We were incorporated in the State of Delaware on December 29, 1993 under the name PC411, INC. On January 12, 1999, we changed our name to CDSI Holdings, Inc. On November 4, 2011, CDSI Merger Sub, Inc., our wholly owned subsidiary, completed a reverse merger with and into SG Building Blocks, Inc. ("SG Building"), with SG Building surviving the reverse merger as our wholly owned subsidiary. Also on November 4, 2011, we changed our name to SG Blocks, Inc. On December 16, 2022, we changed our name to Safe & Green Holdings Corp. In addition, on December 16, 2022, our then wholly-owned subsidiary, SGB Development Corp. changed our name to Safe and Green Development Corporation by filing a Certificate of Amendment to its Certificate of Incorporation with the Secretary of State of the State of Delaware. Prior to our emergence from bankruptcy in June 2016, our Common Stock was quoted on the OTC Bulletin Board. Our Common Stock is currently listed for trading on the Nasdaq Capital Market under the symbol "SGBX."

Our principal offices are located at 990 Biscayne Blvd., #501, Office 12, Miami, Florida 33132. Our website address is www.safeandgreenholdings.com. Business Overview

We operate in the following four segments: (i) manufacturing and construction services; (ii) medical; (iii) real estate development; and (iv) environmental. The manufacturing and construction segment designs and manufactures modular structures built in our factories using raw materials that are Made-in-America. In the medical segment we have previously used our modular technology to offer prefabricated health facilities for on-site immediate COVID-19 testing and plan to provide our modular technology to offer turnkey solutions to medical testing and treatment and generating revenue from medical testing. Our real estate development segment's current business focus is primarily on the direct acquisition and indirect investment in properties nationally that will be further developed in the future into green single or multi-family projects. The environmental segment, the newest segment, plans to offer a sustainable medical and waste management solution that will utilize a patented technology to collect waste and treat waste for safe disposal.

We are a provider of modular facilities ("Modules"). We currently provide Modules made out of both code-engineered cargo shipping containers and traditional construction using wood and steel framing for use as both permanent or temporary structures for residential housing use and commercial use. Prior to the COVID-19 pandemic, the Modules we supplied were primarily for retail, restaurant and military use and were manufactured by third party suppliers using our proprietary technology and design and engineering expertise, which modifies code-engineered cargo shipping containers and purpose-built modules for use for safe and sustainable commercial, industrial and residential building. In March 2020, in response to the COVID-19 pandemic we began increasing our focus on providing our Modules as health care facilities for deployable medical response solutions. In September 2020, we acquired substantially all the assets of Echo DCL, LLC, a Texas limited liability company ("Echo"), except for Echo's real estate holdings. Echo was a container/modular manufacturer based in Durant, Oklahoma specializing in the design and construction of permanent modular and temporary modular buildings and was one of our key supply chain partners. This acquisition allowed us to have more control over the manufacturing process and, as a result, we have increased our product offerings to add Modules made out of wood, steel and traditional construction materials.

During 2021, through our subsidiary, Safe and Green Development Corporation. ("SG DevCorp" or "SG Development") we also began to focus on acquiring property to build multi-family housing projects in underserved regions utilizing the manufacturing services of our subsidiary SG Echo, LLC ("SG Echo"). In March 2022, we formed SG Environmental Solutions Corp. ("SG Environmental") to focus on biomedical waste removal utilizing a patented technology that it licenses to shred and disinfect biomedical waste, rendering the waste disinfected, unrecognizable, and of no greater risk to the public health than residential household waste. In March 2023, we formed Safe and Green Medical Corporation

(“SG Medical”), to focus on providing our Modules as health care facilities with various clinics and labs that cater to the specific needs of local communities. To date, we have not generated revenue from SG DevCorp, SG Environmental or SG Medical.

Recent Developments

Reverse Stock Split

On May 2, 2024, we effected a 1-for-20 reverse stock split of our outstanding Common Stock (“Reverse Split”). As a result of the Reverse Split, each of our stockholders received one new share of Common Stock for every 20 shares such stockholder held immediately prior to the effective time of the Reverse Split. The Reverse Split affected all of our issued and outstanding shares of Common Stock equally. The Reverse Split also affected our outstanding stock options, warrants and other exercisable or convertible securities and resulted in the shares underlying such instruments being reduced and the exercise price being increased proportionately. No fractional shares were issued as a result of the Reverse Split. Any fractional shares that would have otherwise resulted from the Reverse Split was paid in cash, at an amount equal to the resulting fractional interest in one share of the Common Stock to which the stockholder would otherwise be entitled, multiplied by the closing trading price of our Common Stock on May 2, 2024. Except as indicated otherwise herein, the calculations based on outstanding Common Stock amounts after May 2, 2024 reflect the Reverse Split. Except where indicated otherwise therein, the documents incorporated by reference herein do not reflect the Reverse Split.

Nasdaq Continued Listing Rule Compliance

On April 19, 2024, we received a delinquency letter from the Nasdaq Stock Market LLC (“Nasdaq”) notifying us that we were not in compliance with the continued listing requirements set forth in Nasdaq Listing Rule 5250(c)(1) (“Rule 5250(c)(1)”), which requires timely filing of periodic reports with the SEC for continued listing. On May 13, 2024, we received a letter (the “May 13 Compliance Notice”) from Nasdaq notifying the Company that it was now in compliance with Rule 5250(c)(1). Based on the May 7, 2024 and May 10, 2024 filings of the Company’s Form 10-K and Form 10-K/A, respectively, for the year ended December 31, 2023, Nasdaq has determined that the Company has regained compliance with Rule 5250(c)(1), and this matter is now closed according to the May 13 Compliance Notice.

On May 10, 2024, we received a letter (the “Delisting Notice”) from Nasdaq notifying the Company that Nasdaq previously notified the Company on November 7, 2023 that the Company was not in compliance with Nasdaq Listing Rule 5550(a)(2) (“Rule 5550(a)(2)”), which requires a minimum bid price of at least \$1.00 per share for continued listing. On May 16, 2024, the Company received a letter (the “May 16 Compliance Notice”) from Nasdaq notifying the Company that it was now in compliance with Rule 5550(a)(2). Based on the Company’s closing bid price at or greater than \$1.00 per share for 10 consecutive business days, from May 2, 2024 to May 15, 2024, Nasdaq has determined that the Company has regained compliance with Rule 5550(a)(2), and this matter is now closed according to the May 16 Compliance Notice.

Nasdaq Deficiency Notice

On May 16, 2024, the Company received a letter (the “Deficiency Notice”) from Nasdaq notifying the Company that it was not in compliance with Nasdaq Listing Rule 5550(b)(1) (“Rule 5550(b)(1)”) because the stockholders’ equity of the Company of \$6,334,859, as reported in the Company’s Annual Report on Form 10-K for the year ended December 31, 2023, was below the minimum requirement of \$2.5 million. As of May 17, 2024, the Company does not have a market value of listed securities of \$35 million, or net income from continued operations of \$500,000 in the most recently completed fiscal year or in two of the last three most recently completed fiscal years, the alternative quantitative standards for continued listing on Nasdaq.

The notification received has no immediate effect on the Company’s continued listing on Nasdaq, subject to the Company’s compliance with the other continued listing requirements.

In accordance with Nasdaq's Listing Rules, the Company has 45 calendar days from the date of the Deficiency Notice, or no later than June 30, 2024, to submit a plan to regain compliance with Rule 5550(b)(1) (a "Compliance Plan"). The Company intends to submit a Compliance Plan within 45 calendar days of the date of the Deficiency Notice and will evaluate available options to regain compliance. If such Compliance Plan is accepted by Nasdaq, the Company will be granted up to 180 calendar days from May 16, 2024, to evidence compliance with Rule 5550(b)(1). In the event the Company's Compliance Plan is not accepted by Nasdaq, or in the event such Compliance Plan is accepted but the Company fails to evidence compliance within the extension period, the Company will have the right to a hearing before Nasdaq's Hearing Panel (the "Panel"). The hearing request would stay any suspension or delisting action pending the conclusion of the hearing process and expiration of any additional extension period granted by the Panel following the hearing.

The Company intends to submit a Compliance Plan on or before June 30, 2024, monitor its stockholders' equity and, if appropriate, consider further available options to evidence compliance with Rule 5550(b)(1).

Smaller Reporting Company

We are currently a "smaller reporting company," meaning that we are not an investment company, an asset-backed issuer, or a majority-owned subsidiary of a parent company that is not a smaller reporting company, and have a public float of less than \$250 million or annual revenues of less than \$100 million during the most recently completed fiscal year. As a result of being considered a "smaller reporting company," we will be entitled to certain exemptions regarding the disclosure that we are required to provide in our SEC filings. Specifically, "smaller reporting companies" are able to provide simplified executive compensation disclosures in their filings; are exempt from the provisions of Section 404(b) of Sarbanes-Oxley requiring that independent registered public accounting firms provide an attestation report on the effectiveness of internal control over financial reporting; and have certain other decreased disclosure obligations in their SEC filings, including, among other things, only being required to provide two years of audited financial statements in annual reports. Decreased disclosures in our SEC filings due to our status as a "smaller reporting company" may make it harder for investors to analyze our results of operations and financial prospects.

- 225,834 shares of Common Stock issuable upon the exercise of outstanding warrants at a weighted-average exercise price of \$14.41 per share;
- 82,201 shares of Common Stock issuable upon the conversion of outstanding convertible notes in the event of a default, inclusive of accrued interest at 8% per annum;
- such number of shares of Common Stock equal to \$187,500 to be issued to Maxim Partners LLC on August 9, 2024, such share number to be based upon the trading price of the Common Stock at such time;
- 30,213 shares of Common Stock issuable upon vesting of outstanding restricted stock units under our equity incentive plan;
- 4,892,146 shares of Common Stock reserved for issuance under our equity incentive plan; and
- 68,965 shares of Common Stock reserved for future issuance under the warrants issued to the Placement Agent as compensation in connection with this offering at an exercise price of \$2.65 per share.

Unless otherwise indicated, all information in this prospectus assumes no exercise of the outstanding options and warrants and no vesting of the restricted stock units described in the bullets above. To the extent that options or warrants are exercised, restricted stock units vest, new awards are granted under our equity incentive plan, or we issue additional shares of Common Stock or warrants in the future, there will be further dilution to investors participating in this offering.

RISK FACTORS

Investing in our securities involves a high degree of risk. Before investing in our securities, you should carefully consider the risks, uncertainties and assumptions contained in this prospectus and discussed under the heading “Risk Factors” included in our most recently filed Form 10-K, as revised or supplemented by subsequent filings, which are on file with the SEC and are incorporated herein by reference, and which may be amended, supplemented or superseded from time to time by other reports we file with the SEC in the future. Our business, financial condition, results of operations and future growth prospects could be materially and adversely affected by any of these risks. In these circumstances, the market price of our Common Stock could decline, and you may lose all or part of your investment.

Risks Related to this Offering

Investors who buy shares at different times will likely pay different prices.

Investors who purchase shares in this offering at different times will likely pay different prices, and so may experience different levels of dilution and different outcomes in their investment results. Similarly, the Selling Stockholder may sell such shares at different times and at different prices. Investors may experience a decline in the value of the shares they purchase from the Selling Stockholder in this offering as a result of sales made by us in future transactions to the Selling Stockholder at prices lower than the prices they paid. The Selling Stockholder will have discretion to vary the timing, prices, and number of shares sold in this offering. Investors may experience a decline in the value of their shares of our Common Stock. The trading price of our Common Stock has been volatile and subject to wide fluctuations.

The issuance of Common Stock to the Selling Stockholder may cause substantial dilution to our existing stockholders and the sale of such shares acquired by the Selling Stockholder could cause the price of our Common Stock to decline.

We are registering for resale by the Selling Stockholder up to 4,327,793 shares of Common Stock, consisting of (1) 130,000 Shares, (2) 1,249,310 Pre-Funded Warrant Shares, (3) 2,758,620 Common Warrant Shares, and (4) 189,863 Inducement Warrant Shares. The number of shares of our Common Stock ultimately offered for resale by the Selling Stockholder under this prospectus is dependent the number of Registrable Securities issued. Depending on a variety of factors, including market liquidity of our Common Stock, the issuance of shares to the Selling Stockholder may cause the trading price of our Common Stock to decline.

Our need for future financing may result in the issuance of additional securities, which will cause investors to experience dilution.

Our cash requirements may vary from those now planned depending upon numerous factors. We expect to require additional capital until our operations generate sufficient revenue to cover our expenses. Accordingly, we will need to obtain substantial additional funding in connection with our continuing operations. Our securities may be offered to other investors at a price lower than the price per share offered to current stockholders, or upon terms which may be deemed more favorable than those offered to current stockholders. In addition, the issuance of securities in any future financing may dilute an investor’s equity ownership and have the effect of depressing the market price for our securities. Moreover, we may issue derivative securities, including options, restricted stock units or warrants, from time to time, to procure qualified personnel or for other business reasons. The issuance of any such derivative securities, which is at the discretion of our board of directors, may further dilute the equity ownership of our stockholders.

We have additional securities available for issuance, which, if issued, could adversely affect the rights of the holders of our Common Stock.

Our Amended and Restated Certificate of Incorporation, as amended, authorizes the issuance of 75,000,000 shares of our Common Stock and 5,405,010 shares of preferred stock. In certain circumstances, the Common Stock, as well as the awards available for issuance under our equity incentive plan, can be issued by our board of directors, without stockholder approval. Any future issuances of such stock, including pursuant to outstanding equity awards, would further dilute the percentage ownership of us held by holders of Common Stock. In addition, the issuance of certain securities, may be used as an “anti-takeover” device without further action on the part of our stockholders, and may adversely affect the holders of the Common Stock.

Future sales of our Common Stock could cause the market price for our Common Stock to decline.

We cannot predict the effect, if any, that market sales of shares of our Common Stock or the availability of shares of our Common Stock for sale will have on the market price of our Common Stock prevailing from time to time. Sales of substantial amounts of shares of our Common stock in the public market, or the perception that those sales will occur, could cause the market price of our Common Stock to decline or be depressed.

The shares of Common Stock issued in connection with this offering will be freely tradeable without restriction or further registration under the Securities Act.

Because we will not declare cash dividends on our Common Stock in the foreseeable future, stockholders must rely on appreciation of the value of our Common Stock for any return on their investment.

We have never declared or paid cash dividends on our Common Stock. We currently anticipate that we will retain future earnings for the development, operation and expansion of our business and will not declare or pay any cash dividends in the foreseeable future. As a result, only appreciation of the price of our Common Stock, if any, will provide a return to investors in this offering.

SELLING STOCKHOLDER

The shares of Common Stock being offered by the Selling Stockholder are the Registrable Securities, consisting of the Shares, the Pre-Funded Warrant Shares, the Common Warrant Shares, and the Inducement Warrant Shares. For additional information regarding the issuance of these securities, see “Prospectus Summary — The Offering” on page 4 of this prospectus. We are registering the Registrable Securities in order to permit the Selling Stockholder to offer the shares for resale from time to time.

The following table sets forth certain information with respect to the Selling Stockholder, including (i) the number of shares of our Common Stock beneficially owned by the Selling Stockholder prior to this offering without regard to any beneficial ownership limitations contained in the Pre-Funded Warrants, the Common Warrants, or the Inducement Warrants, (ii) the number of shares being offered by the Selling Stockholder pursuant to this prospectus, and (iii) the Selling Stockholder’s beneficial ownership after completion of this offering assuming the sale of all of the shares of Common Stock covered by this prospectus. The registration of the Registrable Securities does not necessarily mean that the Selling Stockholder will sell all or any of the Registrable Securities, but the number of shares and percentages set forth in the final two columns below assume that all Registrable Securities are sold.

The table is based on information supplied to us by the Selling Stockholder, with beneficial ownership and percentage ownership determined in accordance with the rules and regulations of the SEC, and includes voting or investment power with respect to shares of stock. This information does not necessarily indicate beneficial ownership for any other purpose. In computing the number of shares beneficially owned by a Selling Stockholder and the percentage ownership of that Selling Stockholder, shares of Common Stock subject to warrants held by that Selling Stockholder that are exercisable within 60 days after _____, 2024, are deemed outstanding. The percentage of beneficial ownership after this offering is based on 5,672,641 shares of Common Stock outstanding assuming the issuance of all of the 4,327,793 shares of Common Stock being registered in this offering which are not outstanding on the date hereof.

We have assumed that all shares of Common Stock reflected in the table as being offered in the offering covered by this prospectus will be sold from time to time in this offering. We cannot provide an estimate as to the number of shares of Common Stock that will be held by the Selling Stockholder upon termination of the offering covered by this prospectus because the Selling Stockholder may offer some, all or none of the shares of Common Stock being offered in the offering. Information about the Selling Stockholder may change over time. Any changed information will be set forth in an amendment to the registration statement or supplement to this prospectus, to the extent required by law.

The Master Fund may not exercise the Pre-Funded Warrants, the Common Warrants, or the Inducement Warrants to the extent such exercise would cause the Master Fund, together with its affiliates and attribution parties, to beneficially own a number of shares of Common Stock which would exceed 9.99% or 4.99% (or, upon election of the holder, 9.99%), respectively, of our then outstanding Common Stock following such exercise, excluding for purposes of such determination shares of Common Stock issuable upon conversion or exercise of such securities which have not been so converted or exercised.

Relationship with Selling Stockholder

To our knowledge, the Selling Stockholder did not have any position, office, or other material relationship with us or any of our affiliates within the past three years.

PLAN OF DISTRIBUTION

The Selling Stockholder and any of its pledgees, assignees and successors-in-interest may, from time to time, sell any or all of its securities covered hereby on The Nasdaq Capital Market or any other stock exchange, market or trading facility on which the securities are traded or in private transactions. These sales may be at fixed or negotiated prices. The Selling Stockholder may use any one or more of the following methods when selling securities:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the securities as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- settlement of short sales;
- in transactions through broker-dealers that agree with the Selling Stockholder to sell a specified number of such securities at a stipulated price per security;
- through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;
- a combination of any such methods of sale; or
- any other method permitted pursuant to applicable law.

The Selling Stockholder may also sell securities under Rule 144 or any other exemption from registration under the Securities Act, if available, rather than under this prospectus.

Broker-dealers engaged by the Selling Stockholder may arrange for other brokers-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the Selling Stockholder (or, if any broker-dealer acts as agent for the purchaser of securities, from the purchaser) in amounts to be negotiated, but, except as set forth in a supplement to this Prospectus, in the case of an agency transaction not in excess of a customary brokerage commission in compliance with FINRA Rule 2440; and in the case of a principal transaction, a markup or markdown in compliance with FINRA IM-2440.

In connection with the sale of the securities or interests therein, the Selling Stockholder may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the securities in the course of hedging the positions they assume. The Selling Stockholder may also sell securities short and deliver these securities to close out their short positions, or loan or pledge the securities to broker-dealers that in turn may sell these securities. The Selling Stockholder may also enter into option or other transactions with broker-dealers or other financial institutions or create one or more derivative securities which require the delivery to such broker-dealer or other financial institution of securities offered by this prospectus, which securities such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The Selling Stockholder and any broker-dealers or agents that are involved in selling the securities may be deemed to be “underwriters” within the meaning of the Securities Act in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the securities purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. The Selling Stockholder has informed the Company that it does not have any written or oral agreement or understanding, directly or indirectly, with any person to distribute the securities.

We are required to pay certain fees and expenses incurred by us incident to the registration of the securities. We have agreed to indemnify the Selling Stockholder against certain losses, claims, damages and liabilities, including liabilities under the Securities Act.

[Table of Contents](#)

We agreed to keep this prospectus effective until the Selling Stockholder does not own any Registrable Securities, Pre-Funded Warrants or Common Warrants. In addition, in certain states, the resale securities covered hereby may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

Pursuant to applicable rules and regulations under the Exchange Act, any person engaged in the distribution of the resale securities may not simultaneously engage in market making activities with respect to the Common Stock for the applicable restricted period, as defined in Regulation M, prior to the commencement of the distribution. In addition, the Selling Stockholder will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, including Regulation M, which may limit the timing of purchases and sales of the Common Stock by the Selling Stockholder or any other person. We will make copies of this prospectus available to the Selling Stockholder and have informed them of the need to deliver a copy of this prospectus to each purchaser at or prior to the time of the sale (including by compliance with Rule 172 under the Securities Act).

DESCRIPTION OF OUR SECURITIES

The following description of our capital stock and the provisions of our amended and restated certificate of incorporation, as amended (the "Certificate of Incorporation") and our amended and restated bylaws (the "Bylaws") are summaries and are qualified by reference to the certificate of incorporation and the bylaws. We have filed copies of these documents with the SEC as exhibits to our registration statement of which this prospectus forms a part.

Description of Common Stock.

Authorized Shares of Common Stock. We currently have authorized 75,000,000 shares of Common Stock.

Voting. Holders of our Common Stock are entitled to one vote for each share held of record on each matter submitted to a vote of stockholders, including the election of directors, and do not have cumulative voting rights. Our directors are elected by a plurality of the votes cast by the stockholders entitled to vote at our annual meeting of stockholders.

Dividends. Subject to the prior rights of any class or series of preferred stock which may from time to time be outstanding, if any, holders of our Common Stock are entitled to receive dividends ratably when, as and if declared by our Board of Directors, out of funds legally available for that purpose. We have not paid any dividends on our Common Stock and none are contemplated in the foreseeable future. We anticipate that all earnings that may be generated from our operations will be used to finance our growth.

Liquidation. Upon our liquidation, dissolution or winding up, holders of the Common Stock are entitled to share ratably in all assets remaining after payment of liabilities and payment of accrued dividends and liquidation preferences on the preferred stock, if any.

Rights and Preferences. The holders of our Common Stock have no preemptive, subscription or redemption rights pertaining to our Common Stock and have no rights to convert their Common Stock into any other securities. The absence of preemptive rights could result in a dilution of the interest of the existing stockholders should additional shares of our Common Stock be issued. In addition, the rights of holders of our Common Stock are subject to, and may be adversely affected by, the rights of holders of shares of any series of preferred stock that we may designate and issue in the future. See "Risk Factors" section in our most recent Form 10-K for a further description of risks related to our Common Stock.

Fully Paid and Nonassessable. All of our issued and outstanding shares of Common Stock are fully paid and nonassessable.

Description of the Warrants

Duration and Exercise Price. All Warrants are immediately exercisable upon issuance. The Pre-Funded Warrants have an exercise price of \$0.0001 per share and do not expire. The Common Warrants and the Placement Agent Warrants have an exercise price of \$2.65 per share. The Inducement Warrants have an exercise price of \$5.206 per share and expire on the five-year anniversary of the date of the initial exercise date of any Inducement Warrant. The Common Warrants expire five years from the effective date of this registration statement. The Placement Agent Warrants expire five years from the date of the closing of the May Private Placement. The exercise price and number of shares of Common Stock issuable upon exercise of any Warrant is subject to appropriate adjustment in the event of stock dividends, stock splits, reorganizations or similar events affecting our Common Stock the and exercise price.

Exercisability. The Warrants are exercisable, at the option of each holder, in whole or in part by delivering to us a duly executed exercise notice and, at any time a registration statement registering the issuance of shares of Common Stock underlying the Warrants under the Securities Act is effective and available for the issuance of such shares (or an exemption from registration under the Securities Act is available for the issuance of such shares), by payment in full in immediately available funds for the number of shares of Common Stock purchased upon such exercise.

If a registration statement or current prospectus is not effective or available for the registration under the Securities Act of the Warrants, or the resale of the shares of Common Stock underlying the Warrants, at any time 60 days after the issue date, the holder may, in its sole discretion, elect to exercise Warrants through a cashless exercise, in which case the holder would receive upon such exercise the net number of shares of Common Stock determined according to the formula set forth in the applicable Warrant.

[Table of Contents](#)

Exercise Limitation. A holder will not have the right to exercise any portion of the Pre-Funded Warrants if the holder (together with its affiliates) would beneficially own in excess of 9.99% of the number of our shares of Common Stock outstanding immediately after giving effect to the exercise, as such percentage ownership is determined in accordance with the terms of the Common Warrants. A holder will not have the right to exercise any portion of the Common Warrants, the Inducement Warrants, or the Placement Agent Warrants if the holder (together with its affiliates) would beneficially own in excess of 4.99% (or, upon election of the holder, 9.99%) of the number of our shares of Common Stock outstanding immediately after giving effect to the exercise, as such percentage ownership is determined in accordance with the terms of the Common Warrants, the Inducement Warrants, or the Placement Agent Warrants, as applicable. Any holder of the Common Warrants, the Inducement Warrants, or the Placement Agent Warrants may increase or decrease such percentage, but in no event may such percentage be increased to more than 9.99%, provided that any increase will not be effective until the 61st day after such election.

Exchange Listing. There is no established trading market for the Warrants, and we do not expect a market to develop. In addition, we do not intend to apply for the listing of the Warrants on any national securities exchange or other trading market.

Participation Rights. If at any time we grant, issue or sell any shares of Common Stock or Common Stock Equivalents (as defined in the Purchase Agreement) or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any shares of Common Stock (the "Purchase Rights"), the holder of any Warrant will be entitled to acquire, upon the terms applicable to such Purchase Rights, subject to the beneficial ownership limitations, the aggregate Purchase Rights which the holder of such Warrants could have acquired if the holder had held the number of Common Stock acquirable upon complete exercise of such Warrant.

Fundamental Transactions. If (i) we, directly or indirectly, in one or more related transactions effect any merger or consolidation of the Company with or into another person, (ii) we, directly or indirectly, effect any sale, lease, license, assignment, transfer, conveyance or other disposition of all or substantially all of our assets in one or a series of related transactions, (iii) any, direct or indirect, purchase offer, tender offer or exchange offer (whether by us or another person) is completed pursuant to which holders of our Common Stock are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted by the holders of 50% or more of the outstanding shares of Common Stock, (iv) we, directly or indirectly, in one or more related transactions effect any reclassification, reorganization or recapitalization of the shares of Common Stock or any compulsory share exchange pursuant to which the shares of Common Stock are effectively converted into or exchanged for other securities, cash or property, or (v) we, directly or indirectly, in one or more related transactions consummates a stock or share purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off, merger or scheme of arrangement) with another person or group of persons whereby such other person or group acquires more than 50% of the outstanding shares of Common Stock (not including any shares of Common Stock held by the other person or other persons making or party to, or associated or affiliated with the other persons making or party to, such stock or share purchase agreement or other business combination), each a "Fundamental Transaction," then the successor entity will succeed to, and be substituted for us, and may exercise every right and power that we may exercise and will assume all of our obligations under the Warrants with the same effect as if such successor entity had been named in the Warrant itself. If holders of our shares of Common Stock are given a choice as to the securities, cash or property to be received in a fundamental transaction, then the holder of any Warrant shall be given the same choice as to the consideration it receives upon any exercise of such Warrant following such fundamental transaction. In addition, the successor entity, at the request of the holder of any Warrant, will be obligated to purchase any unexercised portion of such Warrant, in accordance with the terms of such Warrant.

Notwithstanding anything to the contrary, in the event of a Fundamental Transaction, we or any Successor Entity (as defined in the Purchase Agreement) shall, at the holder's option, exercisable at any time concurrently with, or within 30 days after, the consummation of the Fundamental Transaction (or, if later, the date of the public announcement of the applicable Fundamental Transaction), purchase a Warrant, from the holder by paying to the holder an amount of cash equal to the Black Scholes Value (as defined in the Purchase Agreement) of the remaining unexercised portion of such Warrant on the date of the consummation of such Fundamental Transaction; provided, however, if the Fundamental Transaction is not within our control, including if not approved by our Board of Directors, the holder will only be entitled to receive from us or any Successor Entity, as of the date of consummation of such Fundamental Transaction, the same type or form of consideration (and in the same proportion), at the Black Scholes Value of the

unexercised portion of such Warrant that is being offered and paid to the holders of Common Stock in connection with the Fundamental Transaction, whether that consideration be in the form of cash, stock or any combination thereof, or whether the holders of Common Stock are given the choice to receive from among alternative forms of consideration in connection with the Fundamental Transaction.

Rights as a Stockholder. Except as otherwise provided in the applicable Warrant or by virtue of such holder's ownership of our Common Stock, the holder of a Warrant will not have the rights or privileges of a holder of our Common Stock, including any voting rights, until the holder exercises such Warrant.

Resale/Registration Rights. We have filed this registration statement with the SEC that includes this prospectus to register for resale under the Securities Act, the Registrable Securities, consisting of the Shares, the Pre-Funded Warrant Shares the Common Warrant Shares, and the Inducement Warrant Shares, but not the shares issuable upon exercise of the Placement Agent Warrants, to satisfy our obligations in connection with the May Private Placement and the March Private Placement. We are required to use commercially reasonable efforts to cause such registration to become effective within 45 days of the closing of the May Private Placement (or 60 days in the event of a full review by the SEC) for the May Registrable Securities, and within 60 days of the closing of the March Private Placement (or 90 days in the event of a full review by the SEC) for the Inducement Warrant Shares, and to keep such registration statement effective at all times until the Selling Stockholder does not own any Registrable Securities, Pre-Funded Warrants, Common Warrants, or Inducement Warrants.

Reverse Stock Split

On May 2, 2024, we effected the Reverse Split. As a result of the Reverse Split, each of our stockholders received one new share of Common Stock for every 20 shares such stockholder held immediately prior to the effective time of the Reverse Split. The Reverse Split affected all of our issued and outstanding shares of Common Stock equally. The Reverse Split also affected our outstanding stock options, warrants and other exercisable or convertible securities and resulted in the shares underlying such instruments being reduced and the exercise price being increased proportionately. No fractional shares were issued as a result of the Reverse Split. Any fractional shares that would have otherwise resulted from the Reverse Split was paid in cash, at an amount equal to the resulting fractional interest in one share of the Common Stock to which the stockholder would otherwise be entitled, multiplied by the closing trading price of our Common Stock on May 2, 2024.

Anti-Takeover Effects of Delaware Law and Our Certificate of Incorporation and Bylaws

Certain provisions of Delaware law, our Certificate of Incorporation and our Bylaws contain provisions that could have the effect of delaying, deferring or discouraging another party from acquiring control of us. These provisions, which are summarized below, are expected to discourage certain types of coercive takeover practices and inadequate takeover bids. These provisions are also designed, in part, to encourage persons seeking to acquire control of us to first negotiate with our Board of Directors. We believe that the benefits of increased protection of our potential ability to negotiate with an unfriendly or unsolicited acquirer outweigh the disadvantages of discouraging such proposals, including proposals that are priced above the then-current market value of our common stock, because, among other reasons, such negotiation could result in an improvement of the terms of such proposals.

Certificate of Incorporation and Bylaws

Certain provisions set forth in our Certificate of Incorporation, our Bylaws and in Delaware law, which are summarized below, may be deemed to have an anti-takeover effect and may delay, deter or prevent a tender offer or takeover attempt that a stockholder might consider to be in its best interests, including attempts that might result in a premium being paid over the market price for the shares held by stockholders.

Proposals of business and nominations. Our Bylaws generally regulate proposals of business and nominations for election of directors by stockholders. In general, Section 3.16 requires stockholders intending to submit proposals or nominations at a stockholders meeting to provide the Company with advance notice thereof, including information regarding the stockholder proposing the business or nomination as well as information regarding the proposed business or nominee. Section 3.16 provides a time period during which business or nominations must be provided to the Company that will create a predictable window for the submission of such notices, eliminating the risk that the Company finds a meeting will be contested after printing its proxy materials for an uncontested election and providing the Company with a reasonable opportunity to respond to nominations and proposals by stockholders.

[Table of Contents](#)

Blank Check Preferred Stock. Our Board of Directors has the right to issue preferred stock in one or more series and to determine the designations, rights, preferences of such preferred stock without stockholder approval.

Board Vacancies. Our Bylaws generally provide that only the board of directors (and not the stockholders) may fill vacancies and newly created directorships.

While the foregoing provisions of our Certificate of Incorporation, Bylaws and Delaware law may have an anti-takeover effect, these provisions are intended to enhance the likelihood of continuity and stability in the composition of the Board of Directors and in the policies formulated by the Board of Directors and to discourage certain types of transactions that may involve an actual or threatened change of control. In that regard, these provisions are designed to reduce our vulnerability to an unsolicited acquisition proposal. The provisions also are intended to discourage certain tactics that may be used in proxy fights. However, such provisions could have the effect of discouraging others from making tender offers for our shares and, as a consequence, they also may inhibit fluctuations in the market price of our common stock that could result from actual or rumored takeover attempts. Such provisions also may have the effect of preventing changes in our management.

Delaware Anti-Takeover Statute

We are subject to the provisions of Section 203 of the DGCL (“Section 203”) regulating corporate takeovers. In general, Section 203 prohibits a publicly held Delaware corporation from engaging, under certain circumstances, in a business combination with an interested stockholder for a period of three years following the date the person became an interested stockholder unless:

- prior to the date of the transaction, the board of directors of the corporation approved either the business combination or the transaction which resulted in the stockholder becoming an interested stockholder;
- upon completion of the transaction that resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction commenced, excluding for purposes of determining the voting stock outstanding, the outstanding voting stock owned by the interested stockholder, (1) shares owned by persons who are directors and also officers and (2) shares owned by employee stock plans in which employee participants do not have the right to determine confidentially whether shares held subject to the plan will be tendered in a tender or exchange offer; or
- at or subsequent to the date of the transaction, the business combination is approved by the board of directors of the corporation and authorized at an annual or special meeting of stockholders, and not by written consent, by the affirmative vote of at least 66 2/3% of the outstanding voting stock which is not owned by the interested stockholder.

Generally, a business combination includes a merger, asset, stock sale or other transaction resulting in a financial benefit to the interested stockholder. An interested stockholder is a person who, together with affiliates and associates, owns or, within three years prior to the determination of interested stockholder status, did own 15% or more of a corporation’s outstanding voting stock. We expect the existence of Section 203 to have an anti-takeover effect with respect to transactions our Board of Directors does not approve in advance. We also anticipate that Section 203 may discourage business combinations or other attempts that might result in a premium over the market price for the shares of common stock held by our stockholders.

Item 14. Indemnification of Directors and Officers.

The Registrant is incorporated under the laws of the State of Delaware. Subsection (a) of Section 145 of the General Corporation Law of the State of Delaware (the "DGCL") empowers a corporation to indemnify any person who was or is a party or who is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful.

Subsection (b) of Section 145 empowers a corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that the person acted in any of the capacities set forth above, against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

Section 145 further provides that to the extent a present or former director or officer of a corporation has been successful on the merits or otherwise in the defense of any action, suit or proceeding referred to in subsections (a) and (b) of Section 145, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith; that indemnification provided for by Section 145 shall not be deemed exclusive of any other rights to which the indemnified party may be entitled; and the indemnification provided for by Section 145 shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of such person's heirs, executors and administrators. Section 145 also empowers the corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another

[Table of Contents](#)

corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of his status as such, whether or not the corporation would have the power to indemnify such person against such liabilities under Section 145.

Section 102(b)(7) of the DGCL provides that a corporation's certificate of incorporation may contain a provision eliminating or limiting the personal liability of a director or officer to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that such provision shall not eliminate or limit the liability of (i) A director or officer for any breach of the director's or officer's duty of loyalty to the corporation or its stockholders, (ii) A director or officer for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) a director under Section 174 of the DGCL, (iv) A director or officer for any transaction from which the director or officer derived an improper personal benefit, or (v) an officer in any action by or in the right of the corporation.

Our amended and restated bylaws provides that we will indemnify our directors and officers to the fullest extent permitted by law, and may indemnify its employees and agents. Our amended and restated bylaws also provide that we are obligated to advance expenses incurred by a director or officer in advance of the final disposition of any action or proceeding. In addition, as permitted by Delaware law, our amended and restated certificate of incorporation includes provisions that eliminate the personal liability of our directors for monetary damages resulting from breaches of certain fiduciary duties as a director or officer, as applicable, except to the extent such an exemption from liability thereof is not permitted under the DGCL.

We have entered into indemnification agreements with each of our directors. These agreements will require us to indemnify these individuals to the fullest extent permitted under Delaware law against liabilities that may arise by reason of their service to us and to advance expenses incurred as a result of any proceeding against them as to which they could be indemnified.

Except as otherwise disclosed under the heading "Legal Proceedings" in the "Business" section of our Annual Report on Form 10-K/A for the year ended December 31, 2023, filed with the SEC on May 9, 2024, which is incorporated by reference herein (See "Incorporation of Certain Documents By Reference" and "Where You Can Find Additional Information" in this prospectus), there is at present no pending litigation or proceeding involving any of the Registrant's directors or executive officers as to which indemnification is required or permitted, and the Registrant is not aware of any threatened litigation or proceeding that may result in a claim for indemnification.

The Registrant has an insurance policy in place that covers its officers and directors with respect to certain liabilities, including liabilities arising under the Securities Act or otherwise.

Item 15. Recent Sales of Unregistered Securities.

During the last three years, we have issued unregistered securities to the persons described below. None of these transactions involved any underwriters, underwriting discounts or commissions, or any public offering. We believe that each transaction was exempt from the registration requirements of the Securities Act by virtue of Section 4(a)(2) thereof as a transaction not involving a public offering. The recipients both had access, through their relationship with us, to information about us.

On May 3, 2024, in connection with the May Private Placement, we sold to the Selling Stockholder the Shares, the Pre-Funded Warrants, and the Common Warrants, and issued to the Placement Agent the Placement Agent Warrants.

On March 8, 2024, in connection with the March Private Placement, we sold to the Selling Stockholder the Inducement Warrants in exchange for the Selling Shareholder exercising existing warrants for 1,898,630 shares of common stock (94,932 as adjusted for the May Stock Split) issued in a private placement offering that closed on October 27, 2021, at an exercise price of \$0.2603 per share (\$5.206 as adjusted for the May Stock Split). The issuance of the shares of Common Stock underlying the existing warrants were registered pursuant to an existing registration statement on Form S-1 (File No. 333-260996), which was declared effective by the SEC on November 23, 2021.

On January 11, 2024, we entered into a securities purchase agreement with Peak One Opportunity Fund, L.P. ("Peak One"), pursuant to which, among other things, we sold to Peak One warrants to purchase up to 375,000 shares of our Common Stock in a private placement and a debenture in the principal amount of \$1,300,000 which is convertible into

[Table of Contents](#)

shares of Common Stock at a conversion price of \$0.46 per share. The maximum number of shares of Common Stock that currently may be issued under the debenture is 2,835,302, which takes into account the Exchange Cap specified in such agreements.

On February 7, 2023, we entered into a securities purchase agreement with Peak One, pursuant to which, among other things, we sold to Peak One warrants to purchase up to 500,000 shares of our Common Stock in a private placement and a debenture in the principal amount of \$1,000,000 which is convertible into shares of Common Stock at a conversion price of \$1.50 per share. We also entered into an equity purchase agreement on the same date pursuant to which we issued to Peak One 75,000 shares of Common Stock and up to \$10,000,000 of additional shares of Common Stock that we may put to Peak One. The maximum number of shares of Common Stock that currently may be issued under both agreements is 2,760,675, which takes into account the Exchange Cap specified in such agreements.

On October 25, 2021 in connection with a registered direct offering of our Common Stock and prefunded warrants to purchase shares of Common Stock, we entered into a securities purchase agreement with the Selling Shareholder, pursuant to which, among other things, we sold warrants to purchase up to 1,898,630 shares of our Common Stock in a private placement. No separate consideration was paid for the issuance of such warrants.

We did not pay or give, directly or indirectly, any commission or other remuneration, including underwriting discounts or commissions, in connection with any of the issuances of securities listed above. The recipients of the securities in each of these transactions represented their intentions to acquire the securities for investment only and not with a view to or for sale in connection with any distribution thereof, and appropriate legends were placed upon the stock certificates issued in these transactions. All recipients had adequate access, through their employment or other relationship with us or through other access to information provided by us, to information about us. The sales of these securities were made without any general solicitation or advertising.

Item 16. Exhibits and Financial Statement Schedules.

The exhibits listed in the accompanying Exhibit Index are filed or incorporated by reference as part of this registration statement.

Item 17. Undertakings.

The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (ii), and (iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m or 78o(d)) that are incorporated by reference in the registration statement.

[Table of Contents](#)

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
- (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers, and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Ladies and Gentlemen:

We have acted as counsel to Safe & Green Holdings Corp., a Delaware corporation (the "Company"), in connection with the preparation and filing with the Securities and Exchange Commission (the "Commission") of a Registration Statement on Form S-1 on the date hereof (as amended from time to time, the "Registration Statement") pursuant to the Securities Act of 1933, as amended (the "Securities Act").

(the "Purchaser"), and (2) 189,863 shares of Common Stock (together with the Registrable Shares, the Pre-Funded Warrant Shares and the Common Warrant Shares, the "Registrable Securities") underlying certain outstanding warrants at an exercise price of \$5.206 per share (together with the Pre-Funded Warrants and the Common Warrants, the "Warrants") issued pursuant to a certain Inducement Agreement, dated March 8, 2024, by and between the Company and the Purchaser (the "Inducement Agreement").

This opinion is being furnished in accordance with the requirements of Item 601(b)(5) of Regulation S-K under the Securities Act in connection with the filing of the Registration Statement. All capitalized terms used herein and not otherwise defined shall have the respective meanings given to them in the Registration Statement.

In rendering the opinion stated herein, we have examined originals or copies, certified or otherwise identified to our satisfaction, of (i) the Registration Statement and exhibits filed as a part thereof or incorporated therein by reference; (ii) the Prospectus prepared in connection with the Registration Statement; (iii) executed copies of the Purchase Agreement, the Registration Rights Agreement, dated May 3, 2024, by and between the Company and the Purchaser (the "Registration Rights Agreement"), and the Inducement Agreement (together with the Purchase Agreement and the Registration Rights Agreement, the "Agreements"); (iv) the Amended and Restated Certificate of Incorporation of the Company, as amended, as currently in effect; (v) the Amended and Restated Bylaws of the Company, as currently in effect; (vi) an executed copy of a certificate of Patricia Kaelin, Chief Financial Officer of the Company, dated as of the date hereof (the "Officer's Certificate"); (vii) a specimen certificate representing the Common Stock; (viii) a copy of the resolution of the Board of Directors of the Company relating to the adoption, approval, authorization and/or ratification of (A) the Registration Statement and the registration of the Registrable Securities, (B) the issuance and sale of the Registrable Securities and the Warrants pursuant to the Purchase Agreement and the Inducement Agreement, and (C) other actions with regard thereto, as certified pursuant to the Officer's Certificate. For the purpose of rendering the opinion stated herein, we have made such factual and legal examinations as we deemed necessary under the circumstances, and in connection therewith we have examined, among other things, originals or copies, certified or otherwise identified to our satisfaction, of such documents, corporate records, certificates of public officials, certificates of officers or other representatives of the Company, and other instruments and have made such inquiries as we have deemed appropriate for the purpose of rendering this opinion.

In our examination, we have assumed without independent verification the legal capacity of all natural persons, the genuineness of all signatures, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as facsimile, electronic, certified, conformed or photostatic copies, and the authenticity of the originals of such copies. In making our examination of executed documents, including without limitation the Agreements, we have assumed that the parties thereto, other than the Company, had the power, corporate or other, to enter into and perform all obligations thereunder and have also assumed the due authorization by all requisite action, corporate or other, and the execution and delivery by such parties of such documents and the validity and binding effect thereof on such parties. In addition, we have assumed that the Warrants were duly authorized and validly issued. We have also assumed that, upon the issuance of any Registrable Securities issuable upon exercise of the Warrants, the total number of shares of Common Stock of the Company issued and outstanding will not exceed the total number of shares of Common Stock that the Company is then authorized to issue under its Amended and Restated Certificate of Incorporation, as amended. Our opinions are subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar laws affecting creditors' rights and remedies generally, any waiver of stay, extension or usury laws or of unknown future rights, rights to indemnification, exculpation and contribution, which may be limited by applicable law or equitable principles, any purported fraudulent transfer "savings" clause, and subject, as to enforceability, to general principles of equity, including without limitation concepts of materiality, reasonableness, good faith and fair dealing, and the possible unavailability of specific performance or injunctive relief and limitation of rights of acceleration, regardless of whether such enforceability is considered in a proceeding in equity or at law. As to any facts material to the opinions expressed herein which were not independently established or verified, we have relied upon oral or written statements and representations of officers or other representatives of the Company and others.

On the basis of, and in reliance on, the foregoing examination and subject to the assumptions, exceptions, qualifications and limitations contained herein, we are of the opinion that the Registrable Shares and, if and when certificates representing such Registrable Securities underlying the Warrants have been duly executed, countersigned, registered and delivered upon exercise of such issued Warrants in accordance with the terms of such Warrants, as described in the Registration Statement, such Registrable Securities will be validly issued, fully paid and non-assessable.

We render this opinion only with respect to applicable statutory provisions of the Delaware General Corporation Law (the "DGCL") and the reported judicial decisions interpreting those laws, and federal laws of the United States of America to the extent referred to specifically herein. We neither express nor imply any obligation with respect to any other laws or the laws of any other jurisdiction or of the United States. For purposes of this opinion, we assume that the Registrable Securities will be issued in compliance with all applicable state securities or blue sky laws.

This opinion letter is given as of the date hereof, and we express no opinion as to the effect of subsequent events or changes in law occurring or becoming effective after the date hereof. We assume no obligation to update or supplement this opinion if any applicable laws change after the date of this opinion or if we become aware after the date of this opinion of any facts, whether existing before or arising after the date hereof, that might change the opinions expressly so stated. Without limiting the generality of the foregoing, we neither express nor imply any opinion regarding the contents of the Registration Statement, other than as expressly stated herein with respect to the Registrable Securities.

We are opining only as to matters expressly set forth herein, and no opinion should be inferred as to any other matters. This opinion is rendered as of the date hereof and is based upon currently existing statutes, rules, regulations and judicial decisions. We disclaim any obligation to advise you of any change in any of these sources of law or subsequent legal or factual developments that affect any matters or opinions set forth herein.
