AMENDMENT AND WAIVER. The terms of this Warrant may be amended or waived (either generally or in a particular instance and either retroactively or prospectively) only with the written consent of the Company and the Holder.

10. GOVERNING LAW AND VENUE. This Warrant shall be governed by and construed in accordance with the laws of the State of Delaware without regard to principles of conflicts of laws. Any action brought by either party against the other concerning the transactions contemplated by this Warrant shall be brought only in the state courts located in the State of Florida, County of Miami-Dade or federal courts located in the State of Florida, County of Miami-Dade. The parties to this Warrant hereby irrevocably waive any objection to jurisdiction and venue of any action instituted hereunder and shall not assert any defense based on lack of jurisdiction or venue or based upon *forum non conveniens*. **EACH PARTY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR UNDER ANY OTHER TRANSACTION DOCUMENT ENTERED INTO IN CONNECTION WITH OR ARISING OUT OF THIS WARRANT, OR ANY TRANSACTION CONTEMPLATED HEREBY OR THEREBY**. The prevailing party shall be entitled to recover from the other party its reasonable attorney's fees and costs. In the event that any provision of this Warrant or any other agreement delivered in connection herewith is invalid or unenforceable under any applicable statute or rule of law, then such provision shall be deemed inoperative to the extent that it may conflict therewith and shall be deemed modified to conform with such statute or rule of law. Any such provision which may prove invalid or unenforceable under any law shall not affect the validity or enforceability of any other provision of any agreement. Each party hereby irrevocably waives personal service of process and consents to process being served in any suit, action or proceeding in connection with this Warrant or any other transaction document entered into in connection with this Warrant by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under the Purchase Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law.

6

11. ACCEPTANCE. Receipt of this Warrant by the Holder shall constitute acceptance of and agreement to all of the terms and conditions contained herein.

If the Closing Sale Price cannot be calculated for a security on a particular date on any of the foregoing bases, the Closing Sale Price of such security on such date shall be the fair market value as mutually determined by the Company and the Holder. All such determinations to be appropriately adjusted for any stock dividend, stock split, stock combination or other similar transaction during the applicable calculation period.

m. **No Undisclosed Liabilities or Events.** The Company has no liabilities or obligations other than those disclosed in the SEC Documents or those incurred in the ordinary course of the Company's business since September 30, 2022, and which individually or in the aggregate, do not or would not have a Material Adverse Effect. The Board of Directors of the Company has concluded, in its good faith business judgment that such issuance is in the best interests of the Company. The Company specifically acknowledges that its obligation to issue the Conversion Shares upon conversion of the Debenture and Warrant Shares upon exercise of the Warrant is binding upon the Company and enforceable regardless of the dilution such issuance may have on the ownership %s of other shareholders of the Company.

Absent the prior written approval of a majority of the principal amount of the Debenture then outstanding, the Company shall not use any portion of the proceeds of the sale of the Debenture to (i) repay any indebtedness or other obligation of the Company incurred prior to the date of this Agreement outside the normal course of business, (ii) pay any dividends or redemption amount on any of the Company’s equity or equity equivalents, (iii) pay any amounts, whether on account of debt obligations of the Company or otherwise, except for compensation, to any officer, director or other related party of the Company or (iv) pay deferred compensation or any compensation to any of the directors or officers of the Company in excess of the rate or amount paid or accrued during the fiscal year ended December, 2021 (as base compensation and excluding any discretionary amounts), other than modest increases consistent with prior practice that are approved by the Company’s Board of Directors.

g. Available Shares. Commencing on the date of execution and delivery of this Agreement, the Company shall have and maintain authorized and reserved for issuance, free from preemptive rights, that number of shares equal to Two Hundred percent (200%) of the number of shares of Common Stock (1) issuable based upon the conversion of the then-outstanding Debenture (including accrued interest thereon) as may be required to satisfy the conversion rights of the Buyer pursuant to the terms and conditions of the Debenture (for the avoidance of doubt, this shall be calculated based on the Conversion Price (as defined in the Debenture) (without giving effect to the 4.99% limitation on ownership as set forth in the Debenture) and (2) issuable upon full exercise of the Warrant (without giving effect to the 4.99% limitation on ownership as set forth in the Warrant) (collectively in the aggregate the “Required Reserve Amount”). The Company shall monitor its compliance with the foregoing requirements on an ongoing basis. If at any time the Company does not have available an amount of authorized and non-issued Shares required to be reserved pursuant to this Section, then the Company shall, without notice or demand by the Buyer, call within thirty (30) days of such occurrence and hold within sixty (60) days of such occurrence a special meeting of shareholders, for the sole purpose of increasing the number of shares authorized. Management of the Company shall recommend to shareholders to vote in favor of increasing the number of Common Stock authorized at the meeting. Members of the Company’s management shall also vote all of their own shares in favor of increasing the number of Common Stock authorized at the meeting. If the increase in authorized shares is approved by the stockholders at the meeting, the Company shall implement the increase in authorized shares within four (4) business days following approval at such meeting. Alternatively, to the extent permitted by applicable law, in lieu of calling and holding a meeting as described above, the Company may, within thirty (30) days of the date when the Company does not have available an amount of authorized and non-issued Shares required to be reserved as described above, procure the written consent of stockholders to increase the number of shares authorized, and provide the stockholders with notice thereof as may be required under applicable law (including without limitation Section 14(c) of the Exchange Act and Regulation 14C thereunder). Upon obtaining stockholder approval as aforesaid and after the requisite waiting period of any Schedule 14C Information Statement, the Company shall cause the appropriate increase in its authorized shares of Common Stock within four (4) business days (or as soon thereafter as permitted by applicable law). Company’s failure to comply with these provisions will be an Event of Default (as defined in the Debenture).

h. Reimbursement. If (i) Buyer and/or Investments becomes a party defendant in any capacity in any action or proceeding brought by any stockholder of the Company other than by reason of its own gross negligence, willful misconduct or breach of law (as adjudicated by a court of law having proper jurisdiction and such adjudication is not subject to appeal), in connection with or as a result of the consummation of the transactions contemplated by the Transaction Documents, or if the Buyer and/or Investments is impleaded in any such action, proceeding or investigation by any Person, or (ii) the Buyer and/or Investments, other than by reason of its own gross negligence, willful misconduct or breach of law (as adjudicated by a court of law having proper jurisdiction and such adjudication is not subject to appeal), becomes a party defendant in any capacity in any action or proceeding brought by the SEC against or involving the Company or in connection with or as a result of the consummation of the transactions contemplated by the Transaction Documents, or if the Buyer or Investments is impleaded in any such action, proceeding or investigation by any Person, then in any

such case, the Company shall promptly reimburse the Buyer and/or Investments for its or their reasonable legal and other expenses (including the cost of any investigation and preparation) incurred in connection therewith. The reimbursement obligations of the Company under this paragraph shall be in addition to any liability which the Company may otherwise have, shall extend upon the same terms and conditions to any affiliates of the Buyer and/or Investments who are actually named in such action, proceeding or investigation, and partners, directors, agents, employees and controlling Persons (if any), as the case may be, of the Buyer, Investments and any such Affiliate, and shall be binding upon and inure to the benefit of any successors, assigns, heirs and personal representatives of the Company, the Buyer, Investments and any such Affiliate and any such Person. Except as otherwise set forth in the Transaction Documents, the Company also agrees that neither any Buyer, Investments nor any such Affiliate, partners, directors, agents, employees or controlling Persons shall have any liability to the Company or any Person asserting claims on behalf of or in right of the Company in connection with or as a result of the consummation of the Transaction Documents.

i. The Company shall provide the Transfer Agent and/or the Buyer, Investments or their respective brokerage and/or clearing firm with all relevant legal opinions and other documentation requested by the Buyer or Investments in connection with the issuance of the Shares or the Restricted Stock, or the sale thereof, to confirm the share issuance(s) such that the Shares and/or Restricted Stock may be deposited with the applicable brokerage and/or clearing firm.

j. **No Payments to Affiliates or Related Parties.** So long as any of the Debenture remains outstanding, the Company shall not, absent the prior written consent of the holder of the Debenture, make any payments to any of the Company's or the Subsidiaries' respective affiliates or related parties, including without limitation payments or prepayments of principal or interest accrued on any indebtedness or obligation in favor of affiliates or related parties. Notwithstanding anything to the contrary contained herein, the provisions of this Section 4(j) shall not apply to payments to the Subsidiaries, or other businesses in which affiliates have an interest, made in the ordinary course of business and consistent with past practice as disclosed in the SEC Documents.

k. **Notice of Material Adverse Effect.** The Company shall notify the Buyer (and any subsequent holder of the Debenture), as soon as practicable and in no event later than three (3) business days of the Company's knowledge of any Material Adverse Effect on the Company. For purposes of the foregoing, "knowledge" means the earlier of the Company's actual knowledge or the Company's constructive knowledge upon due inquiry.

l. **Public Disclosure.** Except to the extent required by applicable law and except for the filing of the Transaction Documents as exhibits to a Current Report on Form 8-K or any registration statements registering the Securities, absent the Buyer's prior written consent, the Company shall not reference the name of the Buyer in any press release, securities disclosure, business plan, marketing or funding proposal.

m. **Nature of Transaction; Savings Clause.** It is the parties' express understanding and agreement that the transactions contemplated by the Transaction Documents constitute an investment and not a loan. If nonetheless such transactions are deemed to be a loan (as adjudicated by a court of law having proper jurisdiction and such adjudication is not subject to appeal), the Company shall not be obligated or required to pay interest at a rate that could subject Buyer to either civil or criminal liability as a result of such rate exceeding the maximum rate that the Buyer is permitted to charge under applicable law, and the Company's obligations under the Transaction Documents shall not be void or voidable on the basis of the Buyer's lack of any license or registration as a lender with any governmental authority. It is expressly understood and agreed by the parties that neither the amounts payable pursuant to Section 12, any redemption premium, remedy upon an Event of Default (as defined in the Debenture) or any Acceleration Amount (as defined in the Debenture), original issue discount nor any investment returns of the Buyer on the sale of the Debenture, Warrant, or the sale of any Shares (whether unrealized or realized) shall be construed as interest. If, by the terms of the Debenture, any other Transaction Document or any other instrument, Buyer is at any time required or obligated to pay interest at a rate exceeding such maximum rate, interest payable under the Debenture and/or such other Transaction Documents or other instrument shall be computed (or recomputed) at such maximum rate, and the portion of all prior interest payments (if any) exceeding such maximum shall be applied to payment of the outstanding principal of the Debenture.

n. **Trading Activities.** Neither the Buyer nor its affiliates has an open short position in the Common Stock or other capital stock of the Company.

o. **No Integration.** The Company shall not make any offers or sales of any security (other than the Securities) under circumstances that would require registration of the Securities being offered or sold hereunder under the Securities Act or cause the offering of the Securities to be integrated with any other offering of securities by the Company for the purpose of any stockholder approval provision applicable to the Company or its securities.

p. **Corporate Existence.** The Company will, so long as the Buyer beneficially owns any of the Securities, maintain its corporate existence and shall not sell all or substantially all of the Company's assets.

q. **Payment Set Aside.** To the extent that the (i) Company makes a payment or payments to the Buyer hereunder, pursuant to this Agreement, the Debenture, or any other agreement, certificate, instrument or document contemplated hereby or thereby, or (ii) the Buyer enforces or exercises its rights hereunder, pursuant to this Agreement, the Debenture, or any other agreement, certificate, instrument or document contemplated hereby or thereby, and such payment or payments or the proceeds of such enforcement or exercise or any part thereof (including but not limited to the sale of the Securities) are for any reason (i) subsequently invalidated, declared to be fraudulent or preferential, set aside, recovered from, or disgorged by the Buyer, or (ii) are required to be refunded, repaid or otherwise restored to the Company, a trustee, receiver, government entity, or any other person or entity under any law (including, without limitation, any bankruptcy law, foreign, state or federal law, common law or equitable cause of action), then (i) to the extent of any such restoration the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such enforcement or setoff had not occurred and (ii) the Company shall immediately pay to the Buyer a dollar amount equal to the amount that was for any reason (i) subsequently invalidated, declared to be fraudulent or preferential, set aside, recovered from, or disgorged by the Buyer, or (ii) required to be refunded, repaid or otherwise restored to the Company, a trustee, receiver, government entity, or any other person or entity under any law (including, without limitation, any bankruptcy law, foreign, state or federal law, common law or equitable cause of action).

r. **Shareholder Approval.** "Shareholder Approval" means: the approval of the holders of a majority of the Company's outstanding voting Common Stock, to effectuate the transactions contemplated by the equity purchase agreement entered into on or around the date of this Agreement between the Company and the Holder, this Agreement, the issuance of all of the Shares (including the Conversion Shares and Warrant Shares), and issuance of the Commitment Shares in excess of 19.99% of the issued and outstanding Common Stock on the Closing Date (the "Exchange Cap", which is equal to 2,760,675 shares of Common Stock, subject to appropriate adjustment for any stock dividend, stock split, stock combination, rights offerings, reclassification or similar transaction that proportionately decreases or increases the Common Stock). The Company shall hold a special meeting of shareholders within one hundred and twenty (120) calendar days after the date of this Agreement for the purpose of obtaining Shareholder Approval, with the recommendation of the Company's Board of Directors that such proposal be approved, and the Company shall solicit proxies from its shareholders in connection therewith in the same manner as all other management proposals in such proxy statement and all management-appointed proxyholders shall vote their proxies in favor of such proposal. The Company shall use its reasonable best efforts to obtain such Shareholder Approval. If the Company does not obtain Shareholder Approval at the first meeting, the Company shall call a meeting as often as possible thereafter to seek Shareholder Approval until the Shareholder Approval is obtained. Until such approval is obtained, the number of shares of Common Stock issued in the aggregate, pursuant to this Agreement, upon conversion of the Debenture, and exercise of the Warrant shall be limited to the Exchange Cap.

s. **No Broker-Dealer Acknowledgement.** Absent a final adjudication from a court of competent jurisdiction stating otherwise, the Company shall not to any person, institution, governmental or other entity, state, claim, allege, or in any way assert, that Buyer is currently, or ever has been, a broker-dealer under the Securities Exchange Act of 1934.

5. TRANSFER AGENT INSTRUCTIONS.

a. **Transfer Agent Instruction Letter.** On or before the Closing Date, the Company shall irrevocably instruct its Transfer Agent in writing using the letter substantially in the form of Exhibit B annexed hereto, with only such modifications as the Buyer agrees to, executed by the Company, the Buyer and the Transfer Agent (the "Transfer Agent Instruction Letter"), to (i) reserve that number of shares of Common Stock as is required under Section 4(g) hereof, and (ii) issue Common Stock from time to time upon conversion of the Debenture in such amounts as specified from time to time by the Buyer to the Transfer Agent in a Notice of Conversion, in such denominations to be specified by the Buyer in connection with each conversion of the Debenture. The Transfer Agent shall not be restricted from issuing shares from only the allotment reserved hereunder for the Conversion Amount (as defined in the Debenture), but instead may, to the extent necessary to satisfy the amount of shares issuable upon conversion, issue shares above and beyond the amount reserved on account of the Conversion Amount, without any additional instructions or authorization from the Company, and the Company shall not provide the Transfer Agent with any instructions or documentation contrary to the foregoing. As of the date of this Agreement, the Transfer Agent is American Stock Transfer & Trust Company. The Company shall at all times while any Debenture is outstanding engage a Transfer Agent which is a party to the Transfer Agent Instruction Letter. If for any reason the Company's Transfer Agent is not a signatory of the Transfer Agent Instruction Letter while any Debenture, Warrant, or Restricted Stock are outstanding and held by the Buyer and/or Investments, then such Transfer Agent shall nonetheless be deemed bound by the Transfer Agent Instruction Letter, and the Company shall neither (i) permit the Transfer Agent to disclaim, disregard or refuse to abide by the Transfer Agent's obligations, terms and agreements set forth in the Transfer Agent Instruction Letter, nor (ii) issue any instructions to the Transfer Agent contrary to the obligations, terms and agreements set forth in the Transfer Agent Instruction Letter. The Company shall not terminate the Transfer Agent or otherwise change Transfer Agents without at least fifteen (15) days prior written notice to the Buyer and with the Buyer's prior written consent to such change, which the Buyer may grant or withhold in its sole discretion. The Company shall continuously monitor its compliance with the share reservation requirements and, if and to the extent necessary to increase the number of reserved shares to remain and be at least the Required Reserve Amount to account for any decrease in the Market Price of the Common Stock, the Company shall immediately (and in any event within one (1) business day) notify the Transfer Agent in writing of the reservation of such additional shares, *provided* that in the event that the number of shares reserved for conversion of the Debenture is less than the Required Reserve Amount, the Buyer may also directly instruct the Transfer Agent to increase the reserved shares as necessary to satisfy the minimum reserved share requirement, and the Transfer Agent shall act accordingly, *provided, further*, that the Company shall within one (1) business day provide any written confirmation, assent or documentation thereof as the Transfer Agent may request to act upon a share increase instruction delivered by the Buyer. The Company shall provide the Buyer with a copy of all written instructions to the Company's Transfer Agent with respect to the reservation of shares simultaneously with the issuance of such instructions to the Transfer Agent. The Company covenants that no instruction other than such instructions referred to in this Section 5 and stop transfer instructions to give effect to Section 4(a) hereof prior to registration and sale of the Shares under the 1933 Act will be given by the Company to the Transfer Agent and that the Shares shall otherwise be freely transferable on the books and records of the Company as and to the extent provided in this Agreement and applicable law. If the Buyer provides the Company and/or the Transfer Agent with an opinion of counsel reasonably satisfactory to the Company that registration of a resale by the Buyer of any of the Securities in accordance with clause (1)(B) of Section 4(a) of this Agreement is not required under the 1933 Act, the Company shall (except as provided in clause (2) of Section 4(a) of this Agreement) permit the de-legending or transfer of the Securities and, in the case of the Shares, instruct the Company's Transfer Agent to issue one or more certificates for Common Stock without legend in such name and in such denominations as specified by the Buyer.

b. **Conversion.** (i) The Company shall permit the Buyer to exercise the right to convert the Debenture by faxing, emailing or delivering overnight an executed and completed Notice of Conversion to the Company or the Transfer Agent. If so requested by the Buyer or the Transfer Agent, the Company shall within one (1) business day respond with its endorsement so as to confirm the outstanding principal amount of any Debenture submitted for conversion or shall reconcile any difference with the Buyer promptly after receiving such Notice of Conversion.

(ii) The term "Conversion Date" means, with respect to any conversion elected by the holder of the Debenture, the date specified in the Notice of Conversion, provided the copy of the Notice of Conversion is given either via mail or facsimile to or otherwise delivered to the Transfer Agent and/or the Company in accordance with the provisions hereof so that it is received by the Transfer Agent and/or the Company on or before 5pm (ET) on such specified date.

(iii) The Company shall deliver (or will cause the Transfer Agent to deliver) the Shares issuable upon conversion as follows: (1) if the Company is then DWAC Operational, via DWAC, (2) if the Common Stock is then eligible for the Depository Trust Company's Direct Registration System ("DRS"), if so requested by the Buyer, or (3) if the Company is not then DWAC Operational or the Common Stock is not then eligible for DRS, in certificated form, to the Buyer at the address specified in the Notice of Conversion (which may be the Buyer's address for notices as contemplated by Section 10 hereof or a different address) or Investments at the address specified in the Exercise Notice (as defined in the Warrant) (each an "Exercise Notice"), via express courier, in each case within two (2) business days (the "Delivery Date") after the business day on which the Company or the Transfer Agent has received the Notice of Conversion or Exercise Notice (by facsimile, email or other delivery), provided that any notice received after 5pm (ET) shall be deemed to be received on the next business day.

c. **Failure to Timely Issue Shares or De-Legended Shares.** The Company's failure to issue and deliver Shares to the Buyer (either by DWAC, DRS or in certificated form, as required by Section 5(b)) on or before the Delivery Date shall be considered an Event of Default, which shall entitle the Buyer to certain remedies set forth in the Debenture, Warrant, and provided by applicable law. Similarly, the Company's failure to issue and deliver Common Stock in unrestricted form without a restrictive legend when required under the Transaction Documents shall entitle the Buyer to damages for the diminution in value (if any) of the relevant shares between the date delivery was due versus the date ultimately delivered in unrestricted form. The Company acknowledges that its failure to timely honor a Notice of Conversion (or the occurrence of any other Event of Default) and/or Exercise Notice shall cause definable financial hardship on the Buyer(s) and that the remedies set forth herein and in the Debenture is reasonable and appropriate.

d. **Duties of Company; Authorization.** The Company shall inform the Transfer Agent of the reservation of shares contemplated by Section 4(g) and this Section 5, and shall keep current in its payment obligations to the Transfer Agent such that the Transfer Agent will continue to process share transfers and the initial issuance of shares of Common Stock upon the conversion of Debenture. The Company hereby authorizes and agrees to authorize the Transfer Agent to correspond and otherwise communicate with the Buyer or their representatives in connection with the foregoing and other matters related to the Common Stock. Further, the Company hereby authorizes the Buyer or its representative to provide instructions to the Transfer Agent that are consistent with the foregoing and instructs the Transfer Agent to honor any such instructions. Should the Company fail for any reason to keep current in its payment obligations to the Transfer Agent, the Buyer and/or Investments may pay such amounts as are necessary to compensate the Transfer Agent for performing its duties with respect to share reservation, issuance of Shares and/or de-legending certificates representing Restricted Stock, and all amounts so paid shall be promptly reimbursed by the Company. If not so reimbursed within thirty (30) days, such amounts shall, at the option of the Buyer and without prior notice to or consent of the Company, be added to the principal amount due under the Debenture held by the Buyer, whereupon interest will begin to accrue on such amounts at the rate specified in the Debenture.

e. **Effect of Bankruptcy.** The Buyer shall be entitled to exercise its conversion privilege with respect to the Debenture notwithstanding the commencement of

any case under 11 U.S.C. §101 et seq. (the “Bankruptcy Code”). In the event the Company is a debtor under the Bankruptcy Code, the Company hereby waives, to the fullest extent permitted, any rights to relief it may have under 11 U.S.C. §362 in respect of the Buyer’s conversion privilege. The Company hereby waives, to the fullest extent permitted, any rights to relief it may have under 11 U.S.C. §362 in respect of the conversion of the Debenture. The Company agrees, without cost or expense to the Buyer, to take or to consent to any and all action necessary to effectuate relief under 11 U.S.C. §362.

6. CLOSING.

a. **Closing.** Promptly upon the execution and delivery of this Agreement, the Debenture, and all conditions in Sections 7 and 8 herein are met (the “Closing Date”), (A) the Company shall deliver to the Buyer the following: (i) the Debenture; (ii) the Transfer Agent Instruction Letter; (iii) duly executed counterparts of the Transaction Documents; and (iv) an officer’s certificate of the Company confirming the accuracy of the Company’s representations and warranties contained herein, and (B) the Buyer shall deliver to the Company the following: (i) the Purchase Price and (ii) duly executed counterparts of the Transaction Documents (as applicable). The Company shall immediately pay the fees due under Section 12 of this Agreement upon receipt of the Purchase Price if Buyer does not withhold such amounts from the Purchase Price pursuant to Section 12.

b. **Location and Time of Closing.** The Closing shall be deemed to occur on the related Closing Date at the office of the Buyer’s counsel and shall take place no later than 5:00 P.M., east coast time, on such day or such other time as is mutually agreed upon by the Company and the Buyer.

- a. “Investor” shall have the meaning set forth above.
- b. “Person” means any individual or entity including but not limited to any corporation, a limited liability company, an association, a partnership, an organization, a business, an individual, a governmental or political subdivision thereof or a governmental agency.
- c. “Register,” “registered,” and “registration” refer to a registration effected by preparing and filing one or more registration statements of the Company in compliance with the Securities Act and/or pursuant to Rule 415 under the Securities Act or any successor rule providing for offering securities on a continuous basis (“Rule 415”), and the declaration or ordering of effectiveness of such registration statement(s) by the United States Securities and Exchange Commission (the “SEC”).
- d. “Registrable Securities” means all of the Conversion Shares (as defined in the Purchase Agreement) (the “Conversion Shares”) which may, from time to time, be issued to the Investor under the Note (as defined in the Purchase Agreement) (the “Note”), without regard to any limitation on beneficial ownership, all of the Warrant Shares (as defined in the Purchase Agreement) (the “Warrant Shares”) which may, from time to time, be issued to Peak One Investments, LLC (“Investments”) under the Warrant (as defined in the Purchase Agreement) (the “Warrant”), without regard to any limitation on beneficial ownership, and the Commitment Shares (as defined in the Purchase Agreement) (the “Commitment Shares”) (which shall be issued to Investments pursuant to the Purchase Agreement), and shares of Common Stock issued to the Investor and Investments as a result of any stock split, stock dividend, recapitalization, exchange or similar event or otherwise, without regard to any limitation on beneficial ownership in the Note or Warrant.
- e. “Registration Statement” means one or more registration statements of the Company covering only the sale of the Registrable Securities.

2. REGISTRATION.

a. Mandatory Registration. The Company shall, within sixty (60) calendar days from the date of this Agreement, file with the SEC an initial Registration Statement covering the maximum number of Registrable Securities (beginning with the Commitment Shares issued to Investments) as shall be permitted to be included thereon in accordance with applicable SEC rules, regulations and interpretations so as to permit the resale of such Registrable Securities by the Investor, including but not limited to under Rule 415 under the Securities Act at then prevailing market prices (and not fixed prices), subject to the aggregate number of authorized shares of the Company’s Common Stock then available for issuance in its Certificate of Incorporation. The initial Registration Statement shall register only the Registrable Securities. The Investor and its counsel shall have a reasonable opportunity to review and comment upon such Registration Statement and any amendment or supplement to such Registration Statement and any related prospectus prior to its filing with the SEC, and the Company shall give due consideration to all reasonable comments. The Investor shall furnish all information reasonably requested by the Company for inclusion therein. The Company shall use its reasonable best efforts to have the Registration Statement declared effective by the SEC within ninety (90) calendar days from the date hereof (or at the earliest possible date if prior to ninety (90) calendar days from the date hereof), and any amendment declared effective by the SEC at the earliest possible date. The Company shall use reasonable best efforts to keep the Registration Statement effective, including but not limited to pursuant to Rule 415 promulgated under the Securities Act and available for the resale by the Investor of all of the Registrable Securities covered thereby at all times until the date on which the Investor shall have sold all the Registrable Securities covered thereby (the “Registration Period”). The Registration Statement (including any amendments or supplements thereto and prospectuses contained therein) shall not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein, or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading. In the event that the Registration Statement becomes stale, the Company shall immediately file one or more post-effective amendments to obtain an effective Registration Statement.

b. Rule 424 Prospectus. The Company shall, as required by applicable securities regulations, from time to time file (in each case, at the earliest possible date) with the SEC, pursuant to Rule 424 promulgated under the Securities Act, the prospectus and prospectus supplements, if any, to be used in connection with sales of the Registrable Securities under the Registration Statement. The Company shall file such initial prospectus covering the Investor’s sale of the Registrable Securities on the same date that the Registration Statement is declared effective by the SEC. The Investor and its counsel shall have a reasonable opportunity to review and comment upon such prospectus prior to its filing with the SEC, and the Company shall give due consideration to all such comments. The Investor shall use its reasonable best efforts to comment upon such prospectus within one (1) Business Day from the date the Investor receives the final pre-filing version of such prospectus.

c. Sufficient Number of Shares Registered. In the event the number of shares available under the Registration Statement is insufficient to cover all of the Registrable Securities, the Company shall amend the Registration Statement or file a new Registration Statement (a “New Registration Statement”), so as to cover all of such Registrable Securities (subject to the limitations set forth in Section 2(a)) as soon as practicable, but in any event not later than ten (10) Business Days after the necessity therefor arises, subject to any limits that may be imposed by the SEC pursuant to Rule 415 under the Securities Act. The Company shall use its reasonable best efforts to cause such amendment and/or New Registration Statement to become effective as soon as practicable following the filing thereof. In the event that any of the Registrable Securities are not included in the Registration Statement, or have not been included in any New Registration Statement and the Company files any other registration statement under the Securities Act (other than on Form S-4, Form S-8, or with respect to other employee related plans or rights offerings) (“Other Registration Statement”) then the Company shall include such remaining Registrable Securities in such Other Registration Statement. The Company agrees that it shall not file any such Other Registration Statement unless all of the Registrable Securities have been included in such Other Registration Statement or otherwise have been registered for resale as described above.

d. Offering. If the staff of the SEC (the “Staff”) or the SEC seeks to characterize any offering pursuant to a Registration Statement filed pursuant to this Agreement as constituting an offering of securities that does not permit such Registration Statement to become effective and be used for resales by the Investor under Rule 415 at then-prevailing market prices (and not fixed prices), or if after the filing of the initial Registration Statement with the SEC pursuant to Section 2(a), the Company is otherwise required by the Staff or the SEC to reduce the number of Registrable Securities included in such initial Registration Statement, then the Company shall reduce the number of Registrable Securities to be included in such initial Registration Statement (with the prior consent, which shall not be unreasonably withheld, of the Investor and its legal counsel as to the specific Registrable Securities to be removed therefrom) until such time as the Staff and the SEC shall so permit such Registration Statement to become effective and be used as aforesaid. In the event of any reduction in Registrable Securities pursuant to this paragraph, the Company shall file one or more New Registration Statements in accordance with Section 2(c) until such time as all Registrable Securities have been included in Registration Statements that have been declared effective and the prospectus contained therein is available for use by the Investor. Notwithstanding any provision herein or in the Purchase Agreement to the contrary, the Company’s obligations to register Registrable Securities (and any related conditions to the Investor’s obligations) shall be qualified as necessary to comport with any requirement of the SEC or the Staff as addressed in this Section 2(d).

3. RELATED OBLIGATIONS.

With respect to the Registration Statement and whenever any Registrable Securities are to be registered pursuant to Section 2 including on any New Registration Statement, the Company shall use its reasonable best efforts to effect the registration of the Registrable Securities in accordance with the intended method of disposition thereof and, pursuant thereto, the Company shall have the following obligations:

a. The Company shall prepare and file with the SEC such amendments (including post-effective amendments) and supplements to any registration statement and the prospectus used in connection with such registration statement, which prospectus is to be filed pursuant to Rule 424 promulgated under the Securities Act, as may be necessary to keep the Registration Statement or any New Registration Statement effective at all times during the Registration Period, and, during such period, comply with the provisions of the Securities Act with respect to the disposition of all Registrable Securities of the Company covered by the Registration Statement or any New Registration Statement until such time as all of such Registrable Securities shall have been disposed of in accordance with the intended methods of disposition by the seller or sellers thereof as set forth in such registration statement.

b. The Company shall permit the Investor to review and comment upon the Registration Statement or any New Registration Statement and all amendments and supplements thereto at least two (2) Business Days prior to their filing with the SEC, and not file any document in a form to which Investor reasonably objects. The Investor shall use its reasonable best efforts to comment upon the Registration Statement or any New Registration Statement and any amendments or supplements thereto within two (2) Business Days from the date the Investor receives the final version thereof. The Company shall furnish to the Investor, without charge any correspondence from the SEC or the staff of the SEC to the Company or its representatives relating to the Registration Statement or any New Registration Statement.

3

c. Upon request of the Investor, the Company shall furnish to the Investor, (i) promptly after the same is prepared and filed with the SEC, at least one copy of such registration statement and any amendment(s) thereto, including financial statements and schedules, all documents incorporated therein by reference and all exhibits, (ii) upon the effectiveness of any registration statement, a copy of the prospectus included in such registration statement and all amendments and supplements thereto (or such other number of copies as the Investor may reasonably request) and (iii) such other documents, including copies of any preliminary or final prospectus, as the Investor may reasonably request from time to time in order to facilitate the disposition of the Registrable Securities owned by the Investor. For the avoidance of doubt, any filing available to the Investor via the SEC’s live EDGAR system shall be deemed “furnished to the Investor” hereunder.

d. The Company shall use reasonable best efforts to (i) register and qualify the Registrable Securities covered by a registration statement under such other securities or “blue sky” laws of such jurisdictions in the United States as the Investor reasonably requests, (ii) prepare and file in those jurisdictions, such amendments (including post-effective amendments) and supplements to such registrations and qualifications as may be necessary to maintain the effectiveness thereof during the Registration Period, (iii) take such other actions as may be necessary to maintain such registrations and qualifications in effect at all times during the Registration Period, and (iv) take all other actions reasonably necessary or advisable to qualify the Registrable Securities for sale in such jurisdictions; provided, however, that the Company shall not be required in connection therewith or as a condition thereto to (x) qualify to do business in any jurisdiction where it would not otherwise be required to qualify but for this Section 3(d), (y) subject itself to general taxation in any such jurisdiction, or (z) file a general consent to service of process in any such jurisdiction. The Company shall promptly notify the Investor who holds Registrable Securities of the receipt by the Company of any notification with respect to the suspension of the registration or qualification of any of the Registrable Securities for sale under the securities or “blue sky” laws of any jurisdiction in the United States or its receipt of actual notice of the initiation or threatening of any proceeding for such purpose.

e. As promptly as practicable after becoming aware of such event or facts, the Company shall notify the Investor in writing of the happening of any event or existence of such facts as a result of which the prospectus included in any registration statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and promptly prepare a supplement or amendment to such registration statement to correct such untrue statement or omission, and deliver a copy of such supplement or amendment to the Investor (or such other number of copies as the Investor may reasonably request). The Company shall also promptly notify the Investor in writing (i) when a prospectus or any prospectus supplement or post-effective amendment has been filed, and when a registration statement or any post-effective amendment has become effective (notification of such effectiveness shall be delivered to the Investor by email on the same day of such effectiveness and by overnight mail), (ii) of any request by the SEC for amendments or supplements to any registration statement or related prospectus or related information, and (iii) of the Company’s reasonable determination that a post-effective amendment to a registration statement would be appropriate.

f. The Company shall use its reasonable best efforts to prevent the issuance of any stop order or other suspension of effectiveness of any registration statement, or the suspension of the qualification of any Registrable Securities for sale in any jurisdiction and, if such an order or suspension is issued, to obtain the withdrawal of such order or suspension at the earliest possible moment and to notify the Investor of the issuance of such order and the resolution thereof or its receipt of actual notice of the initiation or threat of any proceeding for such purpose.

4

g. The Company shall (i) cause all the Registrable Securities to be listed on each securities exchange on which securities of the same class or series issued by the Company are then listed, if any, if the listing of such Registrable Securities is then permitted under the rules of such exchange, or (ii) secure designation and quotation of all the Registrable Securities on the Principal Market (as defined in the Purchase Agreement). The Company shall pay all fees and expenses in connection with satisfying its obligation under this Section.

h. The Company shall cooperate with the Investor to facilitate the timely preparation and delivery of the Registrable Securities (not bearing any restrictive legend) either by DWAC, DRS, or in certificated form if DWAC or DRS is unavailable, to be offered pursuant to any registration statement and enable such Registrable Securities to be in such denominations or amounts as the Investor may reasonably request and registered in such names as the Investor may request.

i. The Company shall at all times provide a transfer agent and registrar with respect to its Common Stock.

j. If reasonably requested by the Investor, the Company shall (i) immediately incorporate in a prospectus supplement or post-effective amendment such information as the Investor believes should be included therein relating to the sale and distribution of Registrable Securities, including, without limitation, information with respect to the number of Registrable Securities being sold, the purchase price being paid therefor and any other terms of the offering of the Registrable Securities; (ii) make all required filings of such prospectus supplement or post-effective amendment as soon as practicable upon notification of the matters to be incorporated in such prospectus supplement or post-effective amendment; and (iii) supplement or make amendments to any registration statement.

k. The Company shall use its reasonable best efforts to cause the Registrable Securities covered by any registration statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to consummate the disposition of such Registrable Securities.

l. Within one (1) Business Day after any registration statement which includes the Registrable Securities is ordered effective by the SEC, the Company shall deliver, and shall cause legal counsel for the Company to deliver, to the transfer agent for such Registrable Securities (with copies to the Investor) confirmation that such registration statement has been declared effective by the SEC in the form attached hereto as Exhibit A. Thereafter, if requested by the Investor at any time, the Company shall require its counsel to deliver to the Investor a written confirmation whether or not the effectiveness of such registration statement has lapsed at any time for any reason (including, without limitation, the issuance of a stop order) and whether or not the registration statement is current and available to the Investor for sale of all of the Registrable Securities.

m. The Company shall take all other reasonable actions necessary to expedite and facilitate disposition by the Investor of Registrable Securities pursuant to any registration statement.

5

4. OBLIGATIONS OF THE INVESTOR

a. The Company shall notify the Investor in writing of the information the Company reasonably requires from the Investor in connection with any registration statement hereunder. The Investor shall furnish to the Company such information regarding itself, the Registrable Securities held by it and the intended method of disposition of the Registrable Securities held by it as shall be reasonably required to effect the registration of such Registrable Securities and shall execute such documents in connection with such registration as the Company may reasonably request.

b. The Investor agrees to cooperate with the Company as reasonably requested by the Company in connection with the preparation and filing of any registration statement hereunder.

c. The Investor agrees that, upon receipt of any notice from the Company of the happening of any event or existence of facts of the kind described in Section 3(f) or the first sentence of 3(e), the Investor will immediately discontinue disposition of Registrable Securities pursuant to any registration statement(s) covering such Registrable Securities until the Investor's receipt of the copies of the supplemented or amended prospectus contemplated by Section 3(f) or the first sentence of 3(e). Notwithstanding anything to the contrary, the Company shall cause its transfer agent to promptly deliver shares of Common Stock without any restrictive legend in accordance with the terms of the Purchase Agreement, Note, and Warrant as applicable in connection with any sale of Registrable Securities with respect to which the Investor has entered into a contract for sale prior to the Investor's receipt of a notice from the Company of the happening of any event of the kind described in Section 3(f) or the first sentence of Section 3(e) and for which the Investor has not yet settled.

5. EXPENSES OF REGISTRATION

All reasonable expenses, other than sales or brokerage commissions, incurred in connection with registrations, filings or qualifications pursuant to Sections 2 and 3, including, without limitation, all registration, listing and qualifications fees, printers and accounting fees, and fees and disbursements of counsel for the Company, shall be paid by the Company.

6. INDEMNIFICATION

a. To the fullest extent permitted by law, the Company will, and hereby does, indemnify, hold harmless and defend the Investor, each Person, if any, who controls the Investor, the members, the directors, officers, partners, employees, agents, representatives of the Investor and each Person, if any, who controls the Investor within the meaning of the Securities Act or the Securities Exchange Act of 1934, as amended (the "Exchange Act") (each, an "Indemnified Person"), against any losses, claims, damages, liabilities, judgments, fines, penalties, charges, costs, attorneys' fees, amounts paid in settlement or expenses, joint or several, (collectively, "Claims") incurred in investigating, preparing or defending any action, claim, suit, inquiry, proceeding, investigation or appeal taken from the foregoing by or before any court or governmental, administrative or other regulatory agency, body or the SEC, whether pending or threatened, whether or not an indemnified party is or may be a party thereto ("Indemnified Damages"), to which any of them may become subject insofar as such Claims (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based upon: (i) any untrue statement or alleged untrue statement of a material fact in the Registration Statement, any New Registration Statement or any post-effective amendment thereto or in any filing made in connection with the qualification of the offering under the securities or other "blue sky" laws of any jurisdiction in which Registrable Securities are offered ("Blue Sky Filing"), or the omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, (ii) any untrue statement or alleged untrue statement of a material fact contained in the final prospectus (as amended or supplemented, if the Company files any amendment thereof or supplement thereto with the SEC) or the omission or alleged omission to state therein any material fact necessary to make the statements made therein, in light of the circumstances under which the statements therein were made, not misleading, (iii) any violation or alleged violation by the Company of the Securities Act, the Exchange Act, any other law, including, without limitation, any state securities law, or any rule or regulation thereunder relating to the offer or sale of the Registrable Securities pursuant to the Registration Statement or any New Registration Statement or (iv) any material violation by the Company of this Agreement (the matters in the foregoing clauses (i) through (iv) being, collectively, "Violations"). The Company shall reimburse each Indemnified Person promptly as such expenses are incurred and are due and payable, for any reasonable legal fees or other reasonable expenses incurred by them in connection with investigating or defending any such Claim. Notwithstanding anything to the contrary contained herein, the indemnification agreement contained in this Section 6(a): (i) shall not apply to a Claim by an Indemnified Person arising out of or based upon a Violation which occurs in reliance upon and in conformity with information about the Investor furnished in writing to the Company by such Indemnified Person expressly for use in connection with the preparation of the Registration Statement, any New Registration Statement or any such amendment thereof or supplement thereto, if such prospectus was timely made available by the Company pursuant to Section 3(c) or Section 3(e); (ii) with respect to any superseded prospectus, shall not inure to the benefit of any such person from whom the person asserting any such Claim purchased the Registrable Securities that are the subject thereof (or to the benefit of any person controlling such person) if the untrue statement or omission of material fact contained in the superseded prospectus was corrected in the revised prospectus, as then amended or supplemented, if such revised prospectus was timely made available by the Company pursuant to Section 3(c) or Section 3(e), and the Indemnified Person was promptly advised in writing not to use the incorrect prospectus prior to the use giving rise to a violation and such Indemnified Person, notwithstanding such advice, used it; (iii) shall not be available to the extent such Claim is based on a failure of the Investor to deliver or to cause to be delivered the prospectus made available by the Company, if such prospectus was timely made available by the Company pursuant to Section 3(c) or Section 3(e); and (iv) shall not apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of the Company, which consent shall not be unreasonably withheld. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of the Indemnified Person and shall survive the transfer of the Registrable Securities by the Investor pursuant to Section 9.

6

b. Promptly after receipt by an Indemnified Person or Indemnified Party under this Section 6 of notice of the commencement of any action or proceeding (including any governmental action or proceeding) involving a Claim, such Indemnified Person or Indemnified Party shall, if a Claim in respect thereof is to be made against any indemnifying party under this Section 6, deliver to the indemnifying party a written notice of the commencement thereof, and the indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume control of the defense thereof with counsel mutually satisfactory to the indemnifying party and the Indemnified Person or the Indemnified Party, as the case may be; provided, however, that an Indemnified Person or Indemnified Party shall have the right to retain its own counsel with the fees and expenses to be paid by the indemnifying party, if, in the reasonable opinion of counsel retained by the indemnifying party, the representation by such counsel of the Indemnified Person or Indemnified Party and the indemnifying party would be inappropriate due to actual or potential differing interests between such Indemnified Person or Indemnified Party and any other party represented by such counsel in such proceeding. The Indemnified Party or Indemnified Person shall cooperate fully with the indemnifying party in connection with any negotiation or defense of any such action or claim by the indemnifying party and shall furnish to the indemnifying party all information reasonably available to the Indemnified Party or Indemnified Person which relates to such action or claim. The indemnifying party shall keep the Indemnified Party or Indemnified Person fully apprised at all times as to the status of the defense or any settlement negotiations with respect thereto. No indemnifying party shall be liable for any settlement of any action, claim or proceeding effected without its written consent, provided, however, that the indemnifying party shall not unreasonably withhold, delay or condition its consent. No indemnifying party shall, without the consent of the Indemnified Party or Indemnified Person, consent to entry of any judgment or enter into any settlement or other compromise which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Party or Indemnified Person of a release from all liability in respect to such claim or litigation. Following indemnification as provided for hereunder, the indemnifying party shall be subrogated to all rights of the Indemnified Party or Indemnified Person with respect to all third parties, firms or corporations relating to the matter for which indemnification has been made. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such action shall not relieve such indemnifying party of any liability to the Indemnified Person or Indemnified Party under this Section 6, except to the extent that the indemnifying party is prejudiced in its ability to defend such action.

c. The indemnification required by this Section 6 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received or Indemnified Damages are incurred.

d. The indemnity agreements contained herein shall be in addition to (i) any cause of action or similar right of the Indemnified Party or Indemnified Person against the indemnifying party or others, and (ii) any liabilities the indemnifying party may be subject to pursuant to the law.

7

7. CONTRIBUTION.

To the extent any indemnification by an indemnifying party is prohibited or limited by law, the indemnifying party agrees to make the maximum contribution with respect to any amounts for which it would otherwise be liable under Section 6 to the fullest extent permitted by law; provided, however, that: (i) no seller of Registrable Securities guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any seller of Registrable Securities who was not guilty of fraudulent misrepresentation; and (ii) contribution by any seller of Registrable Securities shall be limited in amount to the net amount of proceeds received by such seller from the sale of such Registrable Securities.

8. REPORTS AND DISCLOSURE UNDER THE SECURITIES ACTS.

With a view to making available to the Investor the benefits of Rule 144 promulgated under the Securities Act or any other similar rule or regulation of the SEC that may at any time permit the Investor to sell securities of the Company to the public without registration ("Rule 144"), the Company agrees, at the Company's sole expense, to:

a. make and keep public information available, as those terms are understood and defined in Rule 144;

b. file with the SEC in a timely manner all reports and other documents required of the Company under the Securities Act and the Exchange Act so long as the Company remains subject to such requirements and the filing of such reports and other documents is required for the applicable provisions of Rule 144;

c. furnish to the Investor so long as the Investor owns Registrable Securities, promptly upon request, (i) a written statement by the Company that it has complied with the reporting and or disclosure provisions of Rule 144, the Securities Act and the Exchange Act, (ii) a copy of the most recent annual or quarterly report of the Company and such other reports and documents so filed by the Company, and (iii) such other information as may be reasonably requested to permit the Investor to sell such securities pursuant to Rule 144 without registration; and

d. take such additional action as is requested by the Investor to enable the Investor to sell the Registrable Securities pursuant to Rule 144, including, without limitation, delivering all such legal opinions, consents, certificates, resolutions and instructions to the Company's transfer agent as may be requested from time to time by the Investor and otherwise fully cooperate with Investor and Investor's broker to effect such sale of securities pursuant to Rule 144.

The Company agrees that damages may be an inadequate remedy for any breach of the terms and provisions of this Section 8 and that Investor shall, whether or not it is pursuing any remedies at law, be entitled to equitable relief in the form of a preliminary or permanent injunctions, without having to post any bond or other security, upon any breach or threatened breach of any such terms or provisions.

8

9. ASSIGNMENT OF REGISTRATION RIGHTS.

The Company shall not assign this Agreement or any rights or obligations hereunder without the prior written consent of the Investor.

10. AMENDMENT OF REGISTRATION RIGHTS.

No provision of this Agreement may be amended or waived by the parties from and after the date that is one Business Day immediately preceding the initial filing of the Registration Statement with the SEC. Subject to the immediately preceding sentence, no provision of this Agreement may be (i) amended other than by a written instrument signed by both parties hereto or (ii) waived other than in a written instrument signed by the party against whom enforcement of such waiver is sought. Failure of any party to exercise any right or remedy under this Agreement or otherwise, or delay by a party in exercising such right or remedy, shall not operate as a waiver thereof.

11. MISCELLANEOUS.

If the Company receives conflicting instructions, notices or elections from two or more Persons with respect to the same Registrable Securities, the Company shall act upon the basis of instructions, notice or election received from the registered owner of such Registrable Securities.

Each of the Company and the Subsidiaries is duly qualified to conduct business and is in good standing as a foreign corporation or other entity in each jurisdiction in which the nature of the business conducted or property owned by it makes such qualification necessary, except where the failure to be so qualified or in good standing, as the case may be, could not have or reasonably be expected to result in a Material Adverse Effect and no proceeding has been instituted in any such jurisdiction revoking, limiting or curtailing or seeking to revoke, limit or curtail such power and authority or qualification.

The issuance and sale of the Securities will not obligate the Company to issue shares of Common Stock or other securities to any Person (other than the Investor) and will not result in a right of any holder of Company securities to adjust the exercise, conversion, exchange or reset price under any of such securities. There are no stockholders agreements, voting agreements or other similar agreements with respect to the Company's capital stock to which the Company is a party or, to the knowledge of the Company, between or among any of the Company's stockholders.

No judgment, order, writ, injunction or decree or award has been issued by or, to the knowledge of the Company, requested of any court, arbitrator or governmental agency which would have a Material Adverse Effect. There has not been, and to the knowledge of the Company, there is not pending or contemplated, any investigation by the SEC involving the Company, any Subsidiary or any current or former director or officer of the Company or any Subsidiary.

Section 4.10 REGISTRATION RIGHTS. Except as set forth in the SEC Documents, no Person (other than the Investor) has any right to cause the Company to effect the registration under the Securities Act of any securities of the Company or any Subsidiary.

Section 4.11 NO SOLICITATION; BROKERS. Except with respect to Maxim Group LLC, a registered broker-dealer (CRD#: 120708) (the “Placement Agent”), the Company has taken no action which would give rise to any claim by any person for brokerage commissions, transaction fees or similar payments relating to this Agreement or the transactions contemplated hereby. The Company acknowledges and agrees that neither the Investor nor its employee(s), member(s), beneficial owner(s), or partner(s) solicited the Company to enter into this Agreement and consummate the transactions described in this Agreement. The Company shall pay all applicable fees to the Placement Agent with respect to this Agreement and the Put Shares, and the Investor shall have no obligation to pay any amount to the Placement Agent.

ARTICLE V COVENANTS OF INVESTOR

Section 5.1 COMPLIANCE WITH LAW; TRADING IN SECURITIES. The Investor’s trading activities with respect to shares of Common Stock will be in compliance with all applicable state and federal securities laws and regulations and the rules and regulations of FINRA and the Principal Market.

Section 5.2 SHORT SALES AND CONFIDENTIALITY. Neither the Investor, nor any affiliate of the Investor acting on its behalf or pursuant to any understanding with it, will execute any Short Sales during the period from the date hereof to the end of the Commitment Period. For the purposes hereof, and in accordance with Regulation SHO, the sale after delivery of a Put Notice of such number of shares of Common Stock reasonably expected to be purchased under a Put Notice shall not be deemed a Short Sale. The Investor shall, until such time as the transactions contemplated by this Agreement are publicly disclosed by the Company in accordance with the terms of this Agreement, maintain the confidentiality of the existence and terms of this transaction and the information included in the Transaction Documents.

ARTICLE VI COVENANTS OF THE COMPANY

Section 6.1 RESERVATION OF COMMON STOCK. The Company shall maintain a reserve from its duly authorized shares of Common Stock equal to the Required Minimum in accordance with the terms of this Agreement.

Section 6.2 LISTING OR QUOTATION OF COMMON STOCK. During the Commitment Period and until this Agreement is terminated, the Company shall promptly secure the listing or quotation of all of the Put Shares and Commitment Shares to be issued hereunder on the Principal Market (subject to official notice of issuance) and shall maintain the listing or quotation of all such Put Shares from time to time issuable hereunder and Commitment Shares. The Company shall maintain the (i) listing or quotation and (ii) trading of the Common Stock on the Principal Market (including, without limitation, maintaining sufficient net tangible assets) and will comply in all respects with the Company’s reporting, filing and other obligations under the bylaws or rules of FINRA and the Principal Market.

11

Section 6.3 OTHER EQUITY LINES. So long as this Agreement remains in effect, the Company covenants and agrees that it will not, without the prior written consent of the Investor, enter into any other Equity Line of Credit (as defined below). “Equity Line of Credit” shall mean any transaction involving a written agreement between the Company and an investor or underwriter whereby the Company has the right to “put” its securities to the investor or underwriter over an agreed period of time and at an agreed price or price formula.”

Section 6.4 FILING OF CURRENT REPORT AND REGISTRATION STATEMENT. The Company agrees that it shall file a Current Report on Form 8-K, including the Transaction Documents as exhibits thereto, with the SEC within the time required by the Exchange Act, relating to the transactions contemplated by, and describing the material terms and conditions of, the Transaction Documents (the “Current Report”). The Company shall use its best efforts to permit the Investor to review and comment upon the final pre-filing draft version of the Current Report at least one (1) Trading Day prior to its filing with the SEC, and the Company shall give reasonable consideration to all such comments. The Investor shall use its reasonable best efforts to comment upon the final pre-filing draft version of the Current Report within one (1) Trading Day from the date the Investor receives it from the Company. The Company shall also file with the SEC, within sixty (60) calendar days after the date of this Agreement, a new registration statement (the “Registration Statement”) covering only the resale of the Put Shares and the Commitment Shares. The Company shall use its reasonable best efforts to have the Registration Statement declared effective by the SEC within ninety (90) calendar days from the date hereof (or at the earliest possible date if prior to ninety (90) calendar days from the date hereof).

Section 6.4 NO BROKER-DEALER ACKNOWLEDGEMENT. Absent a final adjudication from a court of competent jurisdiction stating otherwise, the Company shall not to any person, institution, governmental or other entity, state, claim, allege, or in any way assert, that Buyer is currently, or ever has been, a broker-dealer under the Securities Exchange Act of 1934.

ARTICLE VII CONDITIONS TO DELIVERY OF PUT NOTICES AND CONDITIONS TO CLOSING

Section 7.1 CONDITIONS PRECEDENT TO THE RIGHT OF THE COMPANY TO ISSUE AND SELL PUT SHARES. In addition to the other provisions of this Agreement, the right of the Company to issue and sell the Put Shares to the Investor is subject to the satisfaction of each of the conditions set forth below:

(a) ACCURACY OF INVESTOR’S REPRESENTATIONS AND WARRANTIES. The representations and warranties of the Investor shall be true and correct in all material respects as of the date of this Agreement and as of the date of each Closing as though made at each such time.

(b) PERFORMANCE BY INVESTOR. Investor shall have performed, satisfied and complied in all respects with all covenants, agreements and conditions required by this Agreement to be performed, satisfied or complied with by the Investor at or prior to such Closing.

Section 7.2 CONDITIONS PRECEDENT TO THE OBLIGATION OF INVESTOR TO PURCHASE PUT SHARES. The obligation of the Investor hereunder to purchase Put Shares is subject to the satisfaction of each of the following conditions:

12

(a) EFFECTIVE REGISTRATION STATEMENT. The Registration Statement, and any amendment or supplement thereto, shall remain effective for the resale by the Investor of the Put Shares and the Commitment Shares at prevailing market prices (and not fixed prices) and (i) neither the Company nor the Investor shall have received notice that the SEC has issued or intends to issue a stop order with respect to such Registration Statement or that the SEC otherwise has suspended or withdrawn the effectiveness of such Registration Statement, either temporarily or permanently, or intends or has threatened to do so and (ii) no other suspension of the use of, or withdrawal of

the effectiveness of, such Registration Statement or related prospectus shall exist.

(b) ACCURACY OF THE COMPANY'S REPRESENTATIONS AND WARRANTIES. The representations and warranties of the Company shall be true and correct in all material respects as of the date of this Agreement and as of the date of each Closing (except for representations and warranties specifically made as of a particular date).

(c) PERFORMANCE BY THE COMPANY. The Company shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Agreement to be performed, satisfied or complied with by the Company, including but not limited to the delivery of the Put Shares as provided in Section 2.2(a) of this Agreement.

(d) NO INJUNCTION. No statute, rule, regulation, executive order, decree, ruling or injunction shall have been enacted, entered, promulgated or adopted by any court or governmental authority of competent jurisdiction that prohibits or directly and materially adversely affects any of the transactions contemplated by the Transaction Documents, and no proceeding shall have been commenced that may have the effect of prohibiting or materially adversely affecting any of the transactions contemplated by the Transaction Documents.

(e) ADVERSE CHANGES. Since the date of filing of the Company's most recent SEC Document, no event that had or is reasonably likely to have a Material Adverse Effect has occurred.

(f) NO SUSPENSION OF TRADING IN OR DELISTING OF COMMON STOCK. The trading of the Common Stock shall not have been suspended by the SEC, the Principal Market or FINRA, or otherwise halted for any reason, and the Common Stock shall have been approved for listing or quotation on and shall not have been delisted from the Principal Market. In the event of a suspension, delisting, or halting for any reason, of the trading of the Common Stock, as contemplated by this Section 7.2(f), the Investor shall have the right to return to the Company any remaining amount of Put Shares associated with such Put, and the Purchase Price with respect to such Put shall be reduced accordingly.

(g) BENEFICIAL OWNERSHIP LIMITATION. The number of Put Shares then to be purchased by the Investor shall not exceed the number of such shares that, when aggregated with all other shares of Common Stock then owned by the Investor beneficially or deemed beneficially owned by the Investor, would result in the Investor owning more than the Beneficial Ownership Limitation (as defined below), as determined in accordance with Section 16 of the Exchange Act and the regulations promulgated thereunder. For purposes of this Section 7.2(g), in the event that the amount of Common Stock outstanding, as determined in accordance with Section 16 of the Exchange Act and the regulations promulgated thereunder, is greater on a Closing Date than on the date upon which the Put Notice associated with such Closing Date is given, the amount of Common Stock outstanding on such Closing Date shall govern for purposes of determining whether the Investor, when aggregating all purchases of Common Stock made pursuant to this Agreement, would own more than the Beneficial Ownership Limitation following such Closing Date. The "Beneficial Ownership Limitation" shall be 4.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable pursuant to a Put Notice.

(h) PRINCIPAL MARKET REGULATION. The issuance of the Put Shares shall not exceed the Exchange Cap if applicable.

13

(i) NO KNOWLEDGE. The Company shall have no knowledge of any event more likely than not to have the effect of causing the Registration Statement to be suspended or otherwise ineffective (which event is more likely than not to occur within the fifteen (15) Trading Days following the Trading Day on which such Put Notice is deemed delivered).

(j) NO VIOLATION OF SHAREHOLDER APPROVAL REQUIREMENT. The issuance of the Put Shares shall not violate the shareholder approval requirements of the Principal Market.

(k) OFFICER'S CERTIFICATE. On the date of delivery of each Put Notice, the Investor shall have received the Closing Certificate executed by an executive officer of the Company and to the effect that all the conditions to such Closing shall have been satisfied as of the date of each such certificate.

(l) DWAC ELIGIBLE. The Common Stock must be DWAC Eligible and not subject to a "DTC chill."

(m) SEC DOCUMENTS. All reports, schedules, registrations, forms, statements, information and other documents required to have been filed by the Company with the SEC pursuant to the reporting requirements of the Exchange Act shall have been filed with the SEC within the applicable time periods prescribed for such filings under the Exchange Act.

(n) RESERVE. The Company shall have reserved the Required Minimum for the Investor's benefit under this Agreement, the Company shall have satisfied the reserve requirements with respect to all other contracts between the Company and Investor.

(o) MINIMUM PRICING. The lowest traded price of the Common Stock in the ten (10) Trading Days immediately preceding the respective Put Date must exceed \$0.01 per share.

(p) BANKRUPTCY. Bankruptcy, insolvency, reorganization or liquidation proceedings or other proceedings, voluntary or involuntary, for relief under any bankruptcy law or any law for the relief of debtors shall not be instituted by or against the Company or any subsidiary of the Company (the "Bankruptcy Proceedings"), and the Company shall have no knowledge of any event more likely than not to have the effect of causing Bankruptcy Proceedings to arise. In the event of Bankruptcy Proceedings as contemplated by this Section 7.2(p), the Investor shall have the right to return to the Company any remaining amount of Put Shares associated with such Put, and the Purchase Price with respect to such Put shall be reduced accordingly.

ARTICLE VIII LEGENDS

Section 8.1 NO RESTRICTIVE STOCK LEGEND. No restrictive stock legend shall be placed on the share certificates representing the Put Shares.

Section 8.2 INVESTOR'S COMPLIANCE. Nothing in this Article VIII shall affect in any way the Investor's obligations hereunder to comply with all applicable securities laws upon the sale of the Common Stock.

14

Section 9.2 INDEMNIFICATION. Each party (an "Indemnifying Party") agrees to indemnify and hold harmless the other party along with its officers, directors, employees, and authorized agents, and each Person or entity, if any, who controls such party within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (an "Indemnified Party") from and against any Damages, joint or several, and any action in respect thereof to which the Indemnified Party becomes subject to, resulting from, arising out of or relating to (i) any misrepresentation, breach of warranty or nonfulfillment of or failure to perform any covenant or agreement on the part of the Indemnifying Party contained in this Agreement, (ii) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or any post-effective amendment thereof or supplement thereto, or the omission or alleged omission thereof of a material fact required to be stated therein or necessary to make the statements therein not misleading, (iii) any untrue statement or alleged untrue statement of a material fact contained in any preliminary prospectus or contained in the final prospectus (as amended or supplemented, if the Company files any amendment thereof or supplement thereto with the SEC) or the omission or alleged omission to state therein any material fact necessary to make the statements made therein, in the light of the circumstances under which the statements therein were made, not misleading, or (iv) any violation or alleged violation by the Company of the Securities Act, the Exchange Act, any state securities law or any rule or regulation under the Securities Act, the Exchange Act or any state securities law, as such Damages are incurred, except to the extent such Damages result primarily from the Indemnified Party's failure to perform any covenant or agreement contained in this Agreement or the Indemnified Party's negligence, recklessness or bad faith in performing its obligations under this Agreement; provided, however, that the foregoing indemnity agreement shall not apply to any Damages of an Indemnified Party to the extent, but only to the extent, arising out of or based upon any untrue statement or alleged untrue statement or omission or alleged omission made by an Indemnifying Party in reliance upon and in conformity with written information furnished to the Indemnifying Party by the Indemnified Party expressly for use in the Registration Statement, any post-effective amendment thereof or supplement thereto, or any preliminary prospectus or final prospectus (as amended or supplemented).

Section 9.3 METHOD OF ASSERTING INDEMNIFICATION CLAIMS. All claims for indemnification by any Indemnified Party under Section 9.2 shall be asserted and resolved as follows:

(a) In the event any claim or demand in respect of which an Indemnified Party might seek indemnity under Section 9.2 is asserted against or sought to be collected from such Indemnified Party by a Person other than a party hereto or an affiliate thereof (a "Third Party Claim"), the Indemnified Party shall deliver a written notification, enclosing a copy of all papers served, if any, and specifying the nature of and basis for such Third Party Claim and for the Indemnified Party's claim for indemnification that is being asserted under any provision of Section 9.2 against an Indemnifying Party, together with the amount or, if not then reasonably ascertainable, the estimated amount, determined in good faith, of such Third Party Claim (a "Claim Notice") with reasonable promptness to the Indemnifying Party. If the Indemnified Party fails to provide the Claim Notice with reasonable promptness after the Indemnified Party receives notice of such Third Party Claim, the Indemnifying Party shall not be obligated to indemnify the Indemnified Party with respect to such Third Party Claim to the extent that the Indemnifying Party's ability to defend has been prejudiced by such failure of the Indemnified Party. The Indemnifying Party shall notify the Indemnified Party as soon as practicable within the period ending thirty (30) calendar days following receipt by the Indemnifying Party of either a Claim Notice or an Indemnity Notice (as defined below) (the "Dispute Period") whether the Indemnifying Party disputes its liability or the amount of its liability to the Indemnified Party under Section 9.2 and whether the Indemnifying Party desires, at its sole cost and expense, to defend the Indemnified Party against such Third Party Claim.

(i) If the Indemnifying Party notifies the Indemnified Party within the Dispute Period that the Indemnifying Party desires to defend the Indemnified Party with respect to the Third Party Claim pursuant to this Section 9.3(a), then the Indemnifying Party shall have the right to defend, with counsel reasonably satisfactory to the Indemnified Party, at the sole cost and expense of the Indemnifying Party, such Third Party Claim by all appropriate proceedings, which proceedings shall be vigorously and diligently prosecuted by the Indemnifying Party to a final conclusion or will be settled at the discretion of the Indemnifying Party (but only with the consent of the Indemnified Party in the case of any settlement that provides for any relief other than the payment of monetary damages or that provides for the payment of monetary damages as to which the Indemnified Party shall not be indemnified in full pursuant to Section 9.2). The Indemnifying Party shall have full control of such defense and proceedings, including any compromise or settlement thereof; provided, however, that the Indemnified Party may, at the sole cost and expense of the Indemnified Party, at any time prior to the Indemnifying Party's delivery of the notice referred to in the first sentence of this clause (i), file any motion, answer or other pleadings or take any other action that the Indemnified Party reasonably believes to be necessary or appropriate to protect its interests; and provided, further, that if requested by the Indemnifying Party, the Indemnified Party will, at the sole cost and expense of the Indemnifying Party, provide reasonable cooperation to the Indemnifying Party in contesting any Third Party Claim that the Indemnifying Party elects to contest. The Indemnified Party may participate in, but not control, any defense or settlement of any Third Party Claim controlled by the Indemnifying Party pursuant to this clause (i), and except as provided in the preceding sentence, the Indemnified Party shall bear its own costs and expenses with respect to such participation. Notwithstanding the foregoing, the Indemnified Party may takeover the control of the defense or settlement of a Third Party Claim at any time if it irrevocably waives its right to indemnity under Section 9.2 with respect to such Third Party Claim.

(ii) If the Indemnifying Party fails to notify the Indemnified Party within the Dispute Period that the Indemnifying Party desires to defend the Third Party Claim pursuant to Section 9.3(a), or if the Indemnifying Party gives such notice but fails to prosecute vigorously and diligently or settle the Third Party Claim, or if the Indemnifying Party fails to give any notice whatsoever within the Dispute Period, then the Indemnified Party shall have the right to defend, at the sole cost and expense of the Indemnifying Party, the Third Party Claim by all appropriate proceedings, which proceedings shall be prosecuted by the Indemnified Party in a reasonable manner and in good faith or will be settled at the discretion of the Indemnified Party (with the consent of the Indemnifying Party, which consent will not be unreasonably withheld). The Indemnified Party will have full control of such defense and proceedings, including any compromise or settlement thereof; provided, however, that if requested by the Indemnified Party, the Indemnifying Party will, at the sole cost and expense of the Indemnifying Party, provide reasonable cooperation to the Indemnified Party and its counsel in contesting any Third Party Claim which the Indemnified Party is contesting. Notwithstanding the foregoing provisions of this clause (ii), if the Indemnifying Party has notified the Indemnified Party within the Dispute Period that the Indemnifying Party disputes its liability or the amount of its liability hereunder to the Indemnified Party with respect to such Third Party Claim and if such dispute is resolved in favor of the Indemnifying Party in the manner provided in clause (iii) below, the Indemnifying Party will not be required to bear the costs and expenses of the Indemnified Party's defense pursuant to this clause (ii) or of the Indemnifying Party's participation therein at the Indemnified Party's request, and the Indemnified Party shall reimburse the Indemnifying Party in full for all reasonable costs and expenses incurred by the Indemnifying Party in connection with such litigation. The Indemnifying Party may participate in, but not control, any defense or settlement controlled by the Indemnified Party pursuant to this clause (ii), and the Indemnifying Party shall bear its own costs and expenses with respect to such participation.

(iii) If the Indemnifying Party notifies the Indemnified Party that it does not dispute its liability or the amount of its liability to the Indemnified Party with respect to the Third Party Claim under Section 9.2 or fails to notify the Indemnified Party within the Dispute Period whether the Indemnifying Party disputes its liability or the amount of its liability to the Indemnified Party with respect to such Third Party Claim, the amount of Damages specified in the Claim Notice shall be conclusively deemed a liability of the Indemnifying Party under Section 9.2 and the Indemnifying Party shall pay the amount of such Damages to the Indemnified Party on demand. If the Indemnifying Party has timely disputed its liability or the amount of its liability with respect to such claim, the Indemnifying Party and the Indemnified Party shall proceed in good faith to negotiate a resolution of such dispute; provided, however, that if the dispute is not resolved within thirty (30) days after the Claim Notice, the Indemnifying Party shall be entitled to institute such legal action as it deems appropriate.

(b) In the event any Indemnified Party should have a claim under Section 9.2 against the Indemnifying Party that does not involve a Third Party Claim, the Indemnified Party shall deliver a written notification of a claim for indemnity under Section 9.2 specifying the nature of and basis for such claim, together with the amount or, if not then reasonably ascertainable, the estimated amount, determined in good faith, of such claim (an "Indemnity Notice") with reasonable promptness to the Indemnifying Party. The failure by any Indemnified Party to give the Indemnity Notice shall not impair such party's rights hereunder except to the extent that the Indemnifying Party demonstrates that it has been irreparably prejudiced thereby. If the Indemnifying Party notifies the Indemnified Party that it does not dispute the claim or the amount of the claim described in such Indemnity Notice or fails to notify the Indemnified Party within the Dispute Period whether the Indemnifying Party disputes the claim or the amount of the claim described in such Indemnity Notice, the amount of Damages specified in the Indemnity Notice will be conclusively deemed a liability of the Indemnifying Party under Section 9.2 and the Indemnifying Party shall pay the amount of such Damages to the Indemnified Party on demand. If the Indemnifying Party has timely disputed its liability or the amount of its liability with respect to such claim, the Indemnifying Party and the Indemnified Party shall proceed in good faith to negotiate a resolution of such dispute; provided, however, that if the dispute is not resolved within thirty (30) days after the Claim Notice, the Indemnifying Party shall be entitled to institute such legal action as it deems appropriate.

(c) The Indemnifying Party agrees to pay the Indemnified Party, promptly as such expenses are incurred and are due and payable, for any reasonable legal fees or other reasonable expenses incurred by them in connection with investigating or defending any such Claim.

(d) The indemnity provisions contained herein shall be in addition to (i) any cause of action or similar rights of the Indemnified Party against the Indemnifying Party or others, and (ii) any liabilities the Indemnifying Party may be subject to.

ARTICLE X MISCELLANEOUS

Section 10.1 GOVERNING LAW: JURISDICTION. This Agreement shall be governed by and interpreted in accordance with the laws of the State of Delaware without regard to the principles of conflicts of law. Each of the Company and the Investor hereby submits to the exclusive jurisdiction of the United States federal and state courts located in the State of Florida, County of Miami-Dade, with respect to any dispute arising under the Transaction Documents or the transactions contemplated thereby.

Section 10.2 PAYMENT SET ASIDE. Further, to the extent that the (i) Company makes a payment or payments to the Investor pursuant to this Agreement or any other agreement, certificate, instrument or document contemplated hereby or thereby, or (ii) the Investor enforces or exercises its rights pursuant to this Agreement or any other agreement, certificate, instrument or document contemplated hereby or thereby, and such payment or payments or the proceeds of such enforcement or exercise or any part thereof (including but not limited to the sale of the Securities) are for any reason (i) subsequently invalidated, declared to be fraudulent or preferential, set aside, recovered from, or disgorged by the Investor, or (ii) are required to be refunded, repaid or otherwise restored to the Company, a trustee, receiver, government entity, or any other person or entity under any law (including, without limitation, any bankruptcy law, foreign, state or federal law, common law or equitable cause of action), then (i) to the extent of any such restoration the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such enforcement or setoff had not occurred and (ii) the Company shall immediately pay to the Investor a dollar amount equal to the amount that was for any reason (i) subsequently invalidated, declared to be fraudulent or preferential, set aside, recovered from, or disgorged by the Investor, or (ii) required to be refunded, repaid or otherwise restored to the Company, a trustee, receiver, government entity, or any other person or entity under any law (including, without limitation, any bankruptcy law, foreign, state or federal law, common law or equitable cause of action).

Section 10.3 ASSIGNMENT. This Agreement shall be binding upon and inure to the benefit of the Company and the Investor and their respective successors. Neither this Agreement nor any rights of the Investor or the Company hereunder may be assigned by either party to any other Person.

Section 10.4 NO THIRD PARTY BENEFICIARIES. This Agreement is intended for the benefit of the Company and the Investor and their respective successors, and is not for the benefit of, nor may any provision hereof be enforced by, any other Person, except as set forth in Section 9.3.

Section 10.5 TERMINATION. The Company may terminate this Agreement at any time by written notice to the Investor, except during any Valuation Period or at any time that the Investor holds any of the Put Shares. In addition, this Agreement shall automatically terminate at the end of the Commitment Period. Notwithstanding anything in this Agreement to the contrary, (i) the provisions of Articles III, IV, VI, IX of this Agreement and the agreements and covenants of the Company and the Investor set forth in

Article X of this Agreement shall survive the termination of this Agreement and (ii) the Investor shall retain all rights to the Commitment Shares even if this Agreement is terminated.

Section 10.6 ENTIRE AGREEMENT. The Transaction Documents, together with the exhibits and schedules thereto, contain the entire understanding of the Company and the Investor with respect to the matters covered herein and therein and supersede all prior agreements and understandings, oral or written, with respect to such matters, which the Parties acknowledge have been merged into such documents, exhibits and schedules.

Section 10.7 FEES AND EXPENSES. Except as expressly set forth in the Transaction Documents or any other writing to the contrary, each party shall pay the fees and expenses of its advisers, counsel, accountants and other experts, if any, and all other expenses incurred by such party incident to the negotiation, preparation, execution, delivery and performance of this Agreement. The Company shall pay all Transfer Agent fees (including, without limitation, any fees required for same-day processing of any instruction letter delivered by the Company), stamp taxes and other taxes and duties levied in connection with the delivery of any Securities to the Investor. Upon execution of this Agreement, the Company shall issue the Commitment Shares to Investments for its commitment to enter into this Agreement. The Commitment Shares shall be earned in full upon the execution of this Agreement, and the Commitment Shares are not contingent upon any other event or condition, including but not limited to the effectiveness of the Registration Statement or the Company's submission of a Put Notice to the Investor.

Section 10.8 COUNTERPARTS. This Agreement may be executed in multiple counterparts, each of which may be executed by less than all of the Parties and shall be deemed to be an original instrument which shall be enforceable against the Parties actually executing such counterparts and all of which together shall constitute one and the same instrument. This Agreement may be delivered to the other Parties hereto by email of a copy of this Agreement bearing the signature of the Parties so delivering this Agreement.

Section 10.9 SEVERABILITY. In the event that any provision of this Agreement becomes or is declared by a court of competent jurisdiction to be illegal, unenforceable or void, this Agreement shall continue in full force and effect without said provision; provided that such severability shall be ineffective if it materially changes the economic benefit of this Agreement to any party.

Section 10.10 FURTHER ASSURANCES. Each party shall do and perform, or cause to be done and performed, all such further acts and things, and shall execute and deliver all such other agreements, certificates, instruments and documents, as the other party may reasonably request in order to carry out the intent and accomplish the purposes of this Agreement and the consummation of the transactions contemplated hereby.

Section 10.11 NO STRICT CONSTRUCTION. The language used in this Agreement will be deemed to be the language chosen by the Parties to express their mutual intent, and no rules of strict construction will be applied against any party.

19

Section 10.12 EQUITABLE RELIEF. The Company recognizes that in the event that it fails to perform, observe, or discharge any or all of its obligations under this Agreement, any remedy at law may prove to be inadequate relief to the Investor. The Company therefore agrees that the Investor shall be entitled to temporary and permanent injunctive relief in any such case without the necessity of proving actual damages.

Section 10.13 TITLE AND SUBTITLES. The titles and subtitles used in this Agreement are used for the convenience of reference and are not to be considered in construing or interpreting this Agreement.

Section 10.14 AMENDMENTS; WAIVERS. No provision of this Agreement may be amended or waived by the Parties from and after the date that is one (1) Trading Day immediately preceding the initial filing of the Registration Statement with the SEC. Subject to the immediately preceding sentence, (i) no provision of this Agreement may be amended other than by a written instrument signed by both Parties hereto and (ii) no provision of this Agreement may be waived other than in a written instrument signed by the party against whom enforcement of such waiver is sought. No failure or delay in the exercise of any power, right or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other right, power or privilege.

Section 10.15 PUBLICITY. The Company and the Investor shall consult with each other in issuing any press releases or otherwise making public statements with respect to the transactions contemplated hereby and no party shall issue any such press release or otherwise make any such public statement, other than as required by law, without the prior written consent of the other Parties, which consent shall not be unreasonably withheld or delayed, except that no prior consent shall be required if such disclosure is required by law, in which such case the disclosing party shall provide the other party with prior notice of such public statement. Notwithstanding the foregoing, the Company shall not publicly disclose the name of the Investor without the prior written consent of the Investor, except to the extent required by law. The Investor acknowledges that this Agreement and all or part of the Transaction Documents may be deemed to be "material contracts," as that term is defined by Item 601(b)(10) of Regulation S-K, and that the Company may therefore be required to file such documents as exhibits to reports or registration statements filed under the Securities Act or the Exchange Act. The Investor further agrees that the status of such documents and materials as material contracts shall be determined solely by the Company, in consultation with its counsel.

REGISTRATION RIGHTS AGREEMENT

This **REGISTRATION RIGHTS AGREEMENT** (this “**Agreement**”), dated as of February 7, 2023, is entered into by and between **SAFE & GREEN HOLDINGS CORP.**, a Delaware corporation (the “**Company**”), and **PEAK ONE OPPORTUNITY FUND, L.P.**, a Delaware limited partnership (together with its permitted assigns, the “**Investor**”). Capitalized terms used herein and not otherwise defined herein shall have the respective meanings set forth in the equity purchase agreement by and between the parties hereto, dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the “**Purchase Agreement**”).

WHEREAS:

The Company has agreed, upon the terms and subject to the conditions of the Purchase Agreement, to sell to the Investor up to Ten Million Dollars (\$10,000,000.00) of Put Shares (as defined in the Purchase Agreement) and to induce the Investor to enter into the Purchase Agreement, the Company has agreed to provide certain registration rights under the Securities Act of 1933, as amended, and the rules and regulations thereunder, or any similar successor statute (collectively, the “**Securities Act**”), and applicable state securities laws.

NOW, THEREFORE, in consideration of the promises and the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Company and the Investor hereby agree as follows:

1. DEFINITIONS.

As used in this Agreement, the following terms shall have the following meanings:

- a. “**Investor**” shall have the meaning set forth above.
- b. “**Person**” means any individual or entity including but not limited to any corporation, a limited liability company, an association, a partnership, an organization, a business, an individual, a governmental or political subdivision thereof or a governmental agency.
- c. “**Register**,” “**registered**,” and “**registration**” refer to a registration effected by preparing and filing one or more registration statements of the Company in compliance with the Securities Act and/or pursuant to Rule 415 under the Securities Act or any successor rule providing for offering securities on a continuous basis (“**Rule 415**”), and the declaration or ordering of effectiveness of such registration statement(s) by the United States Securities and Exchange Commission (the “**SEC**”).
- d. “**Registrable Securities**” means all of the Put Shares which have been, or which may, from time to time be issued, including without limitation all of the shares of Common Stock which have been issued or will be issued to the Investor under the Purchase Agreement (without regard to any limitation or restriction on purchases), and any and all shares of capital stock issued or issuable with respect to the Put Shares, 75,000 shares of Common Stock (which shall be issued to Peak One Investments, LLC (“**Investments**”)) pursuant to the Purchase Agreement (the “**Commitment Shares**”), and shares of Common Stock issued to the Investor and Investments as a result of any stock split, stock dividend, recapitalization, exchange or similar event or otherwise, without regard to any limitation on purchases under the Purchase Agreement.
- e. “**Registration Statement**” means one or more registration statements of the Company covering only the sale of the Registrable Securities.

2. REGISTRATION.

a. **Mandatory Registration.** The Company shall, within sixty (60) calendar days from the date of this Agreement, file with the SEC an initial Registration Statement covering the maximum number of Registrable Securities (beginning with the Commitment Shares with respect to Investments) as shall be permitted to be included thereon in accordance with applicable SEC rules, regulations and interpretations so as to permit the resale of such Registrable Securities by the Investor, including but not limited to under Rule 415 under the Securities Act at then prevailing market prices (and not fixed prices), subject to the aggregate number of authorized shares of the Company’s Common Stock then available for issuance in its Certificate of Incorporation. The initial Registration Statement shall register only the Registrable Securities. The Investor and its counsel shall have a reasonable opportunity to review and comment upon such Registration Statement and any amendment or supplement to such Registration Statement and any related prospectus prior to its filing with the SEC, and the Company shall give due consideration to all reasonable comments. The Investor shall furnish all information reasonably requested by the Company for inclusion therein. The Company shall use its reasonable best efforts to have the Registration Statement declared effective by the SEC within one hundred twenty (120) calendar days from the date hereof, and any amendment declared effective by the SEC at the earliest possible date. The Company shall use reasonable best efforts to keep the Registration Statement effective, including but not limited to pursuant to Rule 415 promulgated under the Securities Act and available for the resale by the Investor of all of the Registrable Securities covered thereby at all times until the earlier of (i) the date as of which the Investor may sell all of the Registrable Securities without restriction pursuant to Rule 144 promulgated under the Securities Act and (ii) the date on which the Investor shall have sold all the Registrable Securities covered thereby (the “**Registration Period**”). The Registration Statement (including any amendments or supplements thereto and prospectuses contained therein) shall not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein, or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading. In the event that (i) the Registration Statement or New Registration Statement (as defined below) becomes stale after the initial effectiveness of such Registration Statement or New Registration Statement and (ii) the Investor still has ownership of any of the Registrable Securities that the Investor cannot then sell without restriction pursuant to Rule 144 promulgated under the Securities Act, the Company shall immediately file one or more post-effective amendments to facilitate the SEC’s declaration of effectiveness with respect to such Registration Statement or New Registration Statement.

b. **Rule 424 Prospectus.** The Company shall, as required by applicable securities regulations, from time to time file with the SEC, pursuant to Rule 424 promulgated under the Securities Act, the prospectus and prospectus supplements, if any, to be used in connection with sales of the Registrable Securities under the Registration Statement. The Company shall file such initial prospectus covering the Investor’s sale of the Registrable Securities within three (3) business days of the date that the Registration Statement is declared effective by the SEC. The Investor and its counsel shall have a reasonable opportunity to review and comment upon such prospectus prior to its filing with the SEC, and the Company shall give due consideration to all such comments. The Investor shall use its reasonable best efforts to comment upon such prospectus within one (1) Business Day from the date the Investor receives the final pre-filing version of such prospectus.

c. **Sufficient Number of Shares Registered.** In the event the number of shares available under the Registration Statement is insufficient to cover all of the Registrable Securities, the Company shall not be entitled to put to the Investor any Put Shares not covered by the Registration Statement until it amends the Registration Statement or files a new Registration Statement (a “**New Registration Statement**”), so as to cover all of such Registrable Securities (subject to the limitations set forth in Section 2(a)) as soon as practicable, but in any event not later than ten (10) Business Days after the necessity therefor arises, subject to any limits that may be imposed by the SEC pursuant to Rule 415 under the Securities Act. The Company shall use its reasonable efforts to cause such amendment and/or New Registration Statement to become effective as soon as practicable following the filing thereof. In the event that any of the Put Shares or Commitment Shares are not included in the Registration Statement, or have not been included in any New Registration Statement and the Company files any other registration statement under the Securities Act (other than on Form S-4, Form S-8, or with respect to other employee related plans or rights offerings) (“**Other Registration Statement**”) then the Company shall include in such Other Registration Statement first all of such Commitment Shares that have not been previously registered, second all of such Put Shares that not have been previously registered, and third any other securities the Company wishes to include in such Other Registration Statement. The Company agrees that it shall not file any such Other Registration Statement unless all of the Registrable Securities have been included in such Other Registration Statement or otherwise have been registered for resale as described above.

d. Offering. If the staff of the SEC (the “Staff”) or the SEC seeks to characterize any offering pursuant to a Registration Statement filed pursuant to this Agreement as constituting an offering of securities that does not permit such Registration Statement to become effective and be used for resales by the Investor under Rule 415 at then-prevailing market prices (and not fixed prices), or if after the filing of the initial Registration Statement with the SEC pursuant to Section 2(a), the Company is otherwise required by the Staff or the SEC to reduce the number of Registrable Securities included in such initial Registration Statement, then the Company shall reduce the number of Registrable Securities to be included in such initial Registration Statement (with the prior consent, which shall not be unreasonably withheld, of the Investor and its legal counsel as to the specific Registrable Securities to be removed therefrom) until such time as the Staff and the SEC shall so permit such Registration Statement to become effective and be used as aforesaid. In the event of any reduction in Registrable Securities pursuant to this paragraph, the Company shall file one or more New Registration Statements in accordance with Section 2(c) until such time as all Registrable Securities have been included in Registration Statements that have been declared effective and the prospectus contained therein is available for use by the Investor. Notwithstanding any provision herein or in the Purchase Agreement to the contrary, the Company’s obligations to register Registrable Securities (and any related conditions to the Investor’s obligations) shall be qualified as necessary to comport with any requirement of the SEC or the Staff as addressed in this Section 2(d).

3. RELATED OBLIGATIONS.

With respect to the Registration Statement and whenever any Registrable Securities are to be registered pursuant to Section 2 including on any New Registration Statement, the Company shall use its reasonable best efforts to effect the registration of the Registrable Securities in accordance with the intended method of disposition thereof and, pursuant thereto, the Company shall have the following obligations:

a. The Company shall prepare and file with the SEC such amendments (including post-effective amendments) and supplements to any registration statement and the prospectus used in connection with such registration statement, which prospectus is to be filed pursuant to Rule 424 promulgated under the Securities Act, as may be necessary to keep the Registration Statement or any New Registration Statement effective at all times during the Registration Period, and, during such period, comply with the provisions of the Securities Act with respect to the disposition of all Registrable Securities of the Company covered by the Registration Statement or any New Registration Statement until such time as all of such Registrable Securities shall have been disposed of in accordance with the intended methods of disposition by the seller or sellers thereof as set forth in such registration statement.

b. The Company shall permit the Investor to review and comment upon the Registration Statement or any New Registration Statement and all amendments and supplements thereto at least two (2) Business Days prior to their filing with the SEC, and not file any document in a form to which Investor reasonably objects. The Investor shall use its reasonable best efforts to comment upon the Registration Statement or any New Registration Statement and any amendments or supplements thereto within two (2) Business Days from the date the Investor receives the final version thereof. The Company shall furnish to the Investor, without charge any correspondence from the SEC or the staff of the SEC to the Company or its representatives relating to the Registration Statement or any New Registration Statement.

c. Upon request of the Investor, the Company shall furnish to the Investor, (i) promptly after the same is prepared and filed with the SEC, at least one copy of such registration statement and any amendment(s) thereto, including financial statements and schedules, all documents incorporated therein by reference and all exhibits, (ii) upon the effectiveness of any registration statement, a copy of the prospectus included in such registration statement and all amendments and supplements thereto (or such other number of copies as the Investor may reasonably request) and (iii) such other documents, including copies of any preliminary or final prospectus, as the Investor may reasonably request from time to time in order to facilitate the disposition of the Registrable Securities owned by the Investor. For the avoidance of doubt, any filing available to the Investor via the SEC’s live EDGAR system shall be deemed “furnished to the Investor” hereunder.

d. The Company shall use reasonable best efforts to (i) register and qualify the Registrable Securities covered by a registration statement under such other securities or “blue sky” laws of such jurisdictions in the United States as the Investor reasonably requests, (ii) prepare and file in those jurisdictions, such amendments (including post-effective amendments) and supplements to such registrations and qualifications as may be necessary to maintain the effectiveness thereof during the Registration Period, (iii) take such other actions as may be necessary to maintain such registrations and qualifications in effect at all times during the Registration Period, and (iv) take all other actions reasonably necessary or advisable to qualify the Registrable Securities for sale in such jurisdictions; provided, however, that the Company shall not be required in connection therewith or as a condition thereto to (x) qualify to do business in any jurisdiction where it would not otherwise be required to qualify but for this Section 3(d), (y) subject itself to general taxation in any such jurisdiction, or (z) file a general consent to service of process in any such jurisdiction. The Company shall promptly notify the Investor who holds Registrable Securities of the receipt by the Company of any notification with respect to the suspension of the registration or qualification of any of the Registrable Securities for sale under the securities or “blue sky” laws of any jurisdiction in the United States or its receipt of actual notice of the initiation or threatening of any proceeding for such purpose.

e. As promptly as practicable after becoming aware of such event or facts, the Company shall notify the Investor in writing of the happening of any event or existence of such facts as a result of which the prospectus included in any registration statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and promptly prepare a supplement or amendment to such registration statement and/or take any other necessary steps (which, if in accordance with applicable SEC rules and regulations, may consist of a document to be filed by the Company with the SEC pursuant to Section 13(a), 13(c), 14 or 15(d) of the Exchange Act and to be incorporated by reference in the prospectus) to correct such untrue statement or omission, and deliver a copy of such supplement or amendment to the Investor (or such other number of copies as the Investor may reasonably request). The Company shall also promptly notify the Investor in writing (i) when a prospectus or any prospectus supplement or post-effective amendment has been filed, and when a registration statement or any post-effective amendment has become effective (notification of such effectiveness shall be delivered to the Investor by email on the same day of such effectiveness and by overnight mail), (ii) of any request by the SEC for amendments or supplements to any registration statement or related prospectus or related information, and (iii) of the Company’s reasonable determination that a post-effective amendment to a registration statement would be appropriate.

f. The Company shall use its reasonable best efforts to prevent the issuance of any stop order or other suspension of effectiveness of any registration statement, or the suspension of the qualification of any Registrable Securities for sale in any jurisdiction and, if such an order or suspension is issued, to obtain the withdrawal of such order or suspension at the earliest possible moment and to notify the Investor of the issuance of such order and the resolution thereof or its receipt of actual notice of the initiation or threat of any proceeding for such purpose.

g. The Company shall (i) cause all the Registrable Securities to be listed on each securities exchange on which securities of the same class or series issued by the Company are then listed, if any, if the listing of such Registrable Securities is then permitted under the rules of such exchange, or (ii) secure designation and quotation of all the Registrable Securities on the Principal Market (as defined in the Purchase Agreement). The Company shall pay all fees and expenses in connection with satisfying its obligation under this Section.

h. The Company shall cooperate with the Investor to facilitate the timely preparation and delivery of the Registrable Securities (not bearing any restrictive legend) either by DWAC, DRS, or in certificated form if DWAC or DRS is unavailable, to be offered pursuant to any registration statement and enable such Registrable Securities to be in such denominations or amounts as the Investor may reasonably request and registered in such names as the Investor may request.

i. The Company shall at all times provide a transfer agent and registrar with respect to its Common Stock.

j. If reasonably requested by the Investor, the Company shall (i) immediately incorporate in a prospectus supplement or post-effective amendment such information as the Investor believes should be included therein relating to the sale and distribution of Registrable Securities, including, without limitation, information with respect to the number of Registrable Securities being sold, the purchase price being paid therefor and any other terms of the offering of the Registrable Securities; (ii) make all required filings of such prospectus supplement or post-effective amendment as soon as practicable upon notification of the matters to be incorporated in such prospectus supplement or post-effective amendment; and (iii) supplement or make amendments to any registration statement.

k. The Company shall use its reasonable best efforts to cause the Registrable Securities covered by any registration statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to consummate the disposition of such Registrable Securities.

l. Within one (1) Business Day after any registration statement which includes the Registrable Securities is ordered effective by the SEC, the Company shall deliver, and shall cause legal counsel for the Company to deliver, to the transfer agent for such Registrable Securities (with copies to the Investor) confirmation that such registration statement has been declared effective by the SEC in the form attached hereto as Exhibit A. Thereafter, if requested by the Investor at any time, the Company shall require its counsel to deliver to the Investor a written confirmation whether or not the effectiveness of such registration statement has lapsed at any time for any reason (including, without limitation, the issuance of a stop order) and whether or not the registration statement is current and available to the Investor for sale of all of the Registrable Securities.

m. The Company shall take all other reasonable actions necessary to expedite and facilitate disposition by the Investor of Registrable Securities pursuant to any registration statement.

4. OBLIGATIONS OF THE INVESTOR

a. The Company shall notify the Investor in writing of the information the Company reasonably requires from the Investor in connection with any registration statement hereunder. The Investor shall furnish to the Company such information regarding itself, the Registrable Securities held by it and the intended method of disposition of the Registrable Securities held by it as shall be reasonably required to effect the registration of such Registrable Securities and shall execute such documents in connection with such registration as the Company may reasonably request.

b. The Investor agrees to cooperate with the Company as reasonably requested by the Company in connection with the preparation and filing of any registration statement hereunder.

c. The Investor agrees that, upon receipt of any notice from the Company of the happening of any event or existence of facts of the kind described in Section 3(f) or the first sentence of 3(e), the Investor will immediately discontinue disposition of Registrable Securities pursuant to any registration statement(s) covering such Registrable Securities until the Investor's receipt of the copies of the supplemented or amended prospectus contemplated by Section 3(f) or the first sentence of 3(e). Notwithstanding anything to the contrary, the Company shall cause its transfer agent to promptly deliver shares of Common Stock without any restrictive legend in accordance with the terms of the Purchase Agreement in connection with any sale of Registrable Securities with respect to which the Investor has entered into a contract for sale prior to the Investor's receipt of a notice from the Company of the happening of any event of the kind described in Section 3(f) or the first sentence of Section 3(e) and for which the Investor has not yet settled.

5. EXPENSES OF REGISTRATION

All reasonable expenses, other than sales or brokerage commissions, incurred in connection with registrations, filings or qualifications pursuant to Sections 2 and 3, including, without limitation, all registration, listing and qualifications fees, printers and accounting fees, and fees and disbursements of counsel for the Company, shall be paid by the Company.

6. INDEMNIFICATION

a. To the fullest extent permitted by law, the Company will, and hereby does, indemnify, hold harmless and defend the Investor, each Person, if any, who controls the Investor, the members, the directors, officers, partners, employees, agents, representatives of the Investor and each Person, if any, who controls the Investor within the meaning of the Securities Act or the Securities Exchange Act of 1934, as amended (the "Exchange Act") (each, an "Indemnified Person"), against any losses, claims, damages, liabilities, judgments, fines, penalties, charges, costs, attorneys' fees, amounts paid in settlement or expenses, joint or several, (collectively, "Claims") incurred in investigating, preparing or defending any action, claim, suit, inquiry, proceeding, investigation or appeal taken from the foregoing by or before any court or governmental, administrative or other regulatory agency, body or the SEC, whether pending or threatened, whether or not an indemnified party is or may be a party thereto ("Indemnified Damages"), to which any of them may become subject insofar as such Claims (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based upon: (i) any untrue statement or alleged untrue statement of a material fact in the Registration Statement, any New Registration Statement or any post-effective amendment thereto or in any filing made in connection with the qualification of the offering under the securities or other "blue sky" laws of any jurisdiction in which Registrable Securities are offered ("Blue Sky Filing"), or the omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, (ii) any untrue statement or alleged untrue statement of a material fact contained in the final prospectus (as amended or supplemented, if the Company files any amendment thereof or supplement thereto with the SEC) or the omission or alleged omission to state therein any material fact necessary to make the statements made therein, in light of the circumstances under which the statements therein were made, not misleading, (iii) any violation or alleged violation by the Company of the Securities Act, the Exchange Act, any other law, including, without limitation, any state securities law, or any rule or regulation thereunder relating to the offer or sale of the Registrable Securities pursuant to the Registration Statement or any New Registration Statement or (iv) any material violation by the Company of this Agreement (the matters in the foregoing clauses (i) through (iv) being, collectively, "Violations"). The Company shall reimburse each Indemnified Person promptly as such expenses are incurred and are due and payable, for any reasonable legal fees or other reasonable expenses incurred by them in connection with investigating or defending any such Claim. Notwithstanding anything to the contrary contained herein, the indemnification agreement contained in this Section 6(a): (i) shall not apply to a Claim by an Indemnified Person arising out of or based upon a Violation which occurs in reliance upon and in conformity with information about the Investor furnished in writing to the Company by such Indemnified Person expressly for use in connection with the preparation of the Registration Statement, any New Registration Statement or any such amendment thereof or supplement thereto, if such prospectus was timely made available by the Company pursuant to Section 3(c) or Section 3(e); (ii) with respect to any superseded prospectus, shall not inure to the benefit of any such person from whom the person asserting any such Claim purchased the Registrable Securities that are the subject thereof (or to the benefit of any person controlling such person) if the untrue statement or omission of material fact contained in the superseded prospectus was corrected in the revised prospectus, as then amended or supplemented, if such revised prospectus was timely made available by the Company pursuant to Section 3(c) or Section 3(e), and the Indemnified Person was promptly advised in writing not to use the incorrect prospectus prior to the use giving rise to a violation and such Indemnified Person, notwithstanding such advice, used it; (iii) shall not be available to the extent such Claim is based on a failure of the Investor to deliver or to cause to be delivered the prospectus made available by the Company, if such prospectus was timely made available by the Company pursuant to Section 3(c) or Section 3(e); and (iv) shall not apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of the Company, which consent shall not be unreasonably withheld. Such indemnity shall remain in full force and effect regardless of any investigation made by or on

b. Promptly after receipt by an Indemnified Person or Indemnified Party under this Section 6 of notice of the commencement of any action or proceeding (including any governmental action or proceeding) involving a Claim, such Indemnified Person or Indemnified Party shall, if a Claim in respect thereof is to be made against any indemnifying party under this Section 6, deliver to the indemnifying party a written notice of the commencement thereof, and the indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume control of the defense thereof with counsel mutually satisfactory to the indemnifying party and the Indemnified Person or the Indemnified Party, as the case may be; provided, however, that an Indemnified Person or Indemnified Party shall have the right to retain its own counsel with the fees and expenses to be paid by the indemnifying party, if, in the reasonable opinion of counsel retained by the indemnifying party, the representation by such counsel of the Indemnified Person or Indemnified Party and the indemnifying party would be inappropriate due to actual or potential differing interests between such Indemnified Person or Indemnified Party and any other party represented by such counsel in such proceeding. The Indemnified Party or Indemnified Person shall cooperate fully with the indemnifying party in connection with any negotiation or defense of any such action or claim by the indemnifying party and shall furnish to the indemnifying party all information reasonably available to the Indemnified Party or Indemnified Person which relates to such action or claim. The indemnifying party shall keep the Indemnified Party or Indemnified Person fully apprised at all times as to the status of the defense or any settlement negotiations with respect thereto. No indemnifying party shall be liable for any settlement of any action, claim or proceeding effected without its written consent, provided, however, that the indemnifying party shall not unreasonably withhold, delay or condition its consent. No indemnifying party shall, without the consent of the Indemnified Party or Indemnified Person, consent to entry of any judgment or enter into any settlement or other compromise which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Party or Indemnified Person of a release from all liability in respect to such claim or litigation. Following indemnification as provided for hereunder, the indemnifying party shall be subrogated to all rights of the Indemnified Party or Indemnified Person with respect to all third parties, firms or corporations relating to the matter for which indemnification has been made. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such action shall not relieve such indemnifying party of any liability to the Indemnified Person or Indemnified Party under this Section 6, except to the extent that the indemnifying party is prejudiced in its ability to defend such action.

c. The indemnification required by this Section 6 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received or Indemnified Damages are incurred.

d. The indemnity agreements contained herein shall be in addition to (i) any cause of action or similar right of the Indemnified Party or Indemnified Person against the indemnifying party or others, and (ii) any liabilities the indemnifying party may be subject to pursuant to the law.

7. CONTRIBUTION.

To the extent any indemnification by an indemnifying party is prohibited or limited by law, the indemnifying party agrees to make the maximum contribution with respect to any amounts for which it would otherwise be liable under Section 6 to the fullest extent permitted by law; provided, however, that: (i) no seller of Registrable Securities guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any seller of Registrable Securities who was not guilty of fraudulent misrepresentation; and (ii) contribution by any seller of Registrable Securities shall be limited in amount to the net amount of proceeds received by such seller from the sale of such Registrable Securities.

8. REPORTS AND DISCLOSURE UNDER THE SECURITIES ACTS

With a view to making available to the Investor the benefits of Rule 144 promulgated under the Securities Act or any other similar rule or regulation of the SEC that may at any time permit the Investor to sell securities of the Company to the public without registration (“Rule 144”), at all times while the Purchase Agreement is in effect the Company agrees, at the Company’s sole expense, to:

a. make and keep public information available, as those terms are understood and defined in Rule 144;

b. file with the SEC in a timely manner all reports and other documents required of the Company under the Securities Act and the Exchange Act so long as the Company remains subject to such requirements and the filing of such reports and other documents is required for the applicable provisions of Rule 144;

c. furnish to the Investor so long as the Investor owns Registrable Securities, promptly upon request, (i) a written statement by the Company that it has complied with the reporting and or disclosure provisions of Rule 144, the Securities Act and the Exchange Act, (ii) a copy of the most recent annual or quarterly report of the Company and such other reports and documents so filed by the Company, and (iii) such other information as may be reasonably requested to permit the Investor to sell such securities pursuant to Rule 144 without registration; and

d. take such additional action as is requested by the Investor to enable the Investor to sell the Registrable Securities pursuant to Rule 144, including, without limitation, delivering all such legal opinions, consents, certificates, resolutions and instructions to the Company’s transfer agent as may be requested from time to time by the Investor and otherwise fully cooperate with Investor and Investor’s broker to effect such sale of securities pursuant to Rule 144.

The Company agrees that damages may be an inadequate remedy for any breach of the terms and provisions of this Section 8 and that Investor shall, whether or not it is pursuing any remedies at law, be entitled to equitable relief in the form of a preliminary or permanent injunctions, without having to post any bond or other security, upon any breach or threatened breach of any such terms or provisions.

9. ASSIGNMENT OF REGISTRATION RIGHTS.

Neither party shall assign this Agreement or any rights or obligations hereunder without the prior written consent of the other party.

10. AMENDMENT OF REGISTRATION RIGHTS.

No provision of this Agreement may be amended or waived by the parties from and after the date that is one Business Day immediately preceding the initial filing of the Registration Statement with the SEC. Subject to the immediately preceding sentence, no provision of this Agreement may be (i) amended other than by a written instrument signed by both parties hereto or (ii) waived other than in a written instrument signed by the party against whom enforcement of such waiver is sought. Failure of any party to exercise any right or remedy under this Agreement or otherwise, or delay by a party in exercising such right or remedy, shall not operate as a waiver thereof.

11. MISCELLANEOUS.

a. A Person is deemed to be a holder of Registrable Securities whenever such Person owns or is deemed to own of record such Registrable Securities. If the Company receives conflicting instructions, notices or elections from two or more Persons with respect to the same Registrable Securities, the Company shall act upon the basis of instructions, notice or election received from the registered owner of such Registrable Securities.

c. The corporate laws of the State of Delaware shall govern all issues concerning this Agreement. All other questions concerning the construction, validity, enforcement and interpretation of this Agreement shall be governed by the internal laws of the State of Delaware, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of Delaware or any other jurisdictions) that would cause the application of the laws of any jurisdictions other than the State of Delaware. Re: Effectiveness of Registration Statement

Ladies and Gentlemen:

We are counsel to **SAFE & GREEN HOLDINGS CORP.**, a Delaware corporation (the "Company"), and have represented the Company in connection with that certain Purchase Agreement, dated as of February 7, 2023 (the "Purchase Agreement"), entered into by and between the Company and Peak One Opportunity Fund, L.P. (the "Investor") pursuant to which the Company has agreed to issue to the Investor shares of the Company's Common Stock, \$0.01 par value (the "Common Stock"), in an amount up to Ten Million Dollars (\$10,000,000.00) (the "Put Shares"), in accordance with the terms of the Purchase Agreement. In connection with the transactions contemplated by the Purchase Agreement, the Company has registered with the U.S. Securities & Exchange Commission the following shares of Common Stock:

- (1) _____ Put Shares to be issued to the Investor upon purchase from the Company by the Investor from time to time in accordance with the Purchase Agreement; and
- (2) _____ Commitment Shares issued to the Investments pursuant to the Purchase Agreement.

Pursuant to the Purchase Agreement, the Company also has entered into a registration rights agreement, of even date with the Purchase Agreement with the Investor (the "Registration Rights Agreement") pursuant to which the Company agreed, among other things, to register the Put Shares and Commitment Shares under the Securities Act of 1933, as amended (the "Securities Act"). In connection with the Company's obligations under the Purchase Agreement and the Registration Rights Agreement, on [____], 2023, the Company filed a Registration Statement (File No. 333-[____]) (the "Registration Statement") with the Securities and Exchange Commission (the "SEC") relating to the resale of the Put Shares and the Commitment Shares.

In connection with the foregoing, we advise you that a member of the SEC's staff has advised us by telephone that the SEC has entered an order declaring the Registration Statement effective under the Securities Act at [____] [A.M./P.M.] on [____], 2023 and we have no knowledge, after telephonic inquiry of a member of the SEC's staff, that any stop order suspending its effectiveness has been issued or that any proceedings for that purpose are pending before, or threatened by, the SEC and the Put Shares and Commitment Shares are available for resale under the Securities Act pursuant to the Registration Statement and may be issued without any restrictive legend.

Very truly yours,
[Company Counsel]
