NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
(UNAUDITED)

(1) BUSINESS AND ORGANIZATION

CDSI Holdings Inc. (the "Company" or "CDSI") was incorporated in Delaware on December 29, 1993. On January 12, 1999, the Company's stockholders voted to change the corporate name of the Company from PC411, Inc. to CDSI Holdings Inc. Prior to May 8, 1998, the Company's principal business was an on-line electronic delivery information service that transmits

name, address, telephone number and other related information digitally to users of personal computers (the "PC411 Service"). On May 8, 1998, the Company acquired Controlled Distribution Systems, Inc. ("CDS"), a company engaged in the marketing and leasing of an inventory control system for tobacco products. In February 2000, CDSI announced CDS will no longer actively engage in the business of marketing and leasing the inventory control system.

At March 31, 2003, the Company had an accumulated deficit of approximately \$8.1 million. The Company has reported an operating loss in each of its fiscal quarters since inception and it expects to continue to incur operating losses in the immediate future. The Company has reduced operating expenses and is seeking acquisition and investment opportunities. No assurance can be given that the Company will not continue to incur operating losses.

CDSI intends to explore investments in other business opportunities. As CDSI has only limited cash resources, CDSI's ability to complete any acquisition or investment opportunities it may identify will depend on its ability to raise additional financing, as to which there can be no assurance. As of the date of this report, the Company has not identified any potential acquisition or investment. There can be no assurance that the Company will successfully identify, complete or integrate any future acquisition or investment, or that acquisitions or investments, if completed, will contribute favorably to its operations and future financial condition.

(2) PRINCIPLES OF REPORTING

The financial statements of the Company as of March 31, 2003 presented herein have been prepared by the Company and are unaudited. In the opinion of management, all adjustments, consisting only of normal recurring adjustments, necessary to present fairly the financial position as of March 31, 2003 and the results of operations and cash flows for all periods presented have been made. Results for the interim periods are not necessarily indicative of the results for the entire year.

These financial statements should be read in conjunction with the audited financial statements and notes thereto for the year ended December 31, 2002 included in the Company's Form 10-KSB, as amended, filed with the Securities and Exchange Commission (Commission File No. 0001-22563).

CDSI HOLDINGS INC. AND SUBSIDIARIES

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS - (CONTINUED) (UNAUDITED)

USE OF ESTIMATES

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

(3) THINKDIRECTMARKETING TRANSACTION

On November 5, 1998, the Company contributed the non-cash assets and certain liabilities of the PC411 Service to ThinkDirectMarketing, Inc. ("TDMI") (formerly known as Digital Asset Management, Inc.). The Company received preferred stock representing an initial 42.5% interest in TDMI in exchange for the contribution of the PC411 Service's net assets. The Company's carrying value in the net assets contributed to TDMI totaled \$73,438. The Company recorded \$462,360 as a capital contribution in

connection with the transaction, which represented the Company's 42.5% interest in the capital raised by TDMI in excess of the carrying value of the Company's net assets contributed to TDMI. The Company agreed, under certain conditions, to fund up to \$200,000 of an \$800,000 working capital line. The Company funded \$100,000 of the working capital line in the second quarter of 1999. In July 1999, the Company agreed to extend the maturity of its working capital line and was released from any further obligation to fund additional amounts under the working capital line.

In October 2000, TDMI and Cater Barnard plc (formerly known as VoyagerIT.com) entered into an agreement whereby Cater Barnard purchased for \$5,000,000 shares of TDMI's convertible preferred stock and convertible notes on various dates between November 10, 2000 and June 8, 2001. On October 16, 2001, Cater Barnard agreed to use its best efforts to fund an additional \$1,250,000 to TDMI by January 31, 2002 and on the same date, the TDMI stockholders granted Cater Barnard an option to purchase by January 31, 2002 all of TDMI's common stock not held by Cater Barnard for an aggregate purchase price of 78,750 shares of Convertible Preferred Stock of Dialog Group Inc. ("Dialog," formerly known as IMX Pharmaceuticals, Inc.). Dialog is a majority-owned subsidiary of Cater Barnard to which Cater Barnard had transferred its interest in TDMI. The preferred stock was initially convertible into 1,575,000 shares of Dialog common stock.

On January 31, 2002, Dialog acquired all the shares of TDMI it did not already own by exercising the option previously granted to Cater Barnard. CDSI received 8,250 shares of Dialog Class B Convertible Preferred Stock in exchange for its interest in TDMI. Each share of Dialog Class B Preferred Stock was entitled to receive an annual dividend of \$4.00 on December 31 of each year. The dividend was payable at the option of Dialog in shares of its Common Stock, which trades on the NASD OTC Electronic Bulletin Board under the symbol "DLGG". The shares of Dialog Class B Preferred Stock to be received by the Company were initially convertible into 165,000 shares of Dialog Common Stock.

On November 4, 2002, the holders of Dialog Class B Preferred Stock and Dialog agreed to (i) increase the number of common shares into which the Dialog Class B Preferred Stock is convertible from 1,575,000 to 3,150,000 and (ii) eliminate the annual dividend on the Class B Preferred Stock. As

CDSI HOLDINGS INC. AND SUBSIDIARIES

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS - (CONTINUED) (UNAUDITED)

a result, the Class B Preferred Stock held by CDSI became convertible into 330,000 shares of Dialog Common Stock. Based on public filings by Dialog, management estimates that CDSI's interest in Dialog is approximately 0.4% on a fully-diluted basis. On February 7, 2003, CDSI converted its preferred shares into 330,000 shares of Dialog Common Stock.

Under an Investors' Rights Agreement dated January 31, 2002 between Dialog and the former TDMI stockholders, if Dialog receives a written request from at least 50% of the former TDMI stockholders to register the Dialog Common Stock issuable on conversion of the Dialog Class B Preferred Stock, it must use its best efforts to file, within 90 days of the receipt of such request, a registration statement covering the registration of such securities under the Securities Act of 1933.

The Company accounted for its non-controlling interest in TDMI using the equity basis of accounting since November 5, 1998. In the second quarter of 1999, the carrying value of the Company's investment in TDMI, including the \$100,000 note receivable, was reduced to zero as the cumulative equity in TDMI's losses exceeded the Company's investment in TDMI. Since the Company had no intention or commitment to fund future TDMI losses, commencing in the second quarter of 1999, the Company suspended recognizing its share of the additional losses of TDMI. The

Company recorded income of \$100,000 for the year ended December 31, 2001 in connection with the repayment of the \$100,000 note receivable from TDMI.

(4) RELATED PARTY TRANSACTIONS

Certain accounting and related finance functions are performed on behalf of the Company by employees of New Valley Corporation, the principal stockholder of the Company. Expenses incurred relating to these functions are allocated to the Company and paid as incurred to New Valley based on management's best estimate of the cost involved. The amounts allocated were immaterial for all periods presented herein.

(5) NET LOSS PER SHARE

Basic loss per share of common stock is computed by dividing net loss applicable to common stockholders by the weighted average shares of common stock outstanding during the period (3,120,000 shares). Diluted per share results reflect the potential dilution from the exercise or conversion of securities into common stock.

Stock options and warrants (both vested and non-vested) totaling 656,788 and 2,979,288 shares at March 31, 2003 and 2002, respectively, were excluded from the calculation of diluted per share results presented because their effect was anti-dilutive. Accordingly, diluted net loss per common share is the same as basic net loss per common share. On May 13, 2002, 2,322,500 of the stock options and warrants outstanding at March 31, 2002 expired.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

OVERVIEW

Based on public filings by Dialog Group Inc. (formerly known as IMX Pharmaceuticals Inc.), management estimates that the Company owns an approximate 0.4% interest in Dialog on a fully diluted basis. Dialog is a provider of relationship marketing communications services, business and consumer targeting databases for the healthcare, financial, and other direct-to-consumer, direct-to-professional, business markets. The Dialog Common Stock, which trades on the NASD OTC Electronic Bulletin Board under the symbol "DLGG", is registered under the Securities Exchange Act of 1934, and Dialog files periodic and other reports with the Securities and Exchange Commission.

The Company intends to seek new investments in other business opportunities. As the Company has only limited cash resources, the Company's ability to complete any acquisition or investment opportunities it may identify will depend on its ability to raise additional financing, as to which there can be no assurance. There can be no assurance that the Company will successfully identify, complete or integrate any future acquisition or investment, or that acquisitions or investments, if completed, will contribute favorably to its operations and future financial condition.

THINKDIRECTMARKETING, INC.

On November 5, 1998, the Company contributed substantially all the non-cash assets and certain liabilities related to its on-line electronic delivery information service to TDMI, and received preferred stock of TDMI. See Note 3 to the Condensed Consolidated Financial Statements for additional information concerning the Company's former investment in TDMI.

The Company's interest in TDMI was accounted for using the equity method of accounting. Commencing in the second quarter of 1999, the carrying

value of the Company's investment in TDMI was reduced to zero, and the Company suspended recognizing its share of the additional losses of TDMI. In the second quarter of 2001, TDMI repaid a \$100,000 note receivable due to the Company. As a result, the Company recorded \$100,000 of income associated with the repayment for the year ended December 31, 2001.

On January 31, 2002, Dialog acquired all the shares of TDMI it did not already own by exercising an option previously granted by the remaining TDMI stockholders. The Company received preferred stock of Dialog in exchange for its interest in TDMI. The preferred stock was convertible into Dialog common stock and, on February 7, 2003, CDSI converted its Class B Preferred Shares into 330,000 shares of Dialog Common Stock.

RESULTS OF OPERATIONS

REVENUES

For the three months ended March 31, 2003 and 2002, the Company did not generate revenues from operations.

EXPENSES

Expenses associated with corporate activities were \$14,428 for the three months ended March 31, 2003, as compared to \$8,920 for the same period in the prior year. The amounts were primarily due to the costs necessary to maintain a public company and the increase in 2003 is due primarily to increased audit expenses. In addition, the expenses for the three months ended March 31, 2002 have been reduced by adjustments of previously established accruals of \$1,250. These adjustments related to liabilities established when the Company conducted an on-line electronic directory service. The Company evaluates accruals on a quarterly basis and adjusts as appropriate.

CDSI HOLDINGS INC. AND SUBSIDIARIES

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS (CONTINUED)

OTHER INCOME

Interest income was \$663 for the three months ended March 31, 2003, compared to \$528 for the three months ended March 31, 2002.

LIQUIDITY AND CAPITAL RESOURCES

At March 31, 2003, the Company had an accumulated deficit of approximately \$8.1 million. The Company has reported an operating loss in each of its fiscal quarters since inception and it expects to continue to incur operating losses in the immediate future. The Company has reduced operating expenses and is seeking acquisition and investment opportunities. No assurance can be given that the Company will not continue to incur operating losses.

The Company has limited available cash, limited cash flow, limited liquid assets and no credit facilities. The Company has not been able to generate sufficient cash from operations and, as a consequence, financing has been required to fund ongoing operations. Since completion of the Company's initial public offering of its common stock (the "IPO") in May 1997, the Company has primarily financed its operations with the net proceeds of the IPO. The funds were used to complete the introduction of the PC411 Service over the Internet, to expand marketing, sales and advertising, to develop or acquire new services or databases, to acquire CDS and for general corporate purposes.

In connection with the IPO, the Company issued 2,322,500 Redeemable Class A Warrants (the "Warrants"), including 1,000,000 of which were held by New Valley. The Warrants, which entitled the holder to purchase one share of Common Stock at an initial exercise price of \$6.10, expired on May 13, 2002.

Cash used for operations for the three months ended March 31, 2003 and

2002 was \$6,945 and \$9,391, respectively. The decrease is associated primarily with the timing of payments of accounts payable and accrued liabilities. Included in the Company's accrued liabilities as of March 31, 2003 is \$1,457 of liabilities established in the disposal of the Company's former business of marketing and leasing an inventory control system for tobacco products. The Company evaluates its accruals on a quarterly basis and makes adjustments when appropriate.

The Company does not expect significant capital expenditures during the year ended December 31, 2003.

At March 31, 2003, the Company had cash and cash equivalents of \$208,142. The Company does not currently have any commitments for any additional financing, and there can be no assurance that any such commitments can be obtained. Any additional equity financing may be dilutive to its existing stockholders, and debt financing, if available, may involve pledging some or all of its assets and may contain restrictive covenants with respect to raising future capital and other financial and operational matters.

Inflation and changing prices had no material impact on revenues or the results of operations for the three months ended March 31, 2003 and 2002.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS (CONTINUED)

Management is currently evaluating alternatives to supplement the Company's present cash and cash equivalents to meet its liquidity requirements over the next twelve months. Such alternatives include seeking additional investors and/or lenders and disposing of the share of Dialog Common Stock held by the Company. On February 7, 2003, the Company converted its Class B Preferred Shares into Dialog Common Stock, which is traded on the NASD OTC Bulletin Board. However, there is only a limited trading market for the Dialog shares, and the Company may not be able to sell any material portion of its shares at prevailing market prices. Although there can be no assurance, the Company believes that it will be able to continue as a going concern for the next twelve months.

The Company or its affiliates, including New Valley, may, from time to time, based upon present market conditions, purchase shares of the Common Stock in the open market or in privately negotiated transactions.

SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS

The Company and its representatives may from time to time make oral or written "forward-looking statements" within the meaning of the Private Securities Reform Act of 1995 (the "Reform Act"), including any statements that may be contained in the foregoing "Management's Discussion and Analysis of Financial Condition and Results of Operations", in this report and in other filings with the Securities and Exchange Commission and in its reports to stockholders, which represent the Company's expectations or beliefs with respect to future events and financial performance. These forward-looking statements are subject to certain risks and uncertainties and, in connection with the "safe-harbor" provisions of the Reform Act, the Company has identified under "Risk Factors" in Item 1 of the Company's Form 10-KSB for the year ended December 31, 2002 filed with the Securities and Exchange Commission and in this section important factors that could cause actual results to differ materially from those contained in any forward-looking statements made by or on behalf of the Company.

The Company's plans and objectives are based, in part, on assumptions involving judgments with respect to, among other things, future economic, competitive and market conditions and future business decisions, all of which are difficult or impossible to predict accurately and many of which are beyond the control of the Company. Although the Company believes that its assumptions underlying the forward-looking statements are reasonable, any of the assumptions could prove inaccurate and, therefore, there can be no assurance that the forward-looking statements included in this report will prove to be accurate. In light of the significant uncertainties inherent in the forward-looking

statements included herein, particularly in view of the Company's limited operations, the inclusion of such information should not be regarded as a representation by the Company or any other person that the objectives and plans of the Company will be achieved. Readers are cautioned not to place undue reliance on such forward-looking statements, which speak only as of the date on which such statements are made. The Company does not undertake to update any forward-looking statement that may be made from time to time on its behalf.

ITEM 3. CONTROLS AND PROCEDURES

The Company's principal executive officer and principal financial officer have evaluated the effectiveness of the design and operation of the Company's disclosure controls and procedures within 90 days of the filing date of this quarterly report and have concluded that these controls and procedures are effective. There were no significant changes in the Company's internal controls or in other factors that could significantly affect these controls subsequent to the date of their evaluation.

Disclosure controls and procedures are the Company's controls and other procedures that are designed to ensure that information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported, within the time periods specified in the Securities and Exchange Commission's rules and forms. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed by the Company in the reports that it files under the Exchange Act is accumulated and communicated to its management, including its principal executive officer and principal financial officer, as appropriate to allow timely decisions regarding disclosure.

CERTIFICATION OF CHIEF EXECUTIVE OFFICER PURSUANT TO
18 U.S.C. SECTION 1350, AS ADOPTED PURSUANT TO
SECTION 906 OF THE SARBANES-OXLEY ACT OF 2002

In connection with the Quarterly Report of CDSI Holdings Inc. (the "Company") on Form 10-QSB for the period ended March 31, 2003 as filed with the Securities and Exchange Commission on the date hereof (the "Report"), I, Richard J.
