Business Overview

We operate in the following four segments: (i) manufacturing and construction services; (ii) medical; (iii) real estate development; and (iv) environmental. The manufacturing and construction segment designs and manufactures modular structures built in our factories using raw materials that are Made-in-America. In the medical segment we have previously used our modular technology to offer prefabricated health facilities for on-site immediate COVID-19 testing and plan to provide our modular technology to offer turnkey solutions to medical testing and treatment and generating revenue from medical testing. Our real estate development segment’s current business focus is primarily on the direct acquisition and indirect investment in properties nationally that will be further developed in the future into green single or multi-family projects. The environmental segment, the newest segment, plans to offer a sustainable medical and waste management solution that will utilize a patented technology to collect waste and treat waste for safe disposal.

We are a provider of modular facilities (“Modules”). We currently provide Modules made out of both code-engineered cargo shipping containers and traditional construction using wood and steel framing for use as both permanent or temporary structures for residential housing use and commercial use. Prior to the COVID-19 pandemic, the Modules we supplied were primarily for retail, restaurant and military use and were manufactured by third party suppliers using our proprietary technology and design and engineering expertise, which modifies code-engineered cargo shipping containers and purpose-built modules for use for safe and sustainable commercial, industrial and residential building. In March 2020, in response to the COVID-19 pandemic we began increasing our focus on providing our Modules as health care facilities for deployable medical response solutions. In September 2020, we acquired substantially all the assets of Echo DCL, LLC, a Texas limited liability company (“Echo”), except for Echo’s real estate holdings. Echo was a container/modular manufacturer based in Durant, Oklahoma specializing in the design and construction of permanent modular and temporary modular buildings and was one of our key supply chain partners. This acquisition allowed us to have more control over the manufacturing process and, as a result, we have increased our product offerings to add Modules made out of wood, steel and traditional construction materials.

During 2021, through our former subsidiary, Safe and Green Development Corporation. (“SG DevCorp” or “SG Development”) we also began to focus on acquiring property to build multi-family housing projects in underserved regions utilizing the manufacturing services of our subsidiary SG Echo, LLC (“SG Echo”). In March 2022, we formed SG Environmental Solutions Corp. (“SG Environmental”) to focus on biomedical waste removal utilizing a patented technology that it licenses to shred and disinfect biomedical waste, rendering the waste disinfected, unrecognizable, and of no greater risk to the public health than residential household waste. In March 2023, we formed Safe and Green Medical Corporation (“SG Medical”), to focus on providing our Modules as health care facilities with various clinics and labs that cater to the specific needs of local communities. To date, we have not generated revenue from SG Environmental or SG Medical.

During 2024, our ownership in SG DevCorp fell below 50%, and we deconsolidated SG DevCorp from our financial statements (the “Deconsolidation”). The decrease in ownership percentage resulted from additional equity transactions of SG DevCorp. The Deconsolidation represents a strategic shift in our operations and will have a major effect on our operations and financial results.

Recent Developments

June Line of Credit

On June 3, 2025 (the “Effective Date”), Olenox Corp. (the “Borrower”), a wholly owned subsidiary of Safe & Green Holdings Corp. (the “Company”), entered into a Promissory Note (the “Note”) in favor of Prosperity Bank (the “Lender”) in the aggregate principal amount of \$2,000,000 (the “Principal”). The Note evidences a revolving Line of Credit of Olenox with the Lender. After all loan processing and origination fees of \$15,002, the Borrower received net loan proceeds of \$1,984,998. The Note is secured by the Company’s Certificate of Deposit held with the Lender with an approximate balance of \$2,000,000

The Note shall bear interest at a rate of five percent (5%) per annum. Interest shall be calculated based on a year of 360 days. The Note shall be due in full immediately upon Lender’s demand. If no demand is made, Borrower will pay all outstanding principal and all accrued unpaid interest on June 2, 2026. In addition, the Borrower will pay regular monthly payments of all accrued interest due as of each payment date, beginning July 2, 2025. The Borrower may prepay all or a portion of the principal without penalty earlier than it is due. If a payment is 10 days or more late, the Borrower will be charged a late charge 5.00% of the unpaid portion of the regular payment. The Lender reserves a right of setoff in all of the Borrower’s accounts with the Lender (whether checking, savings, or some other account). The Borrower authorizes the Lender, to the extent permitted by applicable law, to charge or setoff all sums owing on the indebtedness against any and all such accounts. The Note provides for a commercial guaranty by Michael McLaren.

Among others, the following shall constitute an event of default under the Note (each an “Event of Default”): if the Borrower fails to make any payment when due under the Note; if the Borrower fails to comply with or to perform any other term, obligation, covenant, or condition contained in the Note or any related documents; any representation or statement made by the Borrower to the Lender is false or misleading in any material respect; a change in ownership of twenty-five percent (25%) or more of the common stock of the Borrower; or a material adverse change in the Borrower’s financial condition. Upon an Event of Default, the interest rate on the Note shall be 18.00%.

The Note contains covenants applicable to the Borrower pertaining to the line of credit, including, among others, that the Borrower agrees to: maintain books and records of its operations (the “Books and Records”) to the need for the line of credit; permit the Lender or any of the Lender’s representatives, inspect and/or copy the Books and Records; and to provide the Lender any documentation requested which support the reason for making any advance under the line of credit. Further, the Note provides that the Borrower shall furnish from time to time to the Lender, upon the Lender’s request, copies of balance sheets of the Borrower, and copies of statements of income and cash flows of the Borrower.

May Equity Line of Credit

On May 29, 2025 (the “Effective Date”), Safe & Green Holdings Corp. (the “Company”) entered into a Stock Purchase Agreement (the “ELOC Purchase Agreement”) with Generating Alpha Ltd., a Saint Kitts and Nevis Company (the “Purchaser”), whereby the Company shall issue and sell to the Purchaser, subject to the terms and conditions of the ELOC Purchase Agreement, up to an aggregate of \$100 million (the “Commitment Amount”) of newly issued shares (the “ELOC Shares”) of the Company’s common stock, par value \$0.01 per share (the “Common Stock”).

The Company does not have a right to commence any sales of Common Stock to the ELOC Purchaser under the ELOC Purchase Agreement until the time when all of the conditions to the Company’s right to commence sales of Common Stock to the ELOC Purchaser set forth in the ELOC Purchase Agreement have been satisfied, including that a registration statement of such shares is declared effective by the SEC and the final form of prospectus is filed with the SEC (the “Commencement Date”). Over the period ending on the earlier of May 8, 2026, or the date on which the Purchaser shall have purchased ELOC Shares pursuant to the ELOC Purchase Agreement for an aggregate purchase price of the Commitment Amount, the Company will control the timing and amount of any sales of ELOC Shares to the ELOC Purchaser. Actual sales of shares of Common Stock to the ELOC Purchaser under the ELOC Purchase Agreement will depend on a variety of factors to be determined by the Company from time to time, including, among others, market conditions, the trading price of the Common Stock and determinations made by the Company as to appropriate sources of funding.

The purchase price of the shares of ELOC Shares that the Company elects to sell to the ELOC Purchaser pursuant to the ELOC Purchase Agreement will be equal to the lowest traded price of Common Stock during the seven (7) trading days prior to the applicable closing date multiplied by 90%.

In no event may the Company issue to the ELOC Purchaser under the ELOC Purchase Agreement more than the 4.99% of the total number of the Company’s shares of Common Stock issued and outstanding immediately prior to the execution of the ELOC Purchase Agreement (the “Applicable Exchange Cap”), unless the Company obtains stockholder approval to issue shares of Common Stock in excess of the Applicable Exchange Cap. In any event, the ELOC Purchase Agreement provides that the Company may not issue or sell any shares of Common Stock under the ELOC Purchase Agreement if such issuance or sale would breach any applicable Nasdaq rules.

The ELOC Purchase Agreement prohibits the Company from directing the Company to purchase any shares of Common Stock if those shares, when aggregated with all other shares of Common Stock then beneficially owned by the ELOC Purchaser (as calculated pursuant to Section 13(d) of the Securities Exchange Act of 1934, as

amended), would result in the ELOC Purchaser beneficially owning more than 4.99% of the outstanding Common Stock.

The ELOC Purchase Agreement provides that the Company shall file a registration statement registering the resale of the maximum number of ELOC Shares as shall be permitted by applicable law within ten (10) calendar days following the Effective Date of the ELOC Purchase Agreement. The Company shall use its best efforts to have the registration statement declared “effective” within thirty (30) days of the date of the ELOC Purchase Agreement, but no more than sixty (60) calendar days after the Company has filed the registration statement.

Sherman Oil Asset Purchase

On May 28, 2025, Safe & Green Holdings Corp. (“the Company”) entered into an asset purchase agreement (the “Asset Purchase Agreement”) with Sherman Oil Company LLC and its affiliates (“Sherman Oil”), pursuant to which the Company will acquire approximately 1,600 acres of held-by-production oil leases for oil wells located in Wichita County and Wilbarger County, Texas (the “Assets”) for a purchase price of \$1,000,000 (the “Purchase Price”). The purchase of the Assets includes Sherman Oil’s operational equipment of the oil wells.

Pursuant to the Asset Purchase Agreement, the Company will pay the Purchase Price as follows: \$250,000 in cash on the closing date, \$250,000 in cash within 90 days of the closing date, \$250,000 in cash within 180 days of the closing date, and \$250,000 in cash within 240 days of the closing date. The payments will bear no interest. The Asset Purchase Agreement contains customary representations, warranties, and covenants.

April Promissory Note

On April 11, 2025 (the “Issue Date”), Safe & Green Holdings Corp. (the “Company”) executed and issued a Promissory Note (“Note”) in favor of Generating Alpha Ltd. (the “Lender”) in the aggregate principal amount of \$267,000 (the “Principal”), and an accompanying Securities Purchase Agreement (the “SPA”) and Registration Rights Agreement (the “RRA”).

The Note was purchased by the Lender for a purchase price of \$213,600, representing an original issue discount of \$53,400. The Note shall bear interest at a rate of fifteen percent (15%) per annum, with the understanding that the first twelve months of interest under the Note (equal to \$40,050), shall be guaranteed and earned in full as of the Issue Date. Any amount of Principal or interest due under the Note which is not paid when due shall bear interest at eighteen percent (18%) per annum (“Default Interest”). The Company shall make monthly payments on the Note (each an “Amortization Payment”) in the amount of \$30,705, due and payable each month commencing on July 4, 2025, and ending on April 6, 2026. The Company may accelerate the payment date of any Amortization Payment by giving notice to the Lender.

If the Company fails to pay any Amortization Payment when due, in addition to all other rights under the Note, the Lender shall have the right to convert at any time any portion of the Note at a price per share equal to the Market Price. “Market Price” shall mean the lesser of (i) the then applicable conversion price under the Note or (ii) 80% of the lowest closing price of the Company’s shares of common stock, par value \$0.01 (“Common Stock”) on any trading day during the ten trading days prior to the conversion date. If an event of default occurs under the Note, then, in addition to all other rights under the Note, the Lender shall have the right to convert at any time any portion of the Note at a price per share equal to the Alternate Price. “Alternate Price” shall mean the lesser of (i) the then applicable conversion price, (ii) the closing price of the Common Stock on the date of the event of default (provided, however, that if such date is not a trading day, then the next trading day after the event of default), or (iii) \$0.52 (subject to adjustment as provided in the Note).

The total cumulative number of shares of Common Stock issued to Lender under the Note, together with the SPA and RRA, may not exceed the requirements of Nasdaq Listing Rule 5635(d) (the “Nasdaq 19.99% Cap”), except that if the number of shares of Common Stock issued to Lender reaches the Nasdaq 19.99% Cap, the Company, at its election, will use reasonable commercial efforts to obtain stockholder approval of the Note and the issuance of additional conversion shares, in accordance with the requirements of Nasdaq Listing Rule 5635(d) (the “Approval”). If the Company is unable to obtain such Approval, any remaining outstanding balance of the Note must be repaid in cash.

Among others, the following shall be considered events of default under the Note (“Event of Default”): if the Company fails to pay an Amortization Payment when due on the Note; the Company fails to perform or observe any covenant, term, provision, condition, agreement, or obligation of the Company under the Note, the SPA, or the RRA; the Company shall make an assignment for the benefit of creditors, or apply for or consent to the appointment of a receiver or trustee for it or for a substantial part of its property or business.

After an Event of Default, in addition to all other rights under the Note, the Lender shall have the right to convert any portion of the Note at any time at a price per share equal to the Alternate Price. The “Alternate Price” shall mean the lesser of (i) the applicable conversion price under the Note, (ii) the closing price of the Common Stock on the date of the Event of Default, or (iii) \$0.52.

So long as the Company has any obligation under the Note, the Company shall not, without the Lender’s written consent: pay, declare, or set apart for such payment, any dividend or other distribution; redeem, repurchase, or otherwise acquire any shares of capital stock of the Company; repay any indebtedness of the Company; or sell, lease, or otherwise dispose of any significant portion of the Company’s assets outside the ordinary course of business.

Commencing sixty (60) days after free trading shares of Common Stock are available to the Lender, the Company may deliver a notice to the Lender (an “Optional Redemption Notice”) of its election to redeem the outstanding balance together with all unpaid interest accrued thereon of the Note for cash at a redemption price equal to: one hundred and ten percent (110%) multiplied by the then-outstanding balance together with all unpaid interest accrued thereon of the Note. Upon receipt of the Optional Redemption Notice, the Lender shall have the option to convert up to 1/3 of the outstanding balance of the Note at the lower of the fixed conversion price or the alternative conversion price. If a change of control occurs, an additional 5% premium would be owed on the outstanding balance.

April 2025 Private Placement

On April 14, 2025, Safe & Green Holdings Corp. (the “Company”) consummated the previously announced private placement (the “Private Placement”) pursuant to a securities purchase agreement (the “Purchase Agreement”) with institutional investors (the “Purchasers”) for the purchase and sale of approximately \$8 million of shares of the Company’s common stock (the “Common Stock”) and investor warrants at a price of \$0.392 per Common Unit. The entire transaction was priced at the market under Nasdaq rules. The offering consisted of the sale of Common Units (or Pre-Funded Units), each consisting of (i) one (1) share of Common Stock or one (1) Pre-Funded Warrant, (ii) one (1) Series A PIPE Common Warrant to purchase one (1) share of Common Stock per warrant at an exercise price of \$0.784 (the “Series A Warrant”) and (iii) one (1) Series B PIPE Common Warrant to purchase one (1) share of Common Stock per warrant at an exercise price of \$0.98 (the “Series B Warrant”) and together with the Series A Warrant, the “Warrants”).

The initial exercise price of each Series A Warrant is \$0.784 per share of Common Stock. The Series A Warrants are exercisable following stockholder approval and expire five (5) years thereafter. The number of securities issuable under the Series A Warrant is subject to adjustment as described in more detail in the Series A Warrant. The initial exercise price of each Series B Warrant is \$0.98 per share of Common Stock or pursuant to an alternative cashless exercise option. The Series B Warrants are exercisable

following stockholder approval and expire two and one-half (2.5) years thereafter. The number of securities issuable under the Series B Warrant is subject to adjustment as described in the Series B Warrant.

Each Pre-Funded Warrant is exercisable for one share of Common Stock for \$0.0001 immediately upon issuance until all of the Pre-Funded Warrants are exercised in full. The number of Pre-Funded Warrant Shares are subject to adjustments for stock splits, recapitalizations, and reorganizations. The shares of Common Stock, shares underlying the Series A Warrants and shares underlying the Series B Warrants are collectively referred to as the “Securities”.

In connection with the Private Placement, the Company entered into a registration rights agreement with the Purchasers on April 14, 2025 (the “Registration Rights Agreement”), pursuant to which the Company is required to file a registration statement covering the resale of the Securities by April 30, 2025.

The Company will not be registering the shares underlying the Series A Warrant and Series B Warrant, as the Company has renegotiated the transaction, to eliminate the Series A and Series B Warrants with the investors from the April Private Placement. On February 2, 2025, the Company entered into an Agreement and Plan of Merger (the “Merger Agreement”) by and between the Company and New Asia Holdings, Inc., a Nevada corporation (“NAHD”), pursuant to which NAHD will be merged into a to-be-formed subsidiary of the Company (the “Merger”). Following this Merger, the NAHD operating subsidiaries will be indirect, wholly owned subsidiaries of the Company.

As merger consideration, the Company will issue four million (4,000,000) Series A non-voting convertible preferred shares of the Company, par value \$1.00 (the “Preferred Shares”), to the NAHD shareholders. Each Preferred Share has the right to convert into shares of common stock of the Company at a ratio of 1 to 15 (each Preferred Share will convert into 15 shares of common stock of the Company), provided, however, that such conversion is subject to the approval of a majority of the Company’s common shareholders.

The Merger Agreement contain customary representations, warranties, and covenants. The Merger Agreement also contain conditions to the completion of the Merger including the filing of the articles of incorporation and/or organization for the merger subsidiaries, and the adoption of board resolutions and/or sole member resolutions by the merger subsidiaries approving the Merger. The parties expect to complete these transactions as soon as practicable following the satisfaction or waiver of the condition to the Merger.

Following the Merger, NAHD and its subsidiaries Olenox Corp., a Nevada corporation, and Machfu Inc., a Delaware corporation, will be indirect, wholly owned subsidiaries of the Company.

As a result of the transaction, which positively impacts stockholders’ equity by approximately \$35 million, as of the date of this filing the Company believes it has stockholders’ equity of at least \$2.5 million as required by Nasdaq Listing Rule 5550(b)(1) (the “Rule”). The Company is awaiting Nasdaq’s confirmation that it has evidenced compliance with the Rule.

Reverse Stock Split

On May 2, 2024, we effected a 1-for-20 reverse stock split of our outstanding Common Stock (“Reverse Split”). As a result of the Reverse Split, each of our stockholders received one new share of Common Stock for every 20 shares such stockholder held immediately prior to the effective time of the Reverse Split. The Reverse Split affected all of our issued and outstanding shares of Common Stock equally. The Reverse Split also affected our outstanding stock options, warrants and other exercisable or convertible securities and resulted in the shares underlying such instruments being reduced and the exercise price being increased proportionately. No fractional shares were issued as a result of the Reverse Split. Any fractional shares that would have otherwise resulted from the Reverse Split was paid in cash, at an amount equal to the resulting fractional interest in one share of the Common Stock to which the stockholder would otherwise be entitled, multiplied by the closing trading price of our Common Stock on May 2, 2024. Except as indicated otherwise herein, the calculations based on outstanding Common Stock amounts after May 2, 2024 reflect the Reverse Split. Except where indicated otherwise therein, the documents incorporated by reference herein do not reflect the Reverse Split.

Nasdaq Continued Listing Rule Compliance

On July 8, 2025, Safe & Green Holdings Corp. (the “Company”) received a decision letter from the Nasdaq Hearings Panel (the “Panel”) granting the Company’s request for continued listing on the Nasdaq Capital Market. The decision is conditioned on the Company maintaining full compliance with all continued listing requirements of the Nasdaq Capital Market by August 28, 2025. On or before August 28, 2025, the Company must effect a reverse stock split and demonstrate compliance with Nasdaq Listing Rule 5550(a)(2) by achieving a closing bid price of \$1.00 or more per share for at least ten (10) consecutive business days.

On or before July 18, 2025, the Company must publicly disclose that it has restructured the terms of its April 2025 offering to eliminate the Class B warrants and provide Nasdaq with confirmation that no shares underlying the Class B warrants were issued.

The Panel's decision follows the Company's hearing before the Panel on June 17, 2025, during which the Company presented a plan to regain compliance, including its intention to implement a reverse stock split and restructure certain previously issued warrants to mitigate dilution concerns.

Exchange Agreement

On July 17, 2025, the Company entered into an Exchange Agreement (the "Exchange Agreement") by and among the Company and the Investors. Pursuant to the Exchange Agreement, the parties intended to effect a voluntary security exchange transaction (the "Transaction") whereby the Investors will exchange the Series A and Series B Warrants previously purchased in the April 14, 2025 private placement (the "April 2025 Private Placement") for an aggregate of 60,000 shares of Series B Preferred Stock (the "Exchange Shares"), with the New Series B Convertible Preferred Stock's rights and preferences being set forth on that certain certificate of designation (the "Certificate of Designation") of the Company, filed with the State of Delaware on July 17, 2025, in substantially in the form set forth as Exhibit 3.1 on the Company's current report on Form 8-K, filed on July 18, 2025.

The Exchange Agreement contains other customary provisions including representations and warranties for the Company and the Investors, governing law, and notice.

In connection with the above, the Company has planned on Annual Meeting on August 25, 2025, and plans to conduct a Reverse Stock Split at a range of one-for-ten (1-for-10) to a maximum of a one-for-one hundred (1-for-100) with the exact ratio to be determined by our board of directors in its sole discretion.

On June 11, 2025, Safe & Green Holdings Corp. (the "Company") was notified by the Listing Qualifications Department of The Nasdaq Stock Market LLC ("Nasdaq") that, based upon the Company's continued non-compliance with the minimum \$1.00 bid price requirement set forth in Nasdaq Listing Rule 5550(a)(2) (the "Rule") as of June 10, 2025, the deficiency could serve as an additional basis for the delisting of the Company's securities from Nasdaq. The Company plans to present its plan to regain compliance with the Rule at its upcoming hearing before the Nasdaq Hearings Panel. The notice has no immediate effect on the listing or trading of the Company's common stock and the Company's common stock will continue to trade under symbol "SGBX" at least pending the ultimate conclusion of the hearing process.

As previously disclosed, on December 12, 2024, Nasdaq notified the Company that the bid price of its listed securities had closed at less than \$1.00 per share over the previous 30 consecutive business days and, as a result, the Company did not comply with the Rule. In accordance with Nasdaq Listing Rule 5810(c)(3)(A), the Company was provided 180 calendar days, or until June 10, 2025, to regain compliance with the Rule. The Company was not eligible for a second grace period to regain compliance with the Rule and, accordingly, the Staff issued the additional delist determination dated June 11, 2025.

On May 13, 2025, Safe & Green Holdings Corp. (the "Company") received a notification letter from the Listing Qualifications Department of The Nasdaq Stock Market LLC ("Nasdaq"), stating that based on its review of the Company's public filings with the Securities and Exchange Commission (the "SEC"), its staff has determined to delist the Company's securities pursuant to its discretionary authority under Listing Rule 5101. Specifically, as set forth in the letter, Nasdaq's staff determined that the Company's issuance of securities pursuant to the securities purchase agreement dated April 14, 2025, particularly the Series B warrants exercisable on an alternate cashless basis as described in the Company's prior SEC filings, raises public interest concerns because the issuance resulted in substantial dilution for its shareholders. Accordingly, as set forth in the letter, this matter serves as an additional basis for delisting the Company's securities from Nasdaq.

The letter serves as a formal notification that the Nasdaq Hearings Panel (the "Panel") will consider this matter in rendering a determination regarding the Company's continued listing on Nasdaq. Pursuant to Listing Rule 5810(d), the Company should present its views with respect to this additional deficiency at its upcoming Panel hearing.

The Company has submitted an appeal of this determination prior to the appeal deadline of May 20, 2025, and has submitted a compliance plan to the Panel in connection with same.

On April 19, 2024, we received a delinquency letter from the Nasdaq Stock Market LLC ("Nasdaq") notifying us that we were not in compliance with the continued listing requirements set forth in Nasdaq Listing Rule 5250(c)(1) ("Rule 5250(c)(1)"), which requires timely filing of periodic reports with the SEC for continued listing. On May 13, 2024, we received a letter (the "May 13 Compliance Notice") from Nasdaq notifying the Company that it was now in compliance with Rule 5250(c)(1). Based on the May 7, 2024 and May 10, 2024 filings of the Company's Form 10-K and Form 10-K/A, respectively, for the year ended December 31, 2023, Nasdaq has determined that the Company has regained compliance with Rule 5250(c)(1), and this matter is now closed according to the May 13 Compliance Notice.

On May 10, 2024, we received a letter (the "Delisting Notice") from Nasdaq notifying the Company that Nasdaq previously notified the Company on November 7, 2023 that the Company was not in compliance with Nasdaq Listing Rule 5550(a)(2) ("Rule 5550(a)(2)"), which requires a minimum bid price of at least \$1.00 per share for continued listing. On May 16, 2024, the Company received a letter (the "May 16 Compliance Notice") from Nasdaq notifying the Company that it was now in compliance with Rule 5550(a)(2). Based on the Company's closing bid price at or greater than \$1.00 per share for 10 consecutive business days, from May 2, 2024 to May 15, 2024, Nasdaq has determined that the Company has regained compliance with Rule 5550(a)(2), and this matter is now closed according to the May 16 Compliance Notice.

Nasdaq Deficiency Notice

On May 16, 2024, the Company received a letter (the "Deficiency Notice") from Nasdaq notifying the Company that it was not in compliance with Nasdaq Listing Rule 5550(b)(1) ("Rule 5550(b)(1)") because the stockholders' equity of the Company of (\$6,334,859), as reported in the Company's Annual Report on Form 10-K for the year ended December 31, 2023, was below the minimum requirement of \$2.5 million. As of May 17, 2024, the Company does not have a market value of listed securities of \$35 million, or net income from continued operations of \$500,000 in the most recently completed fiscal year or in two of the last three most recently completed fiscal years, the alternative quantitative standards for continued listing on Nasdaq.

The notification received has no immediate effect on the Company's continued listing on Nasdaq, subject to the Company's compliance with the other continued listing requirements.

In accordance with Nasdaq's Listing Rules, the Company had 45 calendar days from the date of the Deficiency Notice, or no later than June 30, 2024, to submit a plan to regain compliance with Rule 5550(b)(1) (a "Compliance Plan"). The Company has submitted a Compliance Plan within 45 calendar days of the date of the Deficiency Notice and will evaluate available options to regain compliance. The Company was granted up to 180 calendar days from May 16, 2024, to evidence compliance with Rule 5550(b)(1).

On November 18, 2024, we received a letter from Nasdaq notifying the Company that the Company did not meet the terms of the extension granted by Nasdaq for the Company to comply with the minimum \$2,500,000 stockholders' equity requirement for continued listing set forth in Listing Rule 5550(b). As a result, unless the Company requests an appeal of this determination by November 25, 2024, trading of the company's common stock will be suspended at the opening of business on November 27, 2024, and the Company's securities will be removed from listing and registration on The Nasdaq Stock Market. The Company filed the requisite appeal and was granted a hearing at a Nasdaq panel to present its plan to cure to the deficiency, at which time the panel may grant up to 6 months' time for the Company to reach the required minimum of \$2,500,000 in stockholders' equity.

On December 12, 2024, the Company received a letter from Nasdaq notifying the Company that for the preceding 30 consecutive business days (October 30, 2024 through December 11, 2024), the Company's common stock did not maintain a minimum closing bid price of \$1.00 per share as required by Nasdaq Listing Rule 5550(a)(2). The Company has an initial compliance period of 180 calendar days, or until June 10, 2025, to regain compliance, which may be achieved if the closing bid price of the Company's common stock is at or above \$1.00 for a minimum of ten consecutive business days. If the Company does not achieve compliance by June 10, 2025, the Company may be eligible for additional time to comply.

Smaller Reporting Company

We are currently a "smaller reporting company," meaning that we are not an investment company, an asset-backed issuer, or a majority-owned subsidiary of a parent company that is not a smaller reporting company, and have a public float of less than \$250 million or annual revenues of less than \$100 million during the most recently completed fiscal year. As a result of being considered a "smaller reporting company," we will be entitled to certain exemptions regarding the disclosure that we are required to provide in our SEC filings. Specifically, "smaller reporting companies" are able to provide simplified executive compensation disclosures in their filings; are exempt from the provisions of Section 404(b) of Sarbanes-Oxley requiring that independent registered public accounting firms provide an attestation report on the effectiveness of internal control over financial reporting; and have certain other decreased disclosure obligations in their SEC filings, including, among other things, only being required to provide two years of audited financial statements in annual reports. Decreased disclosures in our SEC filings due to our status as a "smaller reporting company" may make it harder for investors to analyze our results of operations and financial prospects.

RISK FACTORS

Investing in our securities involves a high degree of risk. Before investing in our securities, you should carefully consider the risks, uncertainties and assumptions contained in this prospectus and discussed under the heading “Risk Factors” included in our most recently filed Form 10-K, as revised or supplemented by subsequent filings, which are on file with the SEC and are incorporated herein by reference, and which may be amended, supplemented or superseded from time to time by other reports we file with the SEC in the future. Our business, financial condition, results of operations and future growth prospects could be materially and adversely affected by any of these risks. In these circumstances, the market price of our Common Stock could decline, and you may lose all or part of your investment.

Risks Related to this Offering

Investors who buy shares at different times will likely pay different prices.

Investors who purchase shares in this offering at different times will likely pay different prices, and so may experience different levels of dilution and different outcomes in their investment results. Similarly, the Selling Stockholder may sell such shares at different times and at different prices. Investors may experience a decline in the value of the shares they purchase from the Selling Stockholder in this offering as a result of sales made by us in future transactions to the Selling Stockholder at prices lower than the prices they paid. The Selling Stockholder will have discretion to vary the timing, prices, and number of shares sold in this offering. Investors may experience a decline in the value of their shares of our Common Stock. The trading price of our Common Stock has been volatile and subject to wide fluctuations.

The issuance of Common Stock to the Selling Stockholder may cause substantial dilution to our existing stockholders and the sale of such shares acquired by the Selling Stockholder could cause the price of our Common Stock to decline.

We are registering for resale by the Selling Stockholder up to 20,408,160 shares of Common Stock, consisting of (1) 2,504,040 Shares and (2) 17,904,120 Pre-Funded Warrant Shares. The number of shares of our Common Stock ultimately offered for resale by the Selling Stockholder under this prospectus is dependent the number of Registrable Securities issued. Depending on a variety of factors, including market liquidity of our Common Stock, the issuance of shares to the Selling Stockholder may cause the trading price of our Common Stock to decline.

Our need for future financing may result in the issuance of additional securities, which will cause investors to experience dilution.

Our cash requirements may vary from those now planned depending upon numerous factors. We expect to require additional capital until our operations generate sufficient revenue to cover our expenses. Accordingly, we will need to obtain substantial additional funding in connection with our continuing operations. Our securities may be offered to other investors at a price lower than the price per share offered to current stockholders, or upon terms which may be deemed more favorable than those offered to current stockholders. In addition, the issuance of securities in any future financing may dilute an investor’s equity ownership and have the effect of depressing the market price for our securities. Moreover, we may issue derivative securities, including options, restricted stock units or warrants, from time to time, to procure qualified personnel or for other business reasons. The issuance of any such derivative securities, which is at the discretion of our board of directors, may further dilute the equity ownership of our stockholders.

We have additional securities available for issuance, which, if issued, could adversely affect the rights of the holders of our Common Stock.

Our Amended and Restated Certificate of Incorporation, as amended, authorizes the issuance of 75,000,000 shares of our Common Stock and 5,405,010 shares of preferred stock. In certain circumstances, the Common Stock, as well as the awards available for issuance under our equity incentive plan, can be issued by our board of directors, without stockholder approval. Any future issuances of such stock, including pursuant to outstanding equity awards, would further dilute the percentage ownership of us held by holders of Common Stock. In addition, the issuance of certain securities, may be used as an “anti-takeover” device without further action on the part of our stockholders, and may adversely affect the holders of the Common Stock.

Future sales of our Common Stock could cause the market price for our Common Stock to decline.

We cannot predict the effect, if any, that market sales of shares of our Common Stock or the availability of shares of our Common Stock for sale will have on the market price of our Common Stock prevailing from time to time. Sales of substantial amounts of shares of our Common stock in the public market, or the perception that those sales will occur, could cause the market price of our Common Stock to decline or be depressed.

The shares of Common Stock issued in connection with this offering will be freely tradeable without restriction or further registration under the Securities Act.

Because we will not declare cash dividends on our Common Stock in the foreseeable future, stockholders must rely on appreciation of the value of our Common Stock for any return on their investment.

We have never declared or paid cash dividends on our Common Stock. We currently anticipate that we will retain future earnings for the development, operation and expansion of our business and will not declare or pay any cash dividends in the foreseeable future. As a result, only appreciation of the price of our Common Stock, if any, will provide a return to investors in this offering.

- We could experience a shortfall in cash over the next twelve months.
- Our independent registered public accounting firm has expressed doubt about our ability to continue as a going concern.

- The requirements of being a public company may strain our resources and divert management’s attention.
- We are dependent on the services of key personnel, a few customers and vendors.
- We currently are, and may in the future be, subject to legal proceedings or investigations.
- The loss customers or vendors could have a material adverse effect on us.

- We are subject to cybersecurity risks.
- We could suffer adverse tax and other financial consequences if we are unable to utilize our net operating loss carryforwards.

Risks Relating to our Common Stock

We have failed, and may continue to fail, to meet the listing standards of Nasdaq, and as a result our common stock may become delisted, which could have a material adverse effect on the liquidity of our common stock.

If we fail to continue to satisfy the continued listing requirements of Nasdaq, such as the corporate governance or public float requirements, or the minimum closing bid price requirement, Nasdaq will take steps to de-list our common stock. As a result of several factors, including but not limited to our financial performance, market sentiment about our industry, volatility in the financial markets generally due to the tightening of monetary policy by the Board of Governors of the United States Federal Reserve Bank (the “Federal Reserve”) and other geopolitical events, events such as the ongoing wars around the world, the per share price of our common stock has declined below the minimum bid price threshold required for continued listing. Such a de-listing would likely have a negative effect on the price of our common stock and would impair your ability to sell or purchase our common stock when you wish to do so, as well as adversely affect our ability to issue additional securities and obtain additional financing in the future.

- Failure to meet the continued listing requirements of the Nasdaq Capital Market could result in a delisting.
- Our stock price has been subject to fluctuations in the past, has recently been volatile and our stock is thinly traded.
- The requirements of being a public company may strain our resources.
- Sales of shares of our common stock, could cause the price of our common stock to decline and result in dilution.
- Certain provisions of Delaware law could discourage, delay or prevent a merger or acquisition at a premium price.
- We have availed ourselves of reduced disclosure requirements, which may make our common stock less attractive.

We may not actually achieve the plans, intentions or expectations disclosed in our forward-looking statements, and you should not place undue reliance on our forward-looking statements. Forward-looking statements should be regarded solely as our current plans, estimates and beliefs. USE OF PROCEEDS

We received approximately \$8 million in proceeds pursuant to the April Private Placement, before deducting placement agent fees and other expenses payable by the Company.

However, we will not receive any proceeds from the sale of the Registrable Securities by the Selling Stockholder.

We currently intend to use these proceeds for working capital and other general corporate purposes.

We will pay the expenses of registration of the Registrable Securities covered by this prospectus, including legal and accounting fees.

The prices at which the Registrable Securities may actually be sold will be determined by the prevailing public market price for shares of our Common Stock, by negotiations between the Selling Stockholder and buyers of our Common Stock in private transactions or as otherwise described in “Plan of Distribution.”

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table shows the ownership of our Common Stock beneficially owned by our current directors, named executive officers, our directors and current executive officers as a group and our 5% stockholders as of July 18, 2025 and as adjusted to reflect the sale of the securities offered in this offering (assuming the issuance of all of the 20,408,160 shares of Common Stock being registered in this offering which are not outstanding as of April 25, 2025), by (i) each current director, (ii) each named executive officer, (iii) each person who we know to be the beneficial owner of more than 5% of our Common Stock, and (iv) all current directors and executive officers as a group. The persons named in the table have sole voting and investment power with respect to all shares of our Common Stock shown as beneficially owned by them. Percentage ownership prior to this offering is based on 12,120,651 shares of our Common Stock outstanding as of July 18, 2025. Percentage ownership after this offering is based on 20,408,160 shares of our Common Stock outstanding assuming the issuance of all of the 20,408,160 shares of Common Stock being registered in this offering which are not outstanding on the date hereof.

Unless otherwise indicated, the address of each beneficial owner listed in the table below is c/o Safe and Green Development Corporation, 990 Biscayne Boulevard, #501, Office 12, Miami, Florida 33132.

We have determined beneficial ownership in accordance with the rules of the SEC. These rules generally attribute beneficial ownership of securities to persons who possess sole or shared voting power or investment power with respect to those securities. In addition, the rules include shares of Common Stock issuable pursuant to the exercise of profits interest units, warrants or other rights that are either immediately exercisable or exercisable on or before July 18, 2025, which is approximately 60 days after the date of this prospectus. These shares are deemed to be outstanding and beneficially owned by the person holding those options or warrants for the purpose of computing the percentage ownership of that person, but they are not treated as outstanding for the purpose of computing the percentage ownership of any other person. Unless otherwise indicated, the persons or entities identified in this table have sole voting and investment power with respect to all shares shown as beneficially owned by them, subject to applicable community property laws.

SELLING STOCKHOLDER

The shares of Common Stock being offered by the Selling Stockholder are the Registrable Securities, consisting of the Shares and the Pre-Funded Warrant Shares. For additional information regarding the issuance of these securities, see “Prospectus Summary — The Offering” on page 9 of this prospectus. We are registering the Registrable Securities in order to permit the Selling Stockholder to offer the shares for resale from time to time.

The following table sets forth certain information with respect to the Selling Stockholder, including (i) the number of shares of our Common Stock beneficially owned by the Selling Stockholder prior to this offering without regard to any beneficial ownership limitations contained in the Pre-Funded Warrants, (ii) the number of shares being offered by the Selling Stockholder pursuant to this prospectus, and (iii) the Selling Stockholder’s beneficial ownership after completion of this offering assuming the sale of all of the shares of Common Stock covered by this prospectus. The registration of the Registrable Securities does not necessarily mean that the Selling Stockholder will sell all or any of the Registrable Securities, but the number of shares and percentages set forth in the final two columns below assume that all Registrable Securities are sold.

The table is based on information supplied to us by the Selling Stockholder, with beneficial ownership and percentage ownership determined in accordance with the rules and regulations of the SEC, and includes voting or investment power with respect to shares of stock. This information does not necessarily indicate beneficial ownership for any other purpose. In computing the number of shares beneficially owned by a Selling Stockholder and the percentage ownership of that Selling Stockholder, shares of Common Stock subject to warrants held by that Selling Stockholder that are exercisable within 60 days after July 18, 2025, are deemed outstanding. The percentage of beneficial ownership after this offering is based on 12,120,651 shares of Common Stock outstanding assuming the issuance of all of the 20,408,160 shares of Common Stock being registered in this offering which are not outstanding on the date hereof.

We have assumed that all shares of Common Stock reflected in the table as being offered in the offering covered by this prospectus will be sold from time to time in this offering. We cannot provide an estimate as to the number of shares of Common Stock that will be held by the Selling Stockholder upon termination of the offering covered by this prospectus because the Selling Stockholder may offer some, all or none of the shares of Common Stock being offered in the offering. Information about the Selling Stockholder may change over time. Any changed information will be set forth in an amendment to the registration statement or supplement to this prospectus, to the extent required by law.

Relationship with Selling Stockholder

To our knowledge, the Selling Stockholder did not have any position, office, or other material relationship with us or any of our affiliates within the past three years.

PLAN OF DISTRIBUTION

The Selling Stockholder and any of its pledgees, assignees and successors-in-interest may, from time to time, sell any or all of its securities covered hereby on The Nasdaq Capital Market or any other stock exchange, market or trading facility on which the securities are traded or in private transactions. These sales may be at fixed or negotiated prices. The Selling Stockholder may use any one or more of the following methods when selling securities:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the securities as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- settlement of short sales;
- in transactions through broker-dealers that agree with the Selling Stockholder to sell a specified number of such securities at a stipulated price per security;
- through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;
- a combination of any such methods of sale; or
- any other method permitted pursuant to applicable law.

The Selling Stockholder may also sell securities under Rule 144 or any other exemption from registration under the Securities Act, if available, rather than under this prospectus.

Broker-dealers engaged by the Selling Stockholder may arrange for other brokers-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the Selling Stockholder (or, if any broker-dealer acts as agent for the purchaser of securities, from the purchaser) in amounts to be negotiated, but, except as set forth in a supplement to this Prospectus, in the case of an agency transaction not in excess of a customary brokerage commission in compliance with FINRA Rule 2440; and in the case of a principal transaction, a markup or markdown in compliance with FINRA IM-2440.

In connection with the sale of the securities or interests therein, the Selling Stockholder may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the securities in the course of hedging the positions they assume. The Selling Stockholder may also sell securities short and deliver these securities to close out their short positions, or loan or pledge the securities to broker-dealers that in turn may sell these securities. The Selling Stockholder may also enter into option or other transactions with broker-dealers or other financial institutions or create one or more derivative securities which require the delivery to such broker-dealer or other financial institution of securities offered by this prospectus, which securities such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The Selling Stockholder and any broker-dealers or agents that are involved in selling the securities may be deemed to be “underwriters” within the meaning of the Securities Act in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the securities purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. The Selling Stockholder has informed the Company that it does not have any written or oral agreement or understanding, directly or indirectly, with any person to distribute the securities.

We are required to pay certain fees and expenses incurred by us incident to the registration of the securities. We have agreed to indemnify the Selling Stockholder against certain losses, claims, damages and liabilities, including liabilities under the Securities Act.

We agreed to keep this prospectus effective until the Selling Stockholder does not own any Registrable Securities, Pre-Funded Warrants or Common Warrants. In addition, in certain states, the resale securities covered hereby may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

Pursuant to applicable rules and regulations under the Exchange Act, any person engaged in the distribution of the resale securities may not simultaneously engage in market making activities with respect to the Common Stock for the applicable restricted period, as defined in Regulation M, prior to the commencement of the distribution. In addition, the Selling Stockholder will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, including Regulation M, which may limit the timing of purchases and sales of the Common Stock by the Selling Stockholder or any other person. We will make copies of this prospectus available to the Selling Stockholder and have informed them of the need to deliver a copy of this prospectus to each purchaser at or prior to the time of the sale (including by compliance with Rule 172 under the Securities Act).

DESCRIPTION OF OUR SECURITIES

The following description of our capital stock and the provisions of our amended and restated certificate of incorporation, as amended (the “Certificate of Incorporation”) and our amended and restated bylaws (the “Bylaws”) are summaries and are qualified by reference to the certificate of incorporation and the bylaws. We have filed copies of these documents with the SEC as exhibits to our registration statement of which this prospectus forms a part.

Description of Common Stock

Authorized Shares of Common Stock. We currently have authorized 75,000,000 shares of Common Stock.

Voting. Holders of our Common Stock are entitled to one vote for each share held of record on each matter submitted to a vote of stockholders, including the election of directors, and do not have cumulative voting rights. Our directors are elected by a plurality of the votes cast by the stockholders entitled to vote at our annual meeting of

stockholders.

Dividends. Subject to the prior rights of any class or series of preferred stock which may from time to time be outstanding, if any, holders of our Common Stock are entitled to receive dividends ratably when, as and if declared by our Board of Directors, out of funds legally available for that purpose. We have not paid any dividends on our Common Stock and none are contemplated in the foreseeable future. We anticipate that all earnings that may be generated from our operations will be used to finance our growth.

Liquidation. Upon our liquidation, dissolution or winding up, holders of the Common Stock are entitled to share ratably in all assets remaining after payment of liabilities and payment of accrued dividends and liquidation preferences on the preferred stock, if any.

Rights and Preferences. The holders of our Common Stock have no preemptive, subscription or redemption rights pertaining to our Common Stock and have no rights to convert their Common Stock into any other securities. The absence of preemptive rights could result in a dilution of the interest of the existing stockholders should additional shares of our Common Stock be issued. In addition, the rights of holders of our Common Stock are subject to, and may be adversely affected by, the rights of holders of shares of any series of preferred stock that we may designate and issue in the future. See “Risk Factors” section in our most recent Form 10-K for a further description of risks related to our Common Stock.

Fully Paid and Nonassessable. All of our issued and outstanding shares of Common Stock are fully paid and nonassessable.

Description of the Warrants

Duration and Exercise Price. All Warrants, except for the Pre-Funded Warrants, are exercisable following stockholders approval. The Pre-Funded Warrants have an exercise price of \$0.0001 per share and do not expire, and are exercisable immediately upon issuance. The Common Warrants have an exercise price of \$0.784 and \$0.98 per share. The Common Warrants expire five years from the effective date of this registration statement. The exercise price and number of shares of Common Stock issuable upon exercise of any Warrant is subject to appropriate adjustment in the event of stock dividends, stock splits, reorganizations or similar events affecting our Common Stock the and exercise price.

Exercisability. The Warrants are exercisable, at the option of each holder, in whole or in part by delivering to us a duly executed exercise notice and, at any time a registration statement registering the issuance of shares of Common Stock underlying the Warrants under the Securities Act is effective and available for the issuance of such shares (or an exemption from registration under the Securities Act is available for the issuance of such shares), by payment in full in immediately available funds for the number of shares of Common Stock purchased upon such exercise.

If a registration statement or current prospectus is not effective or available for the registration under the Securities Act of the Warrants, or the resale of the shares of Common Stock underlying the Warrants, at any time 60 days after the issue date, the holder may, in its sole discretion, elect to exercise Warrants through a cashless exercise, in which case the holder would receive upon such exercise the net number of shares of Common Stock determined according to the formula set forth in the applicable Warrant.

Exercise Limitation. A holder will not have the right to exercise any portion of the Pre-Funded Warrants if the holder (together with its affiliates) would beneficially own in excess of 9.99% of the number of our shares of Common Stock outstanding immediately after giving effect to the exercise, as such percentage ownership is determined in accordance with the terms of the Common Warrants. A holder will not have the right to exercise any portion of the Common Warrants, if the holder (together with its affiliates) would beneficially own in excess of 4.99% (or, upon election of the holder, 9.99%) of the number of our shares of Common Stock outstanding immediately after giving effect to the exercise, as such percentage ownership is determined in accordance with the terms of the Common Warrants, as applicable. Any holder of the Common Warrants may increase or decrease such percentage, but in no event may such percentage be increased to more than 9.99%, provided that any increase will not be effective until the 61st day after such election.

Exchange Listing. There is no established trading market for the Warrants, and we do not expect a market to develop. In addition, we do not intend to apply for the listing of the Warrants on any national securities exchange or other trading market.

Participation Rights. If at any time we grant, issue or sell any shares of Common Stock or Common Stock Equivalents (as defined in the Purchase Agreement) or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any shares of Common Stock (the “Purchase Rights”), the holder of any Warrant will be entitled to acquire, upon the terms applicable to such Purchase Rights, subject to the beneficial ownership limitations, the aggregate Purchase Rights which the holder of such Warrants could have acquired if the holder had held the number of Common Stock acquirable upon complete exercise of such Warrant.

Fundamental Transactions. If (i) we, directly or indirectly, in one or more related transactions effect any merger or consolidation of the Company with or into another person, (ii) we, directly or indirectly, effect any sale, lease, license, assignment, transfer, conveyance or other disposition of all or substantially all of our assets in one or a series of related transactions, (iii) any, direct or indirect, purchase offer, tender offer or exchange offer (whether by us or another person) is completed pursuant to which holders of our Common Stock are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted by the holders of 50% or more of the outstanding shares of Common Stock, (iv) we, directly or indirectly, in one or more related transactions effect any reclassification, reorganization or recapitalization of the shares of Common Stock or any compulsory share exchange pursuant to which the shares of Common Stock are effectively converted into or exchanged for other securities, cash or property, or (v) we, directly or indirectly, in one or more related transactions consummates a stock or share purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off, merger or scheme of arrangement) with another person or group of persons whereby such other person or group acquires more than 50% of the outstanding shares of Common Stock (not including any shares of Common Stock held by the other person or other persons making or party to, or associated or affiliated with the other persons making or party to, such stock or share purchase agreement or other business combination), each a “Fundamental Transaction,” then the successor entity will succeed to, and be substituted for us, and may exercise every right and power that we may exercise and will assume all of our obligations under the Warrants with the same effect as if such successor entity had been named in the Warrant itself. If holders of our shares of Common Stock are given a choice as to the securities, cash or property to be received in a fundamental transaction, then the holder of any Warrant shall be given the same choice as to the consideration it receives upon any exercise of such Warrant following such fundamental transaction. In addition, the successor entity, at the request of the holder of any Warrant, will be obligated to purchase any unexercised portion of such Warrant, in accordance with the terms of such Warrant.

Notwithstanding anything to the contrary, in the event of a Fundamental Transaction, we or any Successor Entity (as defined in the Purchase Agreement) shall, at the holder’s option, exercisable at any time concurrently with, or within 30 days after, the consummation of the Fundamental Transaction (or, if later, the date of the public announcement of the applicable Fundamental Transaction), purchase a Warrant, from the holder by paying to the holder an amount of cash equal to the Black Scholes Value (as defined in the Purchase Agreement) of the remaining unexercised portion of such Warrant on the date of the consummation of such Fundamental Transaction; provided, however, if the Fundamental Transaction is not within our control, including if not approved by our Board of Directors, the holder will only be entitled to receive from us or any Successor Entity, as of the date of consummation of such Fundamental Transaction, the same type or form of consideration (and in the same proportion), at the Black Scholes Value of the unexercised portion of such Warrant that is being offered and paid to the holders of Common Stock in connection with the Fundamental Transaction, whether that consideration be in the form of cash, stock or any combination thereof, or whether the holders of Common Stock are given the choice to receive from among alternative forms of consideration in connection with the Fundamental Transaction.

Rights as a Stockholder. Except as otherwise provided in the applicable Warrant or by virtue of such holder's ownership of our Common Stock, the holder of a Warrant will not have the rights or privileges of a holder of our Common Stock, including any voting rights, until the holder exercises such Warrant.

Resale/Registration Rights. We have filed this registration statement with the SEC that includes this prospectus to register for resale under the Securities Act, the Registrable Securities, consisting of the Shares, the Pre-Funded Warrant Shares and the Common Warrant Shares to satisfy our obligations in connection with the April Private Placement. We are required to use commercially reasonable efforts to cause such registration to become effective by May 30, 2025, within 45 days of the closing of the April Private Placement (or June 30, 2025, in the event of a full review by the SEC) for the April Registrable Securities, and to keep such registration statement effective at all times until the Selling Stockholder does not own any Registrable Securities, Pre-Funded Warrants or Common Warrants.

Reverse Stock Split

On May 2, 2024, we effected the Reverse Split. As a result of the Reverse Split, each of our stockholders received one new share of Common Stock for every 20 shares such stockholder held immediately prior to the effective time of the Reverse Split. The Reverse Split affected all of our issued and outstanding shares of Common Stock equally. The Reverse Split also affected our outstanding stock options, warrants and other exercisable or convertible securities and resulted in the shares underlying such instruments being reduced and the exercise price being increased proportionately. No fractional shares were issued as a result of the Reverse Split. Any fractional shares that would have otherwise resulted from the Reverse Split was paid in cash, at an amount equal to the resulting fractional interest in one share of the Common Stock to which the stockholder would otherwise be entitled, multiplied by the closing trading price of our Common Stock on May 2, 2024.

Anti-Takeover Effects of Delaware Law and Our Certificate of Incorporation and Bylaws

Certain provisions of Delaware law, our Certificate of Incorporation and our Bylaws contain provisions that could have the effect of delaying, deferring or discouraging another party from acquiring control of us. These provisions, which are summarized below, are expected to discourage certain types of coercive takeover practices and inadequate takeover bids. These provisions are also designed, in part, to encourage persons seeking to acquire control of us to first negotiate with our Board of Directors. We believe that the benefits of increased protection of our potential ability to negotiate with an unfriendly or unsolicited acquirer outweigh the disadvantages of discouraging such proposals, including proposals that are priced above the then-current market value of our common stock, because, among other reasons, such negotiation could result in an improvement of the terms of such proposals.

Certificate of Incorporation and Bylaws

Certain provisions set forth in our Certificate of Incorporation, our Bylaws and in Delaware law, which are summarized below, may be deemed to have an anti-takeover effect and may delay, deter or prevent a tender offer or takeover attempt that a stockholder might consider to be in its best interests, including attempts that might result in a premium being paid over the market price for the shares held by stockholders.

Proposals of business and nominations. Our Bylaws generally regulate proposals of business and nominations for election of directors by stockholders. In general, Section 3.16 requires stockholders intending to submit proposals or nominations at a stockholders meeting to provide the Company with advance notice thereof, including information regarding the stockholder proposing the business or nomination as well as information regarding the proposed business or nominee. Section 3.16 provides a time period during which business or nominations must be provided to the Company that will create a predictable window for the submission of such notices, eliminating the risk that the Company finds a meeting will be contested after printing its proxy materials for an uncontested election and providing the Company with a reasonable opportunity to respond to nominations and proposals by stockholders.

Blank Check Preferred Stock. Our Board of Directors has the right to issue preferred stock in one or more series and to determine the designations, rights, preferences of such preferred stock without stockholder approval.

Board Vacancies. Our Bylaws generally provide that only the board of directors (and not the stockholders) may fill vacancies and newly created directorships.

While the foregoing provisions of our Certificate of Incorporation, Bylaws and Delaware law may have an anti-takeover effect, these provisions are intended to enhance the likelihood of continuity and stability in the composition of the Board of Directors and in the policies formulated by the Board of Directors and to discourage certain types of transactions that may involve an actual or threatened change of control. In that regard, these provisions are designed to reduce our vulnerability to an unsolicited acquisition proposal. The provisions also are intended to discourage certain tactics that may be used in proxy fights. However, such provisions could have the effect of discouraging others from making tender offers for our shares and, as a consequence, they also may inhibit fluctuations in the market price of our common stock that could result from actual or rumored takeover attempts. Such provisions also may have the effect of preventing changes in our management.

Delaware Anti-Takeover Statute

We are subject to the provisions of Section 203 of the DGCL ("Section 203") regulating corporate takeovers. In general, Section 203 prohibits a publicly held Delaware corporation from engaging, under certain circumstances, in a business combination with an interested stockholder for a period of three years following the date the person became an interested stockholder unless:

- prior to the date of the transaction, the board of directors of the corporation approved either the business combination or the transaction which resulted in the stockholder becoming an interested stockholder;
- upon completion of the transaction that resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction commenced, excluding for purposes of determining the voting stock outstanding, the outstanding voting stock owned by the interested stockholder, (1) shares owned by persons who are directors and also officers and (2) shares owned by employee stock plans in which employee participants do not have the right to determine confidentially whether shares held subject to the plan will be tendered in a tender or exchange offer; or
- at or subsequent to the date of the transaction, the business combination is approved by the board of directors of the corporation and authorized at an annual or special meeting of stockholders, and not by written consent, by the affirmative vote of at least 66 2/3% of the outstanding voting stock which is not owned by the interested stockholder.

Generally, a business combination includes a merger, asset, stock sale or other transaction resulting in a financial benefit to the interested stockholder. An interested stockholder is a person who, together with affiliates and associates, owns or, within three years prior to the determination of interested stockholder status, did own 15% or more of a corporation's outstanding voting stock. We expect the existence of Section 203 to have an anti-takeover effect with respect to transactions our Board of Directors does not approve in advance. We also anticipate that Section 203 may discourage business combinations or other attempts that might result in a premium over the market price for the shares of common stock held by our stockholders.

Item 14. Indemnification of Directors and Officers.

The Registrant is incorporated under the laws of the State of Delaware. Subsection (a) of Section 145 of the General Corporation Law of the State of Delaware (the “DGCL”) empowers a corporation to indemnify any person who was or is a party or who is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person’s conduct was unlawful.

Subsection (b) of Section 145 empowers a corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that the person acted in any of the capacities set forth above, against expenses (including attorneys’ fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

Section 145 further provides that to the extent a present or former director or officer of a corporation has been successful on the merits or otherwise in the defense of any action, suit or proceeding referred to in subsections (a) and (b) of Section 145, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys’ fees) actually and reasonably incurred by such person in connection therewith; that indemnification provided for by Section 145 shall not be deemed exclusive of any other rights to which the indemnified party may be entitled; and the indemnification provided for by Section 145 shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of such person’s heirs, executors and administrators. Section 145 also empowers the corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of his status as such, whether or not the corporation would have the power to indemnify such person against such liabilities under Section 145.

II-1

Section 102(b)(7) of the DGCL provides that a corporation’s certificate of incorporation may contain a provision eliminating or limiting the personal liability of a director or officer to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that such provision shall not eliminate or limit the liability of (i) A director or officer for any breach of the director’s or officer’s duty of loyalty to the corporation or its stockholders, (ii) A director or officer for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) a director under Section 174 of the DGCL, (iv) A director or officer for any transaction from which the director or officer derived an improper personal benefit, or (v) an officer in any action by or in the right of the corporation.

Our amended and restated bylaws provides that we will indemnify our directors and officers to the fullest extent permitted by law, and may indemnify its employees and agents. Our amended and restated bylaws also provide that we are obligated to advance expenses incurred by a director or officer in advance of the final disposition of any action or proceeding. In addition, as permitted by Delaware law, our amended and restated certificate of incorporation includes provisions that eliminate the personal liability of our directors for monetary damages resulting from breaches of certain fiduciary duties as a director or officer, as applicable, except to the extent such an exemption from liability thereof is not permitted under the DGCL.

We have entered into indemnification agreements with each of our directors. These agreements will require us to indemnify these individuals to the fullest extent permitted under Delaware law against liabilities that may arise by reason of their service to us and to advance expenses incurred as a result of any proceeding against them as to which they could be indemnified.

Except as otherwise disclosed under the heading “Legal Proceedings” in the “Business” section of our Annual Report on Form 10-K for the year ended December 31, 2024, filed with the SEC on April 1, 2025, which is incorporated by reference herein (See “Incorporation of Certain Documents By Reference” and “Where You Can Find Additional Information” in this prospectus), there is at present no pending litigation or proceeding involving any of the Registrant’s directors or executive officers as to which indemnification is required or permitted, and the Registrant is not aware of any threatened litigation or proceeding that may result in a claim for indemnification.

The Registrant has an insurance policy in place that covers its officers and directors with respect to certain liabilities, including liabilities arising under the Securities Act or otherwise.

Item 15. Recent Sales of Unregistered Securities.

During the last three years, we have issued unregistered securities to the persons described below. None of these transactions involved any underwriters, underwriting discounts or commissions, or any public offering. We believe that each transaction was exempt from the registration requirements of the Securities Act by virtue of Section 4(a)(2) thereof as a transaction not involving a public offering. The recipients both had access, through their relationship with us, to information about us.

On May 14, 2025, in connection with the April Private Placement, we sold to the Selling Stockholder the Shares, the Pre-Funded Warrants and the Common Warrants.

On March 8, 2024, in connection with the March Private Placement (the “March Private Placement”), we sold to the Selling Stockholder the Inducement Warrants in exchange

for the Selling Shareholder exercising existing warrants for 1,898,630 shares of common stock (94,932 as adjusted for the May Stock Split) issued in a private placement offering that closed on October 27, 2021, at an exercise price of \$0.2603 per share (\$5.206 as adjusted for the May Stock Split). The issuance of the shares of Common Stock underlying the existing warrants were registered pursuant to an existing registration statement on Form S-1 (File No. 333-260996), which was declared effective by the SEC on November 23, 2021.

On January 11, 2024, we entered into a securities purchase agreement with Peak One Opportunity Fund, L.P. (“Peak One”), pursuant to which, among other things, we sold to Peak One warrants to purchase up to 375,000 shares of our Common Stock in a private placement and a debenture in the principal amount of \$1,300,000 which is convertible into shares of Common Stock at a conversion price of \$0.46 per share. The maximum number of shares of Common Stock that currently may be issued under the debenture is 2,835,302, which takes into account the Exchange Cap specified in such agreements.

II-2

On February 7, 2023, we entered into a securities purchase agreement with Peak One, pursuant to which, among other things, we sold to Peak One warrants to purchase up to 500,000 shares of our Common Stock in a private placement and a debenture in the principal amount of \$1,00,000 which is convertible into shares of Common Stock at a conversion price of \$1.50 per share. We also entered into an equity purchase agreement on the same date pursuant to which we issued to Peak One 75,000 shares of Common Stock and up to \$10,000,000 of additional shares of Common Stock that we may put to Peak One. The maximum number of shares of Common Stock that currently may be issued under both agreements is 2,760,675, which takes into account the Exchange Cap specified in such agreements.

On October 25, 2021 in connection with a registered direct offering of our Common Stock and pre-funded warrants to purchase shares of Common Stock, we entered into a securities purchase agreement with the Selling Shareholder, pursuant to which, among other things, we sold warrants to purchase up to 1,898,630 shares of our Common Stock in a private placement. No separate consideration was paid for the issuance of such warrants.

We did not pay or give, directly or indirectly, any commission or other remuneration, including underwriting discounts or commissions, in connection with any of the issuances of securities listed above. The recipients of the securities in each of these transactions represented their intentions to acquire the securities for investment only and not with a view to or for sale in connection with any distribution thereof, and appropriate legends were placed upon the stock certificates issued in these transactions. All recipients had adequate access, through their employment or other relationship with us or through other access to information provided by us, to information about us. The sales of these securities were made without any general solicitation or advertising.

Item 16. Exhibits and Financial Statement Schedules.

The exhibits listed in the accompanying Exhibit Index are filed or incorporated by reference as part of this registration statement.

Item 17. Undertakings.

The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the “Calculation of Registration Fee” table in the effective registration statement;
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;
- provided, however, that paragraphs (a)(1)(i), (ii), and (iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m or 78o(d)) that are incorporated by reference in the registration statement.
- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

II-3

- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers, and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

RE: Safe & Green Holdings Corp.-Resale Registration Statement on Form S-1

Ladies and Gentlemen:

We have acted as counsel to Safe & Green Holdings Corp., a Delaware corporation (the "Company"), in connection with the preparation of the Company's registration statement on Form S-1 and the preliminary prospectus forming a part of the registration statement (the "Prospectus"), under the Securities Act of 1933, as amended (the "Securities Act"), filed by the Company with the Securities and Exchange Commission (the "Commission") and, as thereafter amended or supplemented (the "Registration Statement"). The Prospectus relates to the registration of the proposed offering of shares of common stock (the "Shares"), par value \$0.01 per share, of the Company (the "Common Stock") or pre-funded warrants (the "Pre-Funded Warrants"), each having the right to purchase one share of Common Stock (the "Pre-Funded Warrant Shares"), in lieu of Shares. The Shares, Pre-Funded Warrants and the Pre-Funded Warrant Shares, are collectively referred to as the "Securities."

In connection with this opinion, we have examined originals or copies (certified or otherwise identified to our satisfaction) of (i) the Company's Certificate of Incorporation as currently in effect, (ii) the Company's Amended and Restated Bylaws as currently in effect, (iii) the Registration Statement and related Prospectus, (iv) the form of Pre-Funded Warrant and (v) such corporate records, agreements, documents and other instruments, and such certificates or comparable documents of public officials or of officers and representatives of the Company, as we have deemed relevant and necessary as a basis for the opinion hereinafter set forth.

In such examination, we have assumed the genuineness of all signatures, the legal capacity of all natural persons, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as certified, conformed or photostatic copies, and the authenticity of the originals of such latter documents. As to certain questions of fact material to this opinion, we have relied upon certificates or comparable documents of officers and representatives of the Company and have not sought to independently verify such facts.

Based on the foregoing, and subject to the assumptions, qualifications, limitations and exceptions set forth herein, we are of the opinion that:

1. The Shares have been duly authorized by all necessary corporate action on the part of the Company. The Shares are validly issued, fully paid and nonassessable.

2. The Pre-Funded Warrants have been duly authorized by all necessary corporate action on the part of the Company. The Pre-Funded Warrants constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their terms except as such enforceability may be limited by (i) any applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally including, without limitation, fraudulent transfer or fraudulent conveyance laws; (ii) public policy considerations, statutes or court decisions that may limit rights to obtain exculpation, indemnification or contribution (including, without limitation, indemnification regarding violations of the securities laws and indemnification for losses resulting from a judgment for the payment of any amount other than in United States dollars); and (iii) general principles of equity (including, without limitation, concepts of materiality, reasonableness, good faith and fair dealing) and the availability of equitable remedies (including, without limitation, specific performance and equitable relief), regardless of whether considered in a proceeding in equity or at law.

3. The Pre-Funded Warrant Shares have been duly authorized by all necessary corporate action on the part of the Company and, assuming a sufficient number of authorized but unissued shares of Common Stock are available for issuance when the Pre-Funded Warrants are exercised, the Pre-Funded Warrant Shares, when and if issued upon exercise of the Pre-Funded Warrants in accordance with the terms of the Pre-Funded Warrants, will be validly issued, fully paid and nonassessable.

The opinion expressed herein is limited to the Delaware General Corporation Law and, with respect to the enforceability of the Pre-Funded Warrants, the laws of the State of New York, and we express no opinion as to the effect on the matters covered by this letter of the laws of any other jurisdiction.

We assume no obligation to update or supplement any of our opinions to reflect any changes of law or fact that may occur. We hereby consent to the filing of this letter as an exhibit to the Registration Statement and to the reference to our firm under the caption "Legal Matters" in the Prospectus which is a part of the Registration Statement. In giving such consents, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act or the Rules and Regulations of the Commission promulgated thereunder.

Very truly yours,

/s/ Sichenzia Ross FERENCE Carmel LLP
