Item 1.01 Entry into a Material Definitive Agreement.

On August 28, 2024 (the "Issue Date"), Safe & Green Holdings Corp. (the "Company") issued a Promissory Note ("Note") in favor of 1800 Diagonal Lending LLC (the "Lender") in the aggregate principal amount of \$290,000 (the "Principal"), and an accompanying Note Purchase Agreement, dated August 28, 2024 (the "NPA").

The Note was purchased by the Lender for a purchase price of \$250,000, representing an original issue discount of \$40,000. A one-time interest charge of twelve percent (12%) (the "Interest Rate") will be applied on the issuance on the issuance date to the Principal. Under the terms of the Note, beginning on February 28, 2025, the Company is required to make payments of accrued, unpaid interest and outstanding principal, subject to adjustment, as follows: a payment of \$162,400 due on February 28, 2025, and then four monthly payments in the amount of \$40,600 due on March 30, 2025, April 30, 2025, May 30, 2025, and June 30, 2025. The Company shall have a five day grace period with respect to each payment. Any amount of principal or interest which is not paid when due will bear interest at the rate of twenty-two percent (22%) per annum from the due date thereof until the same is paid ("Default Interest"). The Company has the right to accelerate payments or prepay in full at any time with no prepayment penalty.

Among other things, an event of default ("Event of Default") will be deemed to have occurred if the Company fails to pay the principal or interest when due on the Note, whether at maturity, upon acceleration or otherwise, if bankruptcy or insolvency proceedings are instituted by or against the Company or if the Company fails to maintain the listing of its common stock on The Nasdaq Stock Market. Upon the occurrence of an Event of Default, the Note will become immediately due and payable and the Company will be obligated to pay to the Lender, in satisfaction of its obligations under the Note, an amount equal to 200% times the sum of the then-outstanding principal amount of the Note plus accrued and unpaid interest on the unpaid principal amount of the Note to the date of payment, plus Default Interest, if any.

After an Event of Default, the Lender will have the right to convert all or any part of the outstanding principal and unpaid amount of the Note into shares of the Company's common stock. For a period of one hundred eight (180) days following the Issue Date (the "Initial Conversion Period"), the conversion price will be fixed at \$1.30 per share. Following the Initial Conversion Period, the conversion price will be \$0.25 per share. The Note may not be converted into shares of the Company's common stock if the conversion would result in the Lender and its affiliates owning an aggregate of in excess of 4.99% of the then-outstanding shares of the Company's common stock. In addition, unless the Company obtains shareholder approval of such issuance, the Company shall not issue a number of shares of its common stock under the Note, which when

aggregated with all other securities that are required to be aggregated for purposes of Nasdaq Rule 5635(d), would exceed 19.9% of the shares of the Company's common stock outstanding as of the date of the definitive agreement with respect to the first of such aggregated transactions (the "Conversion Limitation"). Upon the occurrence of an Event of Default as a result of the Company being delisted from Nasdaq, the Conversion Limitation shall no longer apply.

So long as the Company has any obligation under the Note, the Company shall not, without the Lender's written consent, sell, lease, or otherwise dispose of any significant portion of its assets outside the ordinary course of business. Any consent to the disposition of any assets may be conditioned upon a specified use of proceeds of disposition.

The foregoing description of the Note and NPA is qualified in its entirety by reference to the full text of the Note and NPA, copies of which are attached hereto as Exhibits 4.1 and 10.1, respectively, and each of which is incorporated herein in its entirety by reference.

PROMISSORY NOTE

FOR VALUE RECEIVED, SAFE & GREEN HOLDINGS CORP., a Delaware corporation (hereinafter called the “Borrower”), hereby promises to pay to the order of 1800 DIAGONAL LENDING LLC, a Virginia limited liability company, or registered assigns (the “Holder”) the sum of \$290,000.00 together with any interest as set forth herein, on June 30, 2025 (the “Maturity Date”), and to pay interest on the unpaid principal balance hereof from the date hereof (the “Issue Date”) as set forth herein. This Note may not be prepaid in whole or in part except as otherwise explicitly set forth herein. Any amount of principal or interest on this Note which is not paid when due shall bear interest at the rate of twenty two percent (22%) per annum from the due date thereof until the same is paid (“Default Interest”). All payments due hereunder (to the extent not converted into common stock, \$0.01 par value per share (the “Common Stock”) in accordance with the terms hereof) shall be made in lawful money of the United States of America. All payments shall be made at such address as the Holder shall hereafter give to the Borrower by written notice made in accordance with the provisions of this Note. Each capitalized term used herein, and not otherwise defined, shall have the meaning ascribed thereto in that certain Securities Purchase Agreement dated the date hereof, pursuant to which this Note was originally issued (the “Purchase Agreement”).

This Note is free from all taxes, liens, claims and encumbrances with respect to the issue thereof and shall not be subject to preemptive rights or other similar rights of shareholders of the Borrower and will not impose personal liability upon the holder thereof.

The following terms shall apply to this Note:

ARTICLE I. GENERAL TERMS

1.1 Interest. A one-time interest charge of twelve percent (12%) (the “Interest Rate”) shall be applied on the Issuance Date to the principal amount (\$290,000.00 * twelve percent (12%) = \$34,800.00). Interest hereunder shall be paid as set forth herein to the Holder or its assignee in whose name this Note is registered on the records of the Company regarding registration and transfers of Notes in cash or, in the Event of Default, at the Option of the Holder, converted into share of Common Stock as set forth herein.

1.2 Mandatory Monthly Payments. Accrued, unpaid interest and outstanding principal, subject to adjustment, shall be paid in five (5) payments as follows:

May 30, 2025	\$ 40,600.00
June 30, 2025	\$ 40,600.00

(a total payback to the Holder of \$324,800.00).

The Company shall have a five (5) day grace period with respect to each payment. The Company has right to prepay in full at any time with no prepayment penalty. All payments shall be made by bank wire transfer to the Holder’s wire instructions, attached hereto as Exhibit A. For the avoidance of doubt, a missed payment shall be considered an Event of Default

1.3 Prepayment Discount. Notwithstanding anything to the contrary contained in this Note, at any time during the period set forth on the table immediately following this paragraph (the “Prepayment Period”) or as otherwise agreed to between the Borrower and the Holder, the Borrower shall have the right, exercisable on not more than three (3) Trading Days prior written notice to the Holder of the Note to prepay the outstanding Note (principal and accrued interest), in full, in accordance with this Section 1.3. Any notice of prepayment hereunder (an “Optional Prepayment Notice”) shall be delivered to the Holder of the Note at its registered addresses and shall state: (1) that the Borrower is exercising its right to prepay the Note, and (2) the date of prepayment which shall be not more than three (3) Trading Days from the date of the Optional Prepayment Notice. On the date fixed for prepayment (the “Optional Prepayment Date”), the Borrower shall make payment of the Optional Prepayment Amount (as defined below) to Holder, or upon the direction of the Holder as specified by the Holder in a writing to the Borrower (which shall direction to be sent to Borrower by the Holder at least one (1) business day prior to the Optional Prepayment Date). If the Borrower exercises its right to prepay the Note, the Borrower shall make payment to the Holder of an amount in cash equal to the percentage (“Prepayment Percentage”) as set forth in the table immediately following this paragraph opposite the Prepayment Period, multiplied by the sum of the then outstanding principal amount of this Note plus any accrued and unpaid interest on the unpaid principal amount of this Note to the Optional Prepayment Date (the “Optional Prepayment Amount”).

Prepayment Period	Prepayment Percentage
The period beginning on the Issue Date and ending on the date which is one hundred eighty (180) days following the Issue Date.	97%

ARTICLE II. CERTAIN COVENANTS

2.1 Sale of Assets. So long as the Borrower shall have any obligation under this Note, the Borrower shall not, without the Holder’s written consent, sell, lease or otherwise dispose of any significant portion of its assets outside the ordinary course of business. Any consent to the disposition of any assets may be conditioned on a specified use of the proceeds of disposition subject to any requirements by the Borrower’s senior secured lender.

ARTICLE III. EVENTS OF DEFAULT

If any of the following events of default (each, an “Event of Default”) shall occur:

3.1 Failure to Pay Principal and Interest. The Borrower fails to pay the principal hereof or interest thereon when due on this Note, whether at maturity, upon acceleration or otherwise and such breach continues for a period of five (5) days after written notice from the Holder.

3.2 Breach of Covenants. The Borrower breaches any material covenant or other material term or condition contained in this Note and any collateral documents including but not limited to the Purchase Agreement and such breach continues for a period of twenty (20) days after written notice thereof to the Borrower from the Holder.

3.3 Breach of Representations and Warranties. Any representation or warranty of the Borrower made herein or in any agreement, statement or certificate given in writing pursuant hereto or in connection herewith (including, without limitation, the Purchase Agreement), shall be false or misleading in any material respect when made and the breach of which has (or with the passage of time will have) a material adverse effect on the rights of the Holder with respect to this Note or the Purchase Agreement.

3.4 Receiver or Trustee. The Borrower or any subsidiary of the Borrower shall make an assignment for the benefit of creditors, or apply for or consent to the appointment of a receiver or trustee for it or for a substantial part of its property or business, or such a receiver or trustee shall otherwise be appointed.

3.5 Bankruptcy. Bankruptcy, insolvency, reorganization or liquidation proceedings or other proceedings, voluntary or involuntary, for relief under any bankruptcy law or any law for the relief of debtors shall be instituted by or against the Borrower or any subsidiary of the Borrower on or after the Issue Date.

3.6 Delisting of Common Stock. The Borrower shall fail to maintain the listing of the Common Stock on the Nasdaq National Market, the Nasdaq SmallCap Market, the New York Stock Exchange, or the NYSE American Stock Exchange (collectively, the “Exchanges”).

3.7 Failure to Comply with the Exchange Act. The Borrower shall fail to materially comply with the reporting requirements of the Exchange Act; and/or the Borrower shall cease to be subject to the reporting requirements of the Exchange Act.

3.8 Liquidation. Any dissolution, liquidation, or winding up of Borrower or any substantial portion of its business.

3.9 Cessation of Operations. Any cessation of operations by Borrower or Borrower admits it is otherwise generally unable to pay its debts as such debts become due, provided, however, that any disclosure of the Borrower’s ability to continue as a “going concern” shall not be an admission that the Borrower cannot pay its debts as they become due.

3.10 Financial Statement Restatement. The restatement of any financial statements filed by the Borrower with the SEC at any time after 180 days after the Issuance Date for any date or period until this Note is no longer outstanding, if the result of such restatement would, by comparison to the un-restated financial statement, have constituted a material adverse effect on the rights of the Holder with respect to this Note or the Purchase Agreement.

3.11 Replacement of Transfer Agent. In the event that the Borrower proposes to replace its transfer agent, the Borrower fails to provide, prior to the effective date of such replacement, a fully executed Irrevocable Transfer Agent Instructions in a form as initially delivered pursuant to the Purchase Agreement (including but not limited to the provision to irrevocably reserve shares of Common Stock in the Reserved Amount) signed by the successor transfer agent to Borrower and the Borrower.

Upon the occurrence and during the continuation of any Event of Default, the Note shall become immediately due and payable and the Borrower shall pay to the Holder, in full satisfaction of its obligations hereunder, an amount equal to 200% times the sum of (w) the then outstanding principal amount of this Note plus (x) accrued and unpaid interest on the unpaid principal amount of this Note to the date of payment (the “Mandatory Prepayment Date”) plus (y) Default Interest, if any, on the amounts referred to in clauses (w) and/or (x) plus (z) any amounts owed to the Holder pursuant to Article IV hereof (the then outstanding principal amount of this Note to the date of payment plus the amounts referred to in clauses (x), (y) and (z) shall collectively be known as the “Default Amount”) and all other amounts payable hereunder shall immediately become due and payable, all without demand, presentment or notice, all of which hereby are expressly waived, together with all costs, including, without limitation, legal fees and expenses, of collection, and the Holder shall be entitled to exercise all other rights and remedies available at law or in equity.

ARTICLE IV. CONVERSION RIGHTS

4.1 Conversion Right. After the occurrence of an Event of Default, the Holder shall have the right, to convert all or any part of the outstanding and unpaid amount of this Note into fully paid and non-assessable shares of Common Stock, as such Common Stock exists on the Issue Date, or any shares of capital stock or other securities of the Borrower into which such Common Stock shall hereafter be changed or reclassified at the conversion price determined as provided herein (a “Conversion”); provided, however, that in no event shall the Holder be entitled to convert any portion of this Note in excess of that portion of this Note upon conversion of which the sum of (1) the number of shares of Common Stock beneficially owned by the Holder and its affiliates (other than shares of Common Stock which may be deemed beneficially owned through the ownership of the unconverted portion of the Notes or the unexercised or unconverted portion of any other security of the Borrower subject to a limitation on conversion or exercise analogous to the limitations contained herein) and (2) the number of shares of Common Stock issuable upon the conversion of the portion of this Note with respect to which the determination of this proviso is being made, would result in beneficial ownership by the Holder and its affiliates of more than 4.99% of the outstanding shares of Common Stock. For purposes of the proviso to the immediately preceding sentence, beneficial ownership shall be determined in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and Regulations 13D-G thereunder, except as otherwise provided in clause (1) of such proviso. The beneficial ownership limitations on conversion as set forth in the section may NOT be waived by the Holder. The number of shares of Common Stock to be issued upon each conversion of this Note shall be determined by dividing the Conversion Amount (as defined below) by the applicable Conversion Price then in effect on the date specified in the notice of conversion, in the form attached hereto as Exhibit B (the “Notice of Conversion”), delivered to the Borrower by the Holder in accordance with Section 4.4 below; provided that the Notice of Conversion is submitted by facsimile or e-mail (or by other means resulting in, or reasonably expected to result in, notice) to the Borrower before 6:00 p.m., New York, New York time on such conversion date (the “Conversion Date”); however, if the Notice of Conversion is sent after 6:00pm, New York, New York time the Conversion Date shall be the next business day. The term “Conversion Amount” means, with respect to any conversion of this Note, the sum of (1) the principal amount of this Note to be converted in such conversion plus (2) at the Holder’s option, accrued and unpaid interest, if any, on such principal amount at the interest rates provided in this Note to the Conversion Date, plus (3) at the Holder’s option, Default Interest, if any, on the amounts referred to in the immediately preceding clauses (1) and/or (2) plus (4) at the Holder’s option, any amounts owed to the Holder pursuant to Sections 4.4 hereof. Notwithstanding anything in this Agreement to the contrary, and in addition to the limitations set forth herein, if the Borrower has not obtained Shareholder Approval, the Borrower shall not issue a number of shares of Common Stock under this Agreement, which when aggregated with all other securities that are required to be aggregated for purposes of Rule 5635(d), would exceed 19.99% of the shares of Common Stock outstanding as of the date of definitive agreement with respect to the first of such aggregated transactions (the “Conversion Limitation”). For purposes of this section, “Shareholder Approval” means such approval as may be required by the applicable rules and regulations of the Nasdaq Stock Market LLC (or any successor entity) from the shareholders of the Company with

respect to the issuance of the shares under this Agreement that, when taken together with any other securities that are required to be aggregated with the issuance of the shares issued under this Agreement for purposes of Rule 5635(d) of the Nasdaq Stock Market LLC (“Rule 5635(d)”), would exceed 19.99% of the issued and outstanding common stock as of the date of definitive agreement with respect to the first of such aggregated transactions. “Principal Market” means the Exchanges, the quotation platforms maintained by the OTC Markets Group) or an equivalent replacement exchange, and all rules and regulations relating to such exchange. Upon the occurrence of an Event of Default pursuant to Section 3.6 hereof, the Conversion Limitation shall no longer apply to limit the issuance of shares in conversion of this Note.

4

4.2 Conversion Price. Following the occurrence of an Event of Default, during the period beginning on the date hereof and ending on the date which is one hundred eighty (180) days following the date hereof (the “Initial Conversion Period”), the Conversion Price shall equal \$1.30; and, following the Initial Conversion Period, the Conversion Price shall equal \$0.25.

4.3 Authorized Shares. The Borrower covenants that during the period that the Note is outstanding, the Borrower will reserve from its authorized and unissued Common Stock a sufficient number of shares, free from preemptive rights, to provide for the issuance of Common Stock upon the full conversion of this Note issued pursuant to the Purchase Agreement. The Borrower is required at all times to have authorized and reserved three and one half times the number of shares that is actually issuable upon full conversion of the Note (based on the Conversion Price of the Note in effect from time to time initially 3,897,600 shares) (the “Reserved Amount”). The Reserved Amount shall be increased (or decreased) from time to time (and in the case of each payment received by the Holder hereunder) in accordance with the Borrower’s obligations hereunder. The Borrower represents that upon issuance, such shares will be duly and validly issued, fully paid and non-assessable. In addition, if the Borrower shall issue any securities or make any change to its capital structure which would change the number of shares of Common Stock into which the Notes shall be convertible at the then current Conversion Price, the Borrower shall at the same time make proper provision so that thereafter there shall be a sufficient number of shares of Common Stock authorized and reserved, free from preemptive rights, for conversion of the outstanding Note. The Borrower (i) acknowledges that it has irrevocably instructed its transfer agent to issue certificates for the Common Stock issuable upon conversion of this Note, and (ii) agrees that its issuance of this Note shall constitute full authority to its officers and agents who are charged with the duty of executing stock certificates to execute and issue the necessary certificates for shares of Common Stock in accordance with the terms and conditions of this Note.

If, at any time the Borrower does not maintain the Reserved Amount it will be considered an Event of Default under this Note.

4.4 Method of Conversion.

(a) Mechanics of Conversion. As set forth in Section 4.1 hereof, at any time following an Event of Default, and during the continuation thereof, the balance due pursuant to this Note may be converted by the Holder in whole or in part at any time from time to time after the Issue Date, by (A) submitting to the Borrower a Notice of Conversion (by facsimile, e-mail or other reasonable means of communication dispatched on the Conversion Date prior to 6:00 p.m., New York, New York time) and (B) subject to Section 4.4(b), surrendering this Note at the principal office of the Borrower (upon payment in full of any amounts owed hereunder).

(b) Surrender of Note Upon Conversion. Notwithstanding anything to the contrary set forth herein, upon conversion of this Note in accordance with the terms hereof, the Holder shall not be required to physically surrender this Note to the Borrower unless the entire unpaid principal amount of this Note is so converted. The Holder and the Borrower shall maintain records showing the principal amount so converted and the dates of such conversions or shall use such other method, reasonably satisfactory to the Holder and the Borrower, so as not to require physical surrender of this Note upon each such conversion.

5

(c) Delivery of Common Stock Upon Conversion. Upon receipt by the Borrower from the Holder of a facsimile transmission or e-mail (or other reasonable means of communication) of a Notice of Conversion meeting the requirements for conversion as provided in this Section 4.4, the Borrower shall issue and deliver or cause to be issued and delivered to or upon the order of the Holder certificates for the Common Stock issuable upon such conversion within three (3) business days after such receipt subject to the terms hereof and applicable rules of the Principal Market (as defined hereinbelow) (the “Deadline”) (and, solely in the case of conversion of the entire unpaid principal amount hereof, surrender of this Note) in accordance with the terms hereof and the Purchase Agreement. Upon receipt by the Borrower of a Notice of Conversion, the Holder shall be deemed to be the holder of record of the Common Stock issuable upon such conversion, the outstanding principal amount and the amount of accrued and unpaid interest on this Note shall be reduced to reflect such conversion, and, unless the Borrower defaults on its obligations hereunder, all rights with respect to the portion of this Note being so converted shall forthwith terminate except the right to receive the Common Stock or other securities, cash or other assets, as herein provided, on such conversion. If the Holder shall have given a Notice of Conversion as provided herein, the Borrower’s obligation to issue and deliver the certificates for Common Stock shall be absolute and unconditional, irrespective of the absence of any action by the Holder to enforce the same, any waiver or consent with respect to any provision thereof, the recovery of any judgment against any person or any action to enforce the same, any failure or delay in the enforcement of any other obligation of the Borrower to the holder of record, or any setoff, counterclaim, recoupment, limitation or termination, or any breach or alleged breach by the Holder of any obligation to the Borrower, and irrespective of any other circumstance which might otherwise limit such obligation of the Borrower to the Holder in connection with such conversion.

(d) Delivery of Common Stock by Electronic Transfer. In lieu of delivering physical certificates representing the Common Stock issuable upon conversion, provided the Borrower is participating in the Depository Trust Company (“DTC”) Fast Automated Securities Transfer (“FAST”) program, upon request of the Holder and its compliance with the provisions set forth herein, the Borrower shall use its best efforts to cause its transfer agent to electronically transmit the Common Stock issuable upon conversion to the Holder by crediting the account of Holder’s Prime Broker with DTC through its Deposit and Withdrawal at Custodian (“DWAC”) system.

(e) Failure to Deliver Common Stock Prior to Deadline. Without in any way limiting the Holder’s right to pursue other remedies, including actual damages and/or equitable relief, the parties agree that if delivery of the Common Stock issuable upon conversion of this Note is not delivered by the Deadline due to action and/or inaction of the Borrower, the Borrower shall pay to the Holder \$2,000 per day in cash, for each day beyond the Deadline that the Borrower fails to deliver such Common Stock (the “Fail to Deliver Fee”); provided; however that the Fail to Deliver Fee shall not be due if the failure is a result of a third party (i.e., transfer agent; and not the result of any failure to pay such transfer agent) despite the best efforts of the Borrower to effect delivery of such Common Stock. Such cash amount shall be paid to Holder by the fifth day of the month following the month in which it has accrued or, at the option of the Holder (by written notice to the Borrower by the first day of the month following the month in which it has accrued), shall be added to the principal amount of this Note, in which event interest shall accrue thereon in accordance with the terms of this Note and such additional principal amount shall be convertible into Common Stock in accordance with the terms of this Note. The Borrower agrees that the right to convert is a valuable right to the Holder. The damages resulting from a failure, attempt to frustrate, interference with such conversion right are difficult if not impossible to qualify. Accordingly, the parties acknowledge that the liquidated damages provision contained in this Section 4.4(e) are justified.

6

4.5 Concerning the Shares. The shares of Common Stock issuable upon conversion of this Note may not be sold or transferred unless: (i) such shares are sold pursuant to an effective registration statement under the Act or (ii) the Borrower or its transfer agent shall have been furnished with an opinion of counsel (which opinion shall be in form, substance and scope customary for opinions of counsel in comparable transactions) to the effect that the shares to be sold or transferred may be sold or transferred pursuant to an exemption from such registration (such as Rule 144 or a successor rule) (“Rule 144”); or (iii) such shares are transferred to an “affiliate” (as defined in Rule 144) of the Borrower who agrees to sell or otherwise transfer the shares only in accordance with this Section 4.5 and who is an Accredited Investor (as defined in the Purchase Agreement).

Any restrictive legend on certificates representing shares of Common Stock issuable upon conversion of this Note shall be removed and the Borrower shall issue to the Holder a new certificate therefore free of any restrictive legend if the Borrower or its transfer agent shall have received an opinion of counsel from Holder’s counsel, in form, substance and scope customary for opinions of counsel in comparable transactions, to the effect that (i) a public sale or transfer of such Common Stock may be made without registration under the Act, which opinion shall be accepted by the Company so that the sale or transfer is effected; or (ii) in the case of the Common Stock issuable upon conversion of this Note, such security is registered for sale by the Holder under an effective registration statement filed under the Act; or otherwise may be sold pursuant to an exemption from registration. In the event that the Company does not reasonably accept the opinion of counsel provided by the Holder with respect to the transfer of Securities pursuant to an exemption from registration (such as Rule 144), it will be considered an Event of Default pursuant to this Note.

4.6 Effect of Certain Events.

(a) Effect of Merger, Consolidation, Etc. At the option of the Holder, the sale, conveyance or disposition of all or substantially all of the assets of the Borrower, the effectuation by the Borrower of a transaction or series of related transactions in which more than 50% of the voting power of the Borrower is disposed of, or the consolidation, merger or other business combination of the Borrower with or into any other Person (as defined below) or Persons when the Borrower is not the survivor shall be deemed to be an Event of Default (as defined in Article III) pursuant to which the Borrower shall be required to pay to the Holder upon the consummation of and as a condition to such transaction an amount equal to the Default Amount (as defined in Article III). “Person” shall mean any individual, corporation, limited liability company, partnership, association, trust or other entity or organization.

(b) Adjustment Due to Merger, Consolidation, Etc. If, at any time when this Note is issued and outstanding and prior to conversion of all of the Note, there shall be any merger, consolidation, exchange of shares, recapitalization, reorganization, or other similar event, as a result of which shares of Common Stock of the Borrower shall be changed into the same or a different number of shares of another class or classes of stock or securities of the Borrower or another entity, or in case of any sale or conveyance of all or substantially all of the assets of the Borrower other than in connection with a plan of complete liquidation of the Borrower, then the Holder of this Note shall thereafter have the right to receive upon conversion of this Note, upon the basis and upon the terms and conditions specified herein and in lieu of the shares of Common Stock immediately theretofore issuable upon conversion, such stock, securities or assets which the Holder would have been entitled to receive in such transaction had this Note been converted in full immediately prior to such transaction (without regard to any limitations on conversion set forth herein), and in any such case appropriate provisions shall be made with respect to the rights and interests of the Holder of this Note to the end that the provisions hereof (including, without limitation, provisions for adjustment of the Conversion Price and of the number of shares issuable upon conversion of the Note) shall thereafter be applicable, as nearly as may be practicable in relation to any securities or assets thereafter deliverable upon the conversion hereof. The Borrower shall not affect any transaction described in this Section 4.6(b) unless (a) it first gives, to the extent practicable, ten (10) days prior written notice (but in any event at least five (5) days prior written notice) of the record date of the special meeting of shareholders to approve, or if there is no such record date, the consummation of, such merger, consolidation, exchange of shares, recapitalization, reorganization or other similar event or sale of assets (during which time the Holder shall be entitled to convert this Note) and (b) the resulting successor or acquiring entity (if not the Borrower) assumes by written instrument the obligations of this Note. The above provisions shall similarly apply to successive consolidations, mergers, sales, transfers or share exchanges.

7

(c) Adjustment Due to Distribution. If the Borrower shall declare or make any distribution of its assets (or rights to acquire its assets) to holders of Common Stock as a dividend, stock repurchase, by way of return of capital or otherwise (including any dividend or distribution to the Borrower’s shareholders in cash or shares (or rights to acquire shares) of capital stock of a subsidiary (i.e., a spin-off)) (a “Distribution”), then the Holder of this Note shall be entitled, upon any conversion of this Note after the date of record for determining shareholders entitled to such Distribution, to receive the amount of such assets which would have been payable to the Holder with respect to the shares of Common Stock issuable upon such conversion had such Holder been the holder of such shares of Common Stock on the record date for the determination of shareholders entitled to such Distribution.
